25. Compensation of engineers, etc., and land damages not chargeable to specific appropriations.
26. Appropriation for road from Odiome's Point to Jenness Beach; commission provided for.
27. Specific appropriations for sundry highways.
- 27 [28]. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. The general supervision, control and direction of the business to which the provisions of this act relate shall be and hereby are committed to the governor and council.

Governor and council to supervise.

SECT. 2. For the purposes of this act the counties of Cöös, Carroll and Grafton shall be regarded as a district.

Certain counties a district.

SECT. 3. The appropriations and expenditures on the part of the state for the construction and improvement of highways in said district shall, so far as practicable, be made with reference to a system of continuous ways designed, adopted and constructed to facilitate and increase the public travel to and from the mountain and lake regions in said district.

System of continuous ways contemplated.

SECT. 4. Any existing roads or ways, now in use as public highways, located and being in the routes hereinafter specified for construction, repair and maintenance, may, in the discretion of the governor and council, be taken and appropriated for the purposes of this act; but no liability shall thereby be created against the state or against any town for such taking and appropriation, and no compensation shall thereby become due or payable to any town, corporation or natural person having or claiming property, rights, or interests within the limits of such existing roads or ways now in use as public highways.

Existing highways may be appropriated.

SECT. 5. The road which extends from the main road in Jefferson, at an intersection near the hotel of Ethan Allen Crawford, to the Crawford House in the town of Carroll, known as the "Jefferson Notch road"; the turnpike road, so called, extending from the base of Mt. Washington to the main road running by the Fabyans known as the Portland road; the highway proposed to be constructed in parts between the Fabyan House and the Twin Mountain House (according to surveys on file in the office of the secretary of state), and the parts of the existing highways which shall connect with and make said parts above mentioned continuous between the easterly terminus of the Mt. Washington turnpike road, so called, and the northerly terminus of the McCann road, so called, which leads southerly from the Twin Mountain House towards the Bethlehem line; the road proposed to be constructed from a point on said Portland road near the Twin Mountain House, where the Portland road is intersected by the road leading to the house of one John McCann and thence to the Profile House (provided an appropriation for the construction of said road from said McCann road to the Profile golf links on the Chase farm, so called, shall be made by this act and not otherwise); the main road from the height of land in Franconia leading through the Franconia Notch to North Woodstock; and the Notch road leading from the point of intersection of the Mt. Washington

Certain roads designated as state highways; private rights to be assigned; exercise of eminent domain.

turnpike, so called, with the said Portland road in Carroll to the line of the town of Bartlett shall be state highways and shall be constructed and maintained by the state, provided that parties over whose unappropriated lands the same may pass, or who have any kind of proprietorship in said roads or highways or any part of them, shall, on terms satisfactory to the governor and council, assign the right of way for said highways to the state, or such rights of way shall be duly appropriated by the state under due procedure in the exercise of the right of eminent domain. Any taking by the state of lands necessary for the purposes of this act shall be by proceedings the same as are provided for the laying of highways to public waters.

State not liable for injuries; towns not liable to suit or indictment.

SECT. 6. No claim shall accrue or exist against the state, and no action be maintained against any town in which a road is situated on which the work of construction is done or repairs made, in whole or in part, at the expense of the state, for or on account of any injury to person or property on any such road; nor shall any indictment or information be maintained against any town on account of the condition of such road.

Contracts to be awarded on competitive bids.

SECT. 7. The work of construction and repair on the highways and roads aforesaid, so far as the same may be done by the state (unless for some special reason such course is impracticable) shall be by contract upon specifications furnished by a state engineer and upon competition by responsible contractors, and the person to whom any contract shall be awarded shall be required to give adequate security by bond or deposit for the faithful performance of any contract awarded to him.

Civil engineer to be appointed; duties.

SECT. 8. The governor and council shall designate and appoint a competent civil engineer, for said district, who shall make specifications for any and all work to be done on highways and roads in said district for which the state shall, either in whole or part, provide the expense of construction or maintenance. Said engineer shall also supervise the work done, on said highways, either in whole or in part at the expense of the state, at the time such work is in progress, and at its completion, examine it to ascertain whether it shall have been done in accordance with the requirements of the contract. He shall also make full and detailed report to the governor and council as to the amount, character, and quality of the work done and as to whether the requirements of the contract have been fulfilled in each case.

Emergency repairs when competitive bids impracticable.

SECT. 9. In case of sudden emergencies and on occasions when repairs are required on the state roads or those on which the state authorizes expenditures in said district, and in case the procurement of contracts therefor by competition is impracticable, the governor and council may authorize emergency repairs, without requiring competitive bids for the same; but in no instance shall any work or expenditure on said highways

or roads be a charge against the state unless it shall be done by contract authorized by the governor and council and unless it shall have been inspected and approved by the engineer appointed as aforesaid.

SECT. 10. The governor and council may require the state highway engineer, and may appoint any other person or persons, from time to time, personally to traverse the highways and roads which are made state highways and those upon which the state may make expenditures in said district for the purpose of ascertaining the condition thereof, and to make recommendations as to what may, from time to time, be found necessary, or expedient for their repair and improvement.

Inspection by engineer, and others.

SECT. 11. The compensation of said district engineer shall be fixed by the governor and council, and shall cover only the time in which he may be actually employed in the business of the state and his actual expenses incurred in performance of the duties of his office. The accounts of said engineer shall be audited by the governor and council and the amount found due paid out of the treasury of the state upon the governor's warrant.

Compensation of engineer.

SECT. 12. The governor and council are authorized in their discretion to divide the roads named in this act into sections, or to group separate roads, or parts of roads, as considerations of efficiency and economy in the execution of the work of construction, repair, and maintenance may require.

Division of roads into sections.

SECT. 13. The governor with the advice of the council, shall appoint a commission of three persons to survey and locate a highway beginning at a point in Thompson and Meserve's Purchase, a place in the county of Coös, which is the easterly terminus of the highway leading from Fabyans to the base of Mt. Washington, and which is known as the Mt. Washington turnpike; thence over the line of said turnpike road, as it now exists, to the point of its intersection with the Portland road, so called, near the Fabyan House in that part of Carroll known as Nash & Sawyer's Location; thence westerly on and over said Portland road, so called, to a point therein marked by an iron rod driven in the ground in the traveled part of said road, with stakes driven in the ground on each side of the road at that point as witnesses, each marked with the letter "A"; thence crossing the Ammonoosuc river to the southerly side thereof, and westerly along the southerly side, and again crossing said river to a point in said Portland road marked by an iron driven in the ground in the traveled part of the road with stakes driven in the ground on each side of the road as witnesses, each marked with the letter "B"; the distance between said point marked "A" and "B" being two hundred and ninety-four (294) rods; thence westerly on and over said Portland road in a westerly direction to a point therein marked by an iron driven in the ground in the traveled part of

Survey and location of highway from base of Mt. Washington to the Chase farm in Franconia.

the road, with stakes driven in the ground on each side thereof as witnesses, each marked with a letter "C"; thence crossing said river to the southerly side thereof and continuing along the southerly side, and again crossing the river to a point in said Portland road, easterly of the railroad bridge and easterly of the Twin Mountain House, which point is marked by an iron driven in the ground in the traveled part of said road, with stakes driven in the ground on each side thereof as witnesses, each marked with the letter "D," the distance between said points marked "C" and "D," being two (2) miles and fifty-one (51) rods; thence westerly on said Portland road to the point of its intersection, near the Twin Mountain House, with a road leading southerly toward the Bethlehem line to a point therein, near the house of John McCann; thence continuing to the Bethlehem line and across Bethlehem to the Franconia line, and thence in Franconia to a point marked by a stake in the existing highway in front of a club-house on the Chase farm, so called, at the highway which leads from that point in one direction to the Profile House and in the other direction to the village of Franconia, the distance from the point of intersection with said McCann road to the point marked as aforesaid on the Chase farm being eight and thirty-two one hundredths (8 $\frac{32}{100}$) miles.

The commissioners shall be appointed and commissioned on or before April 1st, and shall make said survey, and shall locate said highways and make return on said survey and location of said highways to the secretary of state prior to May 1st, 1903.

Road to be surveyed and located in seven sections.

SECT. 14. The commissioners shall survey and locate said road in sections or parts, that part from the base of Mt. Washington to said point marked "A" in the Portland road being one section or part; the next section being that extending from the point marked "A" to the point marked "B"; the third section being that between the points marked "B" and that marked "C" on the Portland road; the fourth being that between the point marked "C" and the point marked "D" along the Portland road and over the McCann road to the terminus thereof; the sixth section being one extending from the terminus of said McCann road to the Franconia line, and the seventh section being one extending from the Franconia line to the terminus above described on the said Chase farm. The location of said roads described in section thirteen (13) of this act, not heretofore constructed shall be shown by plans thereof to be filed in the office of the secretary of state.

Commissioners to secure conveyances or assess damages.

SECT. 15. After making the survey and location of said roads described in section thirteen (13) of this act and making a return thereof to the secretary of state, as provided in the last preceding section, the commissioners may secure from the respective owners thereof a conveyance, or conveyances, to the state, of the fee or an easement in the land covered by such

location; and should any owner of land or property taken for said road, or any part thereof, refuse to make such conveyance, without compensation, the commissioners shall assess the damages sustained by such owners of land or property so taken upon giving such owners notice of a hearing upon the question of such damages, at least ten days before hearing thereon, in the manner in which notice is given by selectmen of a hearing for the assessment of damages for land taken for highways laid out by them; and an appeal may be taken from the decision of said commissioners, in the assessment of such damages, as in the assessment of damages for land taken for a highway laid out by the selectmen.

SECT. 16. The commissioners shall make return of any assessment of damages by them made, within ten days after hearing thereon, to the secretary of state, and the clerk of the superior court in the county in which the land is located; and such assessment or assessments must be made and completed, and return thereof made as before provided, on or before July 1st, 1903.

Return of assessments.

SECT. 17. The commissioners appointed as aforesaid shall act as agents of the state, with authority to make a contract or contracts with the lowest responsible bidder or bidders for the construction of the whole or any part of each section of said road, described in section thirteen (13) of this act, such contract or contracts to be in the names of such agents and subject to the approval of the governor; and such agents shall be authorized and required to superintend the construction of said road and all parts thereof, to ascertain that the same is being constructed and has been completed in accordance with the terms of the contract or contracts therefor. It is provided, however, that the agents thus appointed and commissioned, for the purpose of making contracts for, and superintending the construction of said road, shall be paid such compensation for their services and expenses as the governor and council shall deem just and reasonable. It is further provided that only five thousand dollars (\$5,000) of the amount appropriated under the provisions of section twenty-four (24) of this act for the construction of the roads described in section thirteen (13) of this act shall be employed or expended in the construction of said proposed road between said McCann road in Carroll and said Chase farm in Franconia. It is also further provided that the construction of a highway for the passage of vehicles over said last named section of said route is not authorized or provided for by this act, but this act shall not be so construed as to prevent the construction of a carriage road over said route at the expense of other parties than the state.

Commissioners to contract for and superintend construction; compensation.

SECT. 18. The contract, or contracts, herein authorized shall provide for the construction of a road, (except on the sections between the McCann road and the Chase place), the

Width of road and character of construction.

traveled part of which shall be of suitable width at all points for the convenient passage of teams meeting and going in opposite directions, with thoroughly made road-bed, suitably ballasted for permanent use and wear for all kinds of vehicles which may lawfully be used on the public highways. The work when completed to be to the satisfaction of the governor and the agents appointed as aforesaid and of the state engineer, if one shall be appointed and designated by law for the supervision of this business. Upon satisfactory proof that any section of said highway shall have been completed and approved in the manner aforesaid by the contractor, or contractors, the amount required by the contract is hereby appropriated for the purpose aforesaid, and the governor is authorized to draw his warrant for said sum upon any money in the treasury not otherwise appropriated.

Land damages payable by state.

SECT. 19. The sums awarded to owners of land taken for said road or any part thereof by the commissioners, as aforesaid, shall be paid by the governor by his warrant drawn upon the treasury from any money therein not otherwise appropriated.

Towns not liable to suit or indictment.

SECT. 20. No claim shall accrue, or exist, and no action shall be maintained against any town through which said highway, extending from the base of Mt. Washington to the Chase place in Franconia over the route above described shall pass, nor shall any indictment or information be maintained against any town on account of the condition of said road.

Existing highways may be appropriated.

SECT. 21. Any existing roads and highways now in use as public highways, located in the route selected for the highway aforesaid, may be taken and appropriated for the purposes of sections 13 to 20 of this act both inclusive; but no liability shall thereby be created against the state, or against any town, for such taking and appropriation, and no compensation shall thereby become due or payable to any town, corporation, or natural person having or claiming property, rights, or interests within the limits of such existing roads or ways now in use as public highways.

Indebtedness incurred by Jefferson Notch road commission.

SECT. 22. For the liquidation of the indebtedness of the commission appointed under the provisions of "An act to provide for the survey, location and construction of the Jefferson Notch road, in Jefferson, Low and Burbank's Grant, Crawford's Purchase, and Bean's Purchase," approved March 22, 1901, incurred for moneys actually raised on the personal credit of the members of said commission and actually expended in the construction of said highway, a sum not exceeding four thousand dollars, (\$4,000) or so much thereof as the governor and council may find necessary for the purpose, is hereby appropriated out of any money in the treasury not otherwise appropriated.

SECT. 23. Inasmuch as said highway, now known as the Jefferson Notch road, requires certain additional improvements by widening the traveled parts thereof, by ballasting it with gravel or other appropriate and durable material, and by effecting drainage at numerous places on said highway to obviate damaging and obstructive collections of water in it, so much of the sum appropriated hereinafter by the provisions of sub-section (1) of section twenty-four (24) of this act, as in the opinion of the commission having the business in charge may be necessary for the purposes and uses stated in this section not exceeding ten thousand dollars (\$10,000) may be applied thereto, and said sum shall be expended under the general supervision of the governor and council, by the commission appointed under the provisions of section thirteen (13) of this act, and in the same manner as respects the work required being done by contract by responsible parties upon competitive bids, and as respects all other official acts and operations of said commission on said highway, as required by the foregoing provisions of this act.

Appropriation
for improve-
ment of Jef-
ferson Notch
road.

SECT. 24. Subject to the foregoing provisions and regulations, the following sums shall be, and are hereby appropriated for the construction and repair of the highways as hereinafter specified, viz:—

Specific ap-
propriations
for sundry
highways.

(1) The sum of thirty-two thousand dollars (\$32,000) for the completion of the highway from the Ethan Allen Crawford place in Jefferson to the Crawford House near the White Mountain Notch, known as the Jefferson Notch road; and for the construction of the highways in the town of Carroll described in section thirteen (13) of this act as being between point "A" and point "B," and between point "C" and point "D," all of the four points marked, as aforesaid, by the letters "A," "B," "C," and "D," being in the Portland road, so called; and for making a roadway from the McCann road in the town of Carroll to the Chase place in the town of Franconia, also described in section thirteen (13) of this act.

(2) The sum of eighteen hundred dollars (\$1,800) for the construction, changing, and repairs of the highway in Dixville Notch, in continuation of the same work begun under the provisions of the joint resolution, approved March 21, 1901, (Laws of 1901, page 644).

(3) The sum of fifteen hundred dollars (\$1,500) for the construction of the new hill road, to be a substitute for the existing road leading in the town of Errol to Wentworth's Location, provided other parties shall contribute the sum of one thousand dollars (\$800) for the same purpose.

(4) The sum of two thousand dollars (\$2,000) for the construction and repairs of the Moosilauke road in the town of Woodstock, the said road having been commenced but not completed upon appropriations heretofore made by the state.

(5) The sum of one hundred dollars (\$100) for each of the years 1903 and 1904 for the repairs of the highway recently laid out and built by the state to Forest lake, in the towns of Whitefield and Dalton.

(6) The sum of two hundred and fifty dollars (\$250) for each of the years 1903 and 1904 for the repairs of highways in the town of Dixville.

(7) The sum of seventy-five dollars (\$75) for each of the years 1903 and 1904 for repairs of the highway in the town of Dummer on the west side of the Androscoggin river, thence to the north line of Milan.

(8) The sum of one hundred dollars (\$100) for each of the years 1903 and 1904 for the repairs of the highway on the west side of the Androscoggin river from the house of L. H. Grover, in Errol, to Dummer line.

(9) The sum of six hundred and fifty dollars (\$650) for each of the years 1903 and 1904 for the repairs of the highway in Green's Grant, Martin's Location, and Pinkham's Grant.

(10) The sum of one hundred and fifty dollars (\$150) for each of the years 1903 and 1904 for the repairs of the main road in the town of Randolph.

(11) The sum of one hundred dollars (\$100) for each of the years 1903 and 1904 for the repair of the road between the Diamond ponds in the east part of Stewartstown.

(12) The sum of two hundred dollars (\$200) for each of the years 1903 and 1904 for the repairs of the highway from the Farnsworth place so called to the Second Lake House in the town of Pittsburg.

(13) The sum of three hundred dollars (\$300) for each of the years 1903 and 1904 for the repairs of the road leading from the Crawford House to the Willey House, in the towns of Carroll and Hart's Location.

(14) The sum of two hundred and fifty dollars (\$250) for the repairs of the road leading from the Willey House, in Hart's Location, to the west line of Bartlett, for each of the years 1903 and 1904.

CHAPTER 88.

AN ACT IN AMENDMENT OF SECTION 13, CHAPTER 27 OF THE PAMPHLET LAWS OF 1895, RELATING TO STREET RAILWAYS.

SECTION

1. Crossing of steam railroad tracks by street railways regulated.

SECTION

2. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Crossing of
steam rail-
road tracks
by street
railways
regulated.

SECTION 1. That section 13, chapter 27, of the Pamphlet Laws of 1895 be, and is hereby amended, by inserting the words, unless otherwise ordered by the railroad commissioners, in the eleventh line of said section after the word "cases," so that as amended said section 13 shall read as follows: SECT. 13. No street railway company shall lay its tracks across the track of a steam railroad, and no steam railroad shall lay its tracks across the tracks of a street railway, without the consent in writing of the board of railroad commissioners; and when the crossing is made at grade, said commissioners shall make such orders, rules, and regulations for the protection of all persons from injury at such crossings as they may deem sufficient and necessary. All expense incurred in providing and maintaining such suitable protection of all persons at said crossings shall be apportioned by the board of railroad commissioners between the two roads as they may deem just; and in all cases, unless otherwise ordered by the railroad commissioners, when a street railway crosses a steam railroad at grade, every driver of a car upon the street railway shall, when approaching the point of intersection, stop his car not more than seventy-five feet and not less than twenty feet from the crossing, and before attempting to cross carefully examine for approaching trains on the steam railroad, and shall not proceed to cross until it is ascertained that no trains are approaching and that the street railway

car may cross with safety. The board of railroad commissioners may from time to time change and modify such orders, rules, and regulations as the public safety and convenience may require. Whenever a crossing of the tracks of a steam railroad is to be made by a street railway otherwise than at grade, and the means existing therefor, by bridge or otherwise, at the time said crossing is authorized by said board of railroad commissioners, are not sufficient for the safe and proper operation of said street railway and any alterations therein are made necessary thereby, the expense of making such alterations shall be borne by the railroad or railway at whose request and for whose benefit they are made; and whenever such street railway shall pass over any bridge upon its route, and alterations are thereby made necessary for the safety and convenience of travelers, the expense of such alterations thereon shall be borne by the railway. In case of any disagreement as to the necessity and extent of such alterations, the same shall be determined by the railroad commissioners, whose decision shall be final.

SECT. 2. This act shall take effect upon its passage.

Takes effect
on passage.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

Meaning of
words "liquor"
and "person."

SECTION 1. The term "liquor" as used in this act includes and means all distilled and rectified spirits, wines, fermented and malt liquors; and the word "person" shall include firms, associations, co-partnerships, and corporations.

License commissioners;
tenure of office; compensation; bonds of; records and report.

SECT. 2. Within ten days from the passage of this act, the governor, with the advice and consent of the council, shall appoint a state board of license commissioners consisting of three members, not more than two of whom shall belong to the same political party, who shall hold office for the term of two, four and six years, respectively, the length of the term of each to be fixed in his commission, and each shall continue in office until his successor has been appointed and qualified. Thereafter, beginning in the year 1905, one member of said board shall be appointed in the month of May of each alternate year for a term of six years from the first Monday in June next ensuing. If a vacancy shall occur in said board it shall be filled for the residue of the term. The chairman and clerk and treasurer of the board shall be appointed and commissioned as such; and the annual salary of said chairman and said clerk and treasurer shall be twenty-five hundred dollars each, and that of the other member twenty-four hundred dollars. No member of said board shall be directly or indirectly interested in the liquor business. The members of said board shall each execute and file with the secretary of state a bond to the people of the state in the sum of ten thousand dollars aside from the treasurer who shall furnish a bond for fifty thousand dollars, with sureties approved by the governor and council, conditioned for the faithful performance of duty. Said board shall keep a record of their doings and hearings, and shall make an annual report to the governor and council on or before the second Monday in each calendar year, which shall contain such statements, facts and explanations as will disclose the actual workings of this act and its bearings upon the welfare of the state, including a statement of all receipts collected under this act and all expenses incurred, and also such suggestions as to the general policy of the state and such amendments of this act as said license commissioners deem appropriate. Said board of license commissioners may be made a party to all acts and proceedings under this act. From all other parties to such actions and proceedings they shall be entitled to due notice of the proceedings therein, and shall be duly served with copies of all papers bearing thereon. Any or all of the members of said board may be removed by the governor and council on good cause shown.

SECT. 3. Said board of license commissioners shall be provided with suitable rooms for offices in the city of Concord. Offices in Concord.

SECT. 4. Said board of license commissioners, with the approval of the governor and council, are hereby authorized and empowered to employ such clerks as are, in their opinion, necessary for the proper transaction of the business of their office and to fix their compensation. To employ necessary clerks.

SECT. 5. Said board of license commissioners, with the approval of the governor and council, may appoint one or more special agents and fix their compensation. It shall be the duty of said special agents, under the direction of the board of license commissioners, to investigate all matters relating to the collection of license fees or penalties under this act, and in relation to compliance with law by persons holding licenses under the terms of this act. Said special agents may be removed by the board of license commissioners. Any commissioner or special agent may enter any place where liquor is sold, at any time, and may examine any license certificate issued or purporting to have been issued under the terms of this act. He may investigate any other matters in connection with the sale of liquor, and shall make complaints for violations of this act. Special agents; appointment and duties.

SECT. 6. Licenses shall be of the following classes: Classes of licenses.

SECT. 8. No person shall receive a license under the provisions of this act

Certain persons not to receive licenses.

1. Who has been or shall be convicted of a felony, or knowingly has in his employ a person who has been so convicted;

2. Who is under the age of twenty-five years;

3. Who is not a citizen of the United States, and a resident of the state of New Hampshire and of the town or city or the adjoining town or city within which he desires to carry on the liquor business, for one year last prior to the filing of his application;

4. Who shall be convicted of a violation of this act, until three years from the date of such conviction;

5. Whose agent or employee shall be twice convicted of a violation of this act, until five years from the date of the second conviction;

6. No co-partnership, unless one or more of the members of such co-partnership, owning at least one-half interest in the business thereof, shall be a resident of this state and a citizen of the United States;

7. No corporation or association hereafter organized under chapter 147, Public Statutes, and the acts amendatory thereof, unless the same shall be equipped to furnish food and lodging to its members;

8. No person who, as owner or agent, shall suffer or permit any gambling to be done in the place designated by the license as that in which the traffic in liquor is to be carried on, or in

any other place appertaining thereto or connected therewith, or suffer or permit such premises to become disorderly, or carry on or permit to be carried on, or is interested in any traffic, business or occupation, the carrying on of which is a violation of law.

Applicant to
deposit
amount of
fee and file
bond.

9. All applicants for a license in classes in which the fee is definite in this act shall deposit with said board the full amount of the license fee with the application and in classes in which said board has a discretion as to the amount of the fee such sum as said board shall direct. In case the license is denied the amount so paid shall be refunded. All applications shall be in form prescribed by said board. No person who shall not, within ten days from the receipt of notice from said board of the granting of his application for a license, file with said board a bond in the sum of double the amount of the license fee paid by him *provided however*, no bond shall be accepted for a less amount than five hundred dollars, satisfactory to said board, conditioned upon constant adherence to the terms of said license and the provisions of this act, and recoverable in an action of debt to be brought by county solicitors upon complaint of said board shall be given such license.

Building
within 200 feet
of church or
schoolhouse
not to be
licensed.

SECT. 9. No license shall be granted for the traffic in liquor in any building which shall be on the same street or avenue within two hundred feet of a building occupied exclusively as a church or a schoolhouse, the measurements to be taken in a straight line from the center of the nearest entrance to the building used for such church or school to the center of the nearest entrance to the place in which the traffic in liquor is desired to be carried on, or in any location where the traffic shall be deemed by said board of license commissioners detrimental to the public welfare, *provided*, that this restriction shall not apply to hotels or drug stores used as such on the first day of January, 1903.

Bond of clerk
and treasurer
of board; dis-
position of
fees; records
open for in-
spection; au-
dit of ac-
counts.

SECT. 10. The clerk of the state board of license commissioners shall be also the treasurer of the board, and as such treasurer he shall file with the secretary of state a bond of an indemnity company licensed to do business in this state in the sum of fifty thousand dollars, the cost of which shall be chargeable to the expense of maintaining the office of the board, and conditioned for the faithful accounting of fees collected and forfeitures incurred under the provisions of this act. All such fees and forfeitures shall be paid to the treasurer of said board, who shall, annually, in the month of July, pay one half of the sum so received to the treasurer of the said city or town where the license was granted, and one half to the treasurer of the county in which said city or town is located, first, however, deducting the entire cost of maintaining the office of said board, including all salaries and all expenses attaching to the perform-

ance of their duties ; also the sum of one thousand dollars, or as much thereof as may be needed to pay the necessary expenses of the state laboratory of hygiene incurred under the provisions of this act, and all expenditures shall be audited by the governor and council. All moneys derived from fees and forfeitures in places where no town organization exists shall be paid to the treasurer of the county in which such place is located. The annual report of said board shall contain a statement by the treasurer of the board of the source from which all moneys received by him were derived, the names of licensees and the classes of licenses, and the street and number in each city or town, when possible, where the licenses are exercised. The records of the state board of license commissioners and all applications for licenses shall be open at all times to the inspection of selectmen, mayors, police officers, prosecuting officers, sheriffs and overseers of the poor. The accounts of the treasurer of the board shall be audited at such times and by such persons as the governor and council may direct, and the expense of such auditing shall be chargeable to the expense of maintaining the office of the license commissioners.

SECT. 11. If any person holding a license shall desire to transfer to and carry on such business for which the license was issued, in other premises than those designated in the original application and in the license, but in the same city or town and in premises where the traffic in liquor is not forbidden by this act, upon the making and filing of a new application and bond in the form and in the manner provided for the original application and bond, said board shall write or stamp, over its signature, across the face of the license, the words, "The traffic in liquor permitted to be carried on under this license is hereby transferred from ——— to ———."

Transfer of
licenses to
other premi-
ses.

SECT. 12. The person to whom a license is issued, except a pharmacist, may sell, assign, and transfer such license during the time for which it was granted to any other person not forbidden to traffic in liquor under the terms of this act, who may thereupon carry on the business for which such license was issued, upon the terms prescribed by it, if such traffic is not prohibited by any of the terms of this act, during the balance of the term of such license, with the same liabilities as the original owner thereof, upon the making and filing of a new application and bond by the purchaser, in the form and manner provided for the original application and bond, and the presentation of the license to said board, who shall write or stamp across its face the words, "Consent is hereby given for the transfer of this license to ———;" *provided, however,* that no such sale, transfer or assignment shall be made except in accordance with the terms of this act. For each endorsement under the terms of section 11 or this section of this act,

Transfer of
licenses to
other persons.

the applicant shall pay the sum of ten dollars, which sum shall be accounted for in the same manner as the original license fees.

Surrender of
license by ad-
ministrator,
etc.; rebate.

SECT. 13. If a person holding a license under the provisions of this act shall die his heirs, executors or administrators may surrender said license to said board, *provided* that said license shall have at least one month to run, computed from the first day of the month following such surrender; and said license commissioners shall thereupon compute the amount of rebate then due upon such surrendered license for the unexpired term thereof, and the treasurer of said board shall immediately pay back said sum to the person authorized to receive it and shall credit himself with the amount so paid back.

Revocation
of licenses.

SECT. 14. At any time after a license has been issued to any person, the same may be revoked and cancelled by said board, if any material statement in the application of the holder of the same was false, or if any provision of this act is violated at the place designated in the said license by the holder of the same, or by his agents, servants, or any person whomsoever in charge of said premises. But before any license is revoked or cancelled, the holder shall be entitled to a hearing by said board, and to five days' previous notice thereof in writing, except that licenses of the first class may be revoked at any time, by said board, with or without notice, in their discretion.

Sale of liquor
to certain
persons
prohibited.

SECT. 15. No person shall sell, deliver, or give away, or cause or permit or procure to be sold, delivered or given away, any liquor

First, to a minor, nor to a minor for any other person;

Second, to an intoxicated person;

Third, to an habitual drunkard;

Fourth, to any person where notice in writing has been given forbidding sale to such person from the parent, guardian, husband, or wife of such person, or by any magistrate or overseer of the poor of a town or city, or by any prosecuting attorney, or by any county commissioner, or by a selectman.

SECT. 16. No licensee except the holder of a license of the first, fifth or seventh class shall sell, furnish, or expose for sale, or give away any liquor

First, on Sunday;

Second, on any other day except between the hours of six in the morning and ten at night; unless the town or board of mayor and aldermen of the city where such licensee carries on business shall extend the hours not later than eleven o'clock at night, which such town or board of mayor and aldermen is hereby authorized to do;

Third, on the day of any general or city election or town-meeting;

Fourth, on a state or national legal holiday.

Hours and
days of sale
regulated.

SECT. 17. It shall not be lawful

1. To sell or expose for sale, or to have on the premises where liquor is sold, any liquor which is adulterated with any deleterious drug, substance or liquid which is poisonous or injurious to the health.

2. To permit any girl or woman, or knowingly permit any person known to have been convicted of a felony, to sell or serve any liquor on the premises.

3. To have opened or unlocked any door or entrance from the yard, street, alley, hallway, room, or adjoining premises where the liquor is sold or kept for sale during the hours when the sale of liquor is forbidden, except for the egress or ingress of the holder of the license, his agents and servants, when necessary, for purposes not forbidden by this act; or to admit to such room or rooms any other persons during the hours when the sale of liquor is forbidden.

4. To have any screens or blinds, any curtains, or anything covering any part of any window, or to have in any part of any window or door any opaque or colored glass that obstructs or in any way prevents a person passing from having a full view from the sidewalk, alley, or road in front of the bar, or room in such building where liquor is sold or kept for sale: or to traffic in liquor in any interior room or place not having in the principal door or entrance to such room or place, a section of such door filled with clear glass so that a clear and unobstructed view of the bar and room where the liquor is sold and kept for sale can be had. And it shall be unlawful to have at any time in the room or place where liquor is sold, any enclosed box or stall, or any obstruction which prevents a full view of the entire room by every person therein. The provisions of this section shall not apply to licenses under the first and fifth and seventh classes.

SECT. 18. No recovery shall be had in any civil action to recover the purchase price of any sale or credit of any liquor sold to be drunk on the premises where the same shall be sold. All securities for such debt shall be void. Any person taking such security with intent to evade the provisions of this section shall forfeit a penalty of fifty dollars for each offense.

SECT. 19. The mayor of a city and the selectmen of a town may, in case of riot or great public excitement, order persons who hold licenses of the first four classes or of the sixth or seventh class not to sell, give away, or deliver any liquor on the licensed premises for a period not exceeding three days at any one time. Whoever, by himself or by his agents or servants, violates such an order, shall be punished by a fine of two hundred dollars for each offense, and upon conviction he shall forfeit his license.

Sale of adulterated liquor prohibited; liquor not to be served by female, etc.; doors to be closed when sale forbidden; use of screens, etc., prohibited; view of room to be unobstructed.

No recovery for liquor sold to be drunk on premises; penalty for taking security.

Suspension of licenses by town and city officers; penalty for violation.

Certain licenses not to be exercised in dwelling-house.

SECT. 20. No license of the second, third or fourth class shall be granted to be exercised in a dwelling-house, but such a license may be exercised in a store or shop having no interior connection or means of connection with a dwelling or tenement of any family. No license of the second or fourth class shall be granted to be exercised in any building other than on the street floor.

Certain persons may enter to inspect; samples may be taken; penalty for adulteration.

SECT. 21. Any commissioner, police officer, constable, special agent, selectman or sheriff may at any time enter upon the premises of a person who is licensed under the provisions of this act, to ascertain the manner in which such person conducts his business, and to preserve order. Such officers may at any time take samples for analysis of any liquor kept on such premises, and the vessels containing such samples shall be sealed on the premises of the vender, and shall remain so sealed until presented to the state laboratory of hygiene for analysis. The city or town in which such vender resides shall pay for the samples so taken, if such liquor is found to be of good quality and free from adulteration. If, however, such liquor shall prove to be adulterated with any deleterious drug, substance or liquid which is poisonous or injurious to the health, or if such liquor prove to be other than it purports to be, the licensee shall be fined two hundred dollars, shall forfeit his license and his bond thereon, and such license shall not be renewed for at least three years from the date of its forfeiture.

Sales by druggists regulated.

SECT. 22. Retail druggists and apothecaries shall not sell liquor for medicinal, mechanical, chemical or sacramental purposes except upon the certificate of the purchaser, which shall state the use for which it is wanted, and which shall be immediately cancelled at the time of the sale in such a manner as to show the date of the cancellation. They shall not, when making such sales, upon the prescription of a physician, be subject to the provisions of section 16 of this act. Druggists holding a license of the fifth class may make application for a license of the third class, and may hold such license if granted, in any city or town where this act is in force.

Druggists to keep record; form of record and certificate.

SECT. 23. Every retail druggist and apothecary shall keep a book in which he shall enter at the time of every such sale, the date thereof, the name of the purchaser, the quantity, and the price of said liquor, the purpose for which it was sold, and the residence by street and number, if such there be, of said purchaser. If such sale is made upon the prescription of a physician, the book shall also state the name of the physician, and shall state the use for which said liquor was prescribed and the quantity to be used for such purpose, and shall be cancelled in like manner as the certificate hereinbefore mentioned. Said book shall be in form substantially as follows:

Date.	Name of Purchaser.	Residence.	Kind and Quantity.	Purpose of Use.	Price.	Name of Physician.
-------	--------------------	------------	--------------------	-----------------	--------	--------------------

The certificate shall be in form substantially as follows :

CERTIFICATE.

I wish to purchase ——— and I certify that I am not a minor and that the same is to be used for medicinal mechanical
chemical or sacramental purposes. (Draw a line through the words which do not indicate the purpose of the purchase.)

————Date of sale and cancellation.
————Signature of purchaser.

SECT. 24. The book, certificates, and prescriptions provided for in the preceding section, and the book provided for in the same section shall be at all times open to the inspection of the commissioners and special agents hereinbefore mentioned, the mayor and aldermen, selectmen, overseers of the poor, sheriffs, constables, and police officers.

Books, certificates, etc., open to inspection.

SECT. 25. Whoever makes or issues a false or fraudulent certificate or prescription referred to in section 23 shall be punished by a fine of ten dollars.

Fraudulent certificate or prescription; penalty.

SECT. 26. Whoever, not being a registered pharmacist, procures a license of the fifth class in the name of a registered pharmacist who is dead, or in the name of a registered pharmacist by borrowing, hiring, or purchasing the use of his certificate, and who, himself being the owner and manager of the place, shall, himself or by his agents or servants, sell liquor, shall be punished by a fine of not less than fifty nor more than five hundred dollars, and by imprisonment for not less than one nor more than six months.

Fraudulent druggist's license; penalty for sale under.

SECT. 27. The husband, wife, parent, guardian, or employer of a person who has the habit of drinking intoxicating liquor to excess, or the mayor of the city or one of the selectmen of the town, in which such person lives, may give notice in writing, signed by him or her, to any person requesting him not to sell or deliver such liquor to the person having such habit. If the person so notified, at any time within twelve months thereafter, sells or delivers any liquor to the person having such a habit, or permits him to loiter on his premises, the person giving the notice may, in an action of tort, recover of the person notified, not less than one hundred nor more than five hundred dollars,

Notice not to sell to habitual drunkard; civil liability for sale after notice.

as may be assessed as damages; but an employer who gives such notice shall not recover unless he is injured in his person or property, and a druggist or apothecary shall not be liable hereunder for a sale made upon the prescription of a physician. A married woman may bring such action in her own name, and all damages recovered by her shall inure to her separate use. A mayor or selectmen may bring such an action in his own name for the benefit, at his election, of either the husband, wife, child, parent, or guardian of the person having such habit. Upon the death of either party or of the person beneficially interested in the action, the action and right of action shall survive for the benefit of his executor or administrator.

Regulations under first class licenses to be prescribed by board; penalty for violation.

SECT. 28. The state board of license commissioners are hereby authorized and empowered to prescribe regulations for the conduct of the traffic in liquor under any license of the first class, as they may see fit, and whoever violates any such regulation, or any provision of this act or of his license, whatever its class, shall, unless otherwise expressly provided, be punished by a fine of one hundred dollars, the forfeiture of his license and the bond thereon, and by imprisonment for not more than sixty days. Such licensee shall be disqualified to hold a license for three years after his conviction, and if he is the owner of the licensed premises no license shall be issued to be exercised on the premises described in the license during the residue of the term thereof.

What deemed *prima facie* evidence of sale.

SECT. 29. Upon the trial of a complaint or indictment for keeping intoxicating liquor for sale or for being a common seller of intoxicating liquor, evidence that the respondent exposes or suffers to be exposed in, upon, or about his place of business, bottles or other articles labeled with the name of any kind of intoxicating liquor, or a coupon receipt showing the payment of a special tax to the United States government, as a retailer in liquors, shall be received by the court and shall be deemed *prima facie* evidence of the commission of the offense with which the respondent stands charged.

False statements in application.

SECT. 30. Every false statement made knowingly in any application for a license by the applicant therefor shall be deemed to be perjury.

Acceptance of license provisions by popular vote; sense of voters to be taken, when and how; result to be certified to board.

SECT. 31. From and after the third Tuesday of May, 1903, it shall be lawful to engage in the traffic in liquor, under the terms of this act, in all cities and towns in the state as shall have accepted by a majority vote of its legal voters present and voting the provisions of this act as herein provided. The officers of every city or town whose duty it is to call a special meeting of the legal voters of their respective cities or towns shall call a meeting according to the statutes made and provided, on the second Tuesday of May next, at which special meeting and at each biennial election thereafter in November in the towns

and in the cities at the biennial election in 1906 and every fourth year thereafter the sense of the voters shall be taken by secret ballot upon the following question: "Shall licenses for the sale of liquor be granted in this city or town under the provisions of 'An act to regulate the traffic in intoxicating liquor,' passed at the January session of the General Court, 1903?" If a majority of the qualified voters in any city or town present and voting at said town or city election, shall vote in the affirmative on said question, the clerk of the city or town shall immediately certify that fact to the state board of license commissioners, who shall forthwith issue licenses under the provisions of this act to be exercised in such city or town. In case a majority of the qualified voters of a city or town present and voting at such elections shall vote in the negative on said question the clerk of the city or town shall immediately certify that fact to the state board of license commissioners and in such city or town the provisions of chapter 112, Public Statutes, and all amendments thereto shall remain in full force and effect. Except that the state board of license commissioners may issue licenses of the first, fifth, and sixth classes in their discretion to be exercised in such city or town under the provisions of this act.

SECT. 32. Any city by vote of its city councils and any town where this act is in force may by major vote raise the license fee for such city or town above the fee named in this act, but not above the maximum fee of the class upon which action is taken, and whenever a city or town shall thus raise the fee, the fee thus fixed shall remain in force in such city or town until the city or town acts again upon the subject matter of license under the provisions of this act.

Increase of
license fee by
town or city.

SECT. 33. Whoever, in a city or town wherein the provisions of this act are in force, shall sell or keep for sale, liquor contrary to the provisions of this act, shall be punished by a fine of two hundred dollars and by imprisonment for not less than one month nor more than two years.

Violations in
license town;
penalty.

SECT. 34. The state board of license commissioners shall require the clerk of the board to furnish at the end of each month to the clerk of each city or town in which licenses are granted a complete and accurate list of the names of all persons to whom licenses have been granted in such city or town during the month, with street and number or location designated in the license; and such lists shall be open to public inspection in the office of the clerk of the city or town.

Board to fur-
nish to cities
and towns
list of licenses
therein.

The regent shall accept as the equivalent for any part of the third and fourth requirements evidence of five or more years' reputable practice, *provided* that such substitution be specified in the license; and as the equivalent of the first year of the fourth requirement, evidence of graduation from a registered college course; *providing* that such college course shall have included not less than the minimum requirements for such admission to the second year of a medical school registered as maintaining at the time a satisfactory standard.

[Approved April 2, 1903.]

CHAPTER 116.

AN ACT PROVIDING FOR THE APPOINTMENT OF GUARDIANS FOR MINORS IN CERTAIN CASES.

SECTION

1. If parents unfit, guardian appointed on petition of certain public officers.
2. Incorporated orphans' home, or secretary of board of charities and correction, may be appointed.

SECTION

3. Such wards may be bound out or adopted.
4. Appointment does not relieve parent of burden of support.
5. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. The probate court in the county in which any minor is in fact residing may, after reasonable notice to the parent or parents, appoint a guardian for such minor, who shall have during the minority of his ward the full custody and control of said ward and his estate and earnings, upon petition of the mayor, overseer of the poor, or selectmen of the city or town in which said minor is in fact residing, the county commissioners, or the secretary of the state board of charities and correction, such petition setting forth that the parent or parents of said minor, or other person having his custody, are unfit persons to have the custody and control of said minor and of his estate and earnings, or that his parents are living apart and the circumstances are such that the interests of such minor require that a

If parents unfit, guardian appointed on petition of certain public officers.

guardian be appointed. Any guardian appointed under the provisions of this section shall continue to act as such from and after the date of his appointment, unless and until final judgment is rendered, setting aside the decree of the probate court under which he is appointed. He shall be liable to removal at any time, for cause shown, upon petition of either parent, or of any person who would be entitled to petition for the appointment of a guardian under the provisions of this section.

Any incorporated orphans' home, or secretary of board of charities and correction, may be guardian.

SECT. 2. Any home for orphans situated in and incorporated under the laws of this state, or the secretary of the state board of charities and correction and his successors, may be appointed guardian of any minor.

Such wards may be bound out or adopted.

SECT. 3. Minors under guardianship under the provisions of this act may be bound as apprentices, or adopted, in accordance with the provisions of the Public Statutes relating to masters and apprentices and the adoption of children, their guardian consenting thereto; and in such cases the consent of the parents shall not be required. And such guardian may make contracts for the support of such minors at some home for orphans, or with some family of good repute. The consent of the minor shall not be necessary for the appointment of a guardian under the provisions of this act, or for his apprenticing or adoption; but the court shall in all cases ascertain his preference, and give to it such weight as under the circumstances may seem just.

Appointment does not relieve parents of burden of support.

SECT. 4. The appointment of a guardian for any of the causes specified in section 1 of this act shall not relieve the parents or other persons liable for the support of any minor from their obligation to provide therefor. And the probate court at the time of making such appointment, or at any time thereafter, may order and require such parents or other persons to contribute to the support and maintenance of such minor in such amounts and at such times as it determines are just and reasonable. The court may from time to time, upon application of either party, and after due notice, revise or alter such order, or make such new order or decree as the circumstances of the parents or the benefit of the minor may require.

Repealing clause; act takes effect on passage.

SECT. 5. All acts and parts of acts inconsistent with this act are hereby repealed, and this act shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 117.

AN ACT IN AMENDMENT OF SECTION 2 OF CHAPTER 32 OF THE LAWS OF 1895, ENTITLED "AN ACT IN RELATION TO PRINTING THE REPORTS OF CERTAIN STATE OFFICERS."

SECTION

1. Powers of governor and council concerning state reports.

SECTION

2. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. That section 2 of chapter 32 of the Laws of 1895 be amended by inserting in the sixth line of said section the following words, and such reprints from the laws of the state, so that said section as amended shall read as follows: SECT. 2. The governor with the advice of the council, at any time previous to the printing of any annual or biennial report of a state officer, commissioner, or board of trustees, may, after a hearing, define and limit the number of printed pages of such report. The governor and council may authorize the publication of such special reports of state officers and state institutions, and such reprints from the laws of the state, as may be deemed necessary.

Powers of governor and council.

SECT. 2. This act shall take effect upon its passage.

Takes effect on passage.

[Approved April 2, 1903.]

CHAPTER 118.

AN ACT TO AMEND CHAPTER 96 OF THE SESSION LAWS OF 1901, RELATING TO HIGH SCHOOLS.

SECTION

1. Town not maintaining high school to pay tuition of resident attending elsewhere; cost of tuition, how limited.
2. High schools and academies to be approved by state superintendent.

SECTION

3. District may contract with local academy for instruction.
4. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. Section 1 of chapter 96 of the Session Laws of 1901 is hereby amended by adding to said section the words, *Provided, however*, that no town shall be liable for tuition of a child in any school in excess of the average cost per child of

Town not maintaining high school to pay tuition of scholar attending elsewhere; cost of tuition, how limited.

instruction by the regularly employed teachers of that school and the cost of text-books supplies and apparatus during the school year preceding, nor in any case shall the town be liable for tuition of any child in excess of forty dollars per year, so that said section shall read: SECTION 1. Any town not maintaining a high school or school of corresponding grade shall pay for the tuition of any child who with parents or guardians resides in said town and who attends a high school or academy in the same or another town or city in this state, and the parent or guardian of such child shall notify the school board of the district in which he resides of the high school or academy which he has determined to attend. *Provided, however,* that no town shall be liable for tuition of a child in any school in excess of the average cost per child of instruction by the regularly employed teachers of that school and the cost of text-books supplies and apparatus during the school year preceding, nor in any case shall the town be liable for tuition of any child in excess of forty dollars per year.

High schools and academies to be approved by state superintendent.

SECT. 2. Section 4 of chapter 96 of the Laws of 1901 is hereby amended by adding the words, and said superintendent is authorized to approve a school maintaining any part of such course, for the part so maintained, so that said section shall read: SECT. 4. By the term "high school" or "academy," as used in this act, is understood a school having at least one four years' course properly equipped and teaching such subjects as are required for admission to college, technical school, and normal school, such high school or academy to be approved by the state superintendent of public instruction as complying with the requirements of this section, and said superintendent is authorized to approve a school maintaining any part of such course, for the part so maintained.

District may contract with local academy.

SECT. 3. Said chapter 96 is hereby amended by inserting immediately after section 5 the following: SECT. 6. Any school district may make contracts with an academy, located within its limits, for furnishing instruction to its scholars; and such school district may raise and appropriate money to carry into effect any contracts in relation thereto, and in case such appropriation is not less in amount than the average cost of instruction of each pupil in such academy during the year preceding, for each pupil of said district qualified to enter upon a high school course, then said academy shall be deemed a high school maintained by such district, if approved by the superintendent of public instruction in accordance with section 4 of this act.

Takes effect on passage.

SECT. 4. This act shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 119.

AN ACT IN AMENDMENT OF CHAPTER 98 OF THE LAWS OF 1901, RELATING TO THE DUTIES OF TREE WARDENS.

SECTION

1. Manner of marking trees.

SECTION

2. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. Amend section 2 by inserting after the word "aforesaid" in line 8 a period. Strike out after that word in line 8 the words "by driving into each tree, at a point not less than three nor more than six feet from the ground, on the side toward the highway, a nail or spike, with the letters 'N. H.' cut or cast upon the head. Said spikes or nails shall be procured by the secretary of the forestry commission, and furnished by him to said officers as may be required by them for the purposes of this act, at a cost not to exceed five hundred dollars a year," and insert the following: Galvanized iron disks shall be furnished by the secretary of the forestry commission to said officers, as may be required by them for the purposes of this act at a cost not to exceed five hundred dollars a year. Said disks to be painted red and to have stamped on them the letters "N. H." not less than an inch in height, and to be pierced in the center for the admission of a spike. The disks shall be inserted on each tree at a point not less than three feet nor more than six feet from the ground, on the side toward the highway, by driving a spike through the disk into the tree within two inches of the spike's head, so that the disk may slide with the growth of the tree.

Manner of
marking
trees.

Strike out the words "nails or spikes" in lines 15 and 16 and insert the following: spikes or disks, so that said section shall read: SECT. 2. Towns and cities shall have control of all shade and ornamental trees situated in any public way or ground within their limits, which the tree warden deems reasonably necessary for the purpose of shade and ornamentation; and it shall be the duty of the tree wardens, as soon as possible after their appointment, to carefully examine the trees, situated as aforesaid, and to plainly mark such trees as they think should be controlled by their municipality, for the purposes aforesaid. Galvanized iron disks shall be furnished by the secretary of the forestry commission to said officers, as may be required by them for the purposes of this act at a cost not to exceed five hundred dollars a year. Said disks to be painted red and to have stamped on them the letters "N. H." not less than an inch in height, and to be pierced in the center for the

admission of a spike. The disks shall be inserted on each tree at a point not less than three feet nor more than six feet from the ground on the side toward the highway, by driving a spike through the disk into the tree within two inches of the spike's head, so that the disk may slide with the growth of the tree. If any of the spikes or disks shall be destroyed or defaced, it shall be the duty of the warden to renew them as soon as possible after he is informed or discovers that they have been removed. They shall also have the power to designate from time to time, in the same manner as hereinbefore directed, such other trees, within the limits of the public ways and grounds, as in his (their) judgment should be preserved for ornament or shade.

Takes effect
on passage.

SECT. 2. This act shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 120.

AN ACT RELATING TO THE USE OF TRADE-MARKS AND NAMES.

SECTION

1. Distinctive names on bottles, cans, or other vessels may be registered.
2. Unauthorized use of registered vessel, how punished.
3. What deemed *prima facie* evidence of unlawful use.

SECTION

4. Search-warrants for recovery of such vessels.
5. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Distinctive
names on cer-
tain vessels
may be regis-
tered.

SECTION 1. Persons engaged in buying, selling or dealing in milk or cream in cans or bottles, or bottling or selling beverages in bottles or vessels with their name and the word "registered" branded, engraved, blown or otherwise produced thereon, or on the boxes used by them, may file in the office of the clerk of the city or town in which their principal place of business is situated, and also in the office of the secretary of state, a description of the name so used by them, and shall publish such description once in each of four successive weeks in a newspaper, if any, published in the city or town in which said description has been filed; otherwise, in a newspaper published in the county in which said city or town is situated.

Unauthorized
use of regis-
tered vessel,
how punished.

SECT. 2. Whoever fills with milk, cream or any manufactured beverage, with intent to sell the same, any bottle, can or vessel, marked or distinguished as aforesaid, the description of

which has been filed and published as provided in the preceding section, or defaces, erases, covers up or otherwise removes or conceals any such name, or the word "registered" thereon, or sells, buys, gives, takes or otherwise disposes of or traffics in the same, without the written consent of, or unless the same has been purchased from, the person whose name is in or upon the can, bottle or vessel so filled, defaced, trafficked in or otherwise used or disposed of shall, for the first offense, be punished by a fine of fifty cents for each such can, bottle or vessel or by imprisonment for not less than ten days nor more than one year, or by both such fine and imprisonment: and for each subsequent offense, by a fine of not less than one dollar nor more than five dollars for each such vessel or by imprisonment for not less than twenty days nor more than one year.

SECT. 3. The use by any person engaged in selling milk or cream or in manufacturing, bottling or selling beverages, of a bottle, can or vessel, marked or distinguished as aforesaid, the description of which has been filed and published as provided in section 1, without the written consent of, or purchase from, the owner thereof, or the buying, selling, disposing of or trafficking in such bottles, cans or vessels by such person without such written consent or purchase, or the possession by any junk dealer or dealer in second-hand articles of any such bottles, cans or vessels, without the written consent of or purchase from, the owner thereof, shall be *prima facie* evidence of unlawful use, possession of or traffic in the same.

What deemed
evidence of
unlawful use.

SECT. 4. Upon complaint of a person who has complied with the provisions of section 1, or his agent, to the justice of a police court, or to a justice of the peace in a town which has no police court, that he has reason to believe and does believe that any of his bottles, cans or vessels, marked or distinguished as provided in said section, the description of the name, on which, with the word "registered," has been filed and published as provided in said section, are being unlawfully used or filled by a person engaged in buying, selling or dealing in milk or cream or in manufacturing, bottling or selling beverages, or that a junk dealer or dealer in second-hand articles, or a vender of cans or bottles, has any such cans, bottles or vessel in his possession, or secreted in any place, said justice may thereupon issue a search-warrant; and may also cause the person in whose possession such cans, bottles or vessel are found to be brought before him, and shall thereupon inquire into the circumstances of such possession; and shall award possession of the property taken upon such search-warrant to the owner thereof.

Search-war-
rants for re-
covery of
such vessels.

SECT. 5. All acts and parts of acts inconsistent herewith are hereby repealed, and this act shall take effect upon its passage.

Repealing
clause; act
takes effect
on passage.

[Approved April 2, 1903.]

13. Repealing clause.
14. Act not intended to conflict with or limit license law; takes effect when.

Be it enacted by the Senate and House of Representatives in General Court convened:

Illegal sale, etc., of liquor, how punished.

SECTION 1. Amend section 15 of chapter 112 of the Public Statutes by striking out all of said section after the word "be" in the third line and insert the following: Imprisoned in the

house of correction for ten days, and for any subsequent offense he shall be imprisoned in the county jail not less than one month or exceeding six months, so that said section 15 when amended shall read as follows: SECT. 15. If any person not being an agent of a town or city for the purpose of selling spirit shall sell or keep for sale any spirituous liquor in any quantity, he shall be imprisoned in the house of correction for ten days, and for any subsequent offense he shall be imprisoned in the county jail not less than one month or exceeding six months.

SECT. 2. Amend section 16 of said chapter by striking out all of said section and inserting the following: SECT. 16. If any person not being an agent of a town for the purpose of selling spirit shall sell or keep for sale cider in less quantities than one barrel, except when sold and delivered by the manufacturer at the press or in an unfermented state, he shall be imprisoned in the house of correction for ten days, and for any subsequent offense he shall be imprisoned in the county jail not less than thirty days nor exceeding six months.

Illegal sale of
cider, how
punished.

SECT. 3. Amend section 17 of said chapter by striking out all of said section and inserting the following: SECT. 17. Courts having jurisdiction over offenses specified in sections 15 and 16 of this act may suspend any sentence imposed by them on complaint, information, or indictment for a first offense, so long as the respondent refrains from violating any of the provisions of chapter 112 of the Public Statutes or amendment thereto. Sentences imposed for second offenses shall not be suspended, but shall be enforced by the court, without indulgence or delay.

Suspended
sentence for
first offense.

SECT. 4. Amend section 28 of said chapter by adding thereto the following: If any person giving bonds under this section, violates the conditions thereof, the recognizance shall be declared forfeited, and the court shall render judgment for the full amount of the recognizance, and whenever it is brought to the attention of the solicitor of the county in which the recognizance was entered into, he shall cause the recognizance to be forfeited at the first term thereafter and immediately cause proper proceedings to be had for the recovery of such forfeiture, and cause such proceedings to be prosecuted to final judgment and collection without indulgence or delay. For failure to do so, he shall be punished as provided in section 34 of chapter 112, and it shall also be sufficient ground for his removal from office.

Forfeiture of
recognizance
for breach of
condition of
bond.

SECT. 5. Strike out all of section 33, chapter 2, of the Public Statutes, after the word "all" in the second line, and insert in place thereof, distilled liquors, or rectified spirits, vinous, fermented, brewed, and malt liquors, wines, and any beverage, by whatever name called, containing more than one per cent. of alcohol by volume at 60 degrees Fahrenheit, so that said section 33, when amended, shall read as follows: SECT. 33. By the

Meaning of
words "spir-
it," "spiritu-
ous liquor," or
"intoxicating
liquor."

word "spirit," "spirituous liquors," or "intoxicating liquor," shall be intended all distilled liquors, or rectified spirits, vinus, fermented, brewed, and malt liquors and wines, and any beverage, by whatever name called, containing more than one per cent. of alcohol by volume at 60 degrees Fahrenheit.

Public officers
to institute
prosecutions
for second
offenses;
penalty for
neglect.

SECT. 6. All public officers upon whom the duty of enforcing the provisions of chapter 112 of the Public Statutes and amendments thereto, is now or hereafter imposed, shall, in the performance of their duty, cause indictments to be obtained, information filed or complaints made for second offenses whenever it is brought to their attention; that any person violating said chapter 112, or amendments thereto, has been previously convicted of any offense therein mentioned, and for any failure to comply with this act, they shall be subjected to the same fines and penalties as are now provided in sections 23 and 24 of said chapter, and it shall also be sufficient ground for their removal, as provided by law.

Duty of court
to order prose-
cution for sec-
ond offense.

SECT. 7. It shall be the duty of the court before whom any first offense liquor case is returned, upon having its attention called to the fact and proof made that the respondent has been previously convicted of selling or keeping for sale any liquors or beverages, the selling or keeping for sale of which is prohibited by chapter 112 of the Public Statutes, or amendments thereto, to quash the complaint, information or indictment, and cause a complaint or information to be made for a second offense by the county solicitor and have the same served and returned and brought before said court or before some other court having jurisdiction.

Furnishing
liquor in eva-
sion of law
deemed
unlawful sale.

SECT. 8. The procuring, furnishing, or giving away of spirituous liquors or any shift or device to evade the provisions of chapter 112 of the Public Statutes, or amendments thereto, shall be deemed unlawful selling within the provisions of said chapter, and the punishment shall be the same as in the case of selling or keeping for sale spirituous liquors. The words "furnishing or giving away," where they occur in this act, shall not apply to giving away spirituous liquors by a person in his private dwelling, unless said private dwelling is a place of public resort.

Town agents
to enforce
liquor laws;
how chosen;
powers,
duties, and
compensa-
tion.

SECT. 9. Each town shall at its annual meeting elect an agent to enforce the liquor laws within the limits of the town, who shall have all the powers and perform all the duties now pertaining to selectmen in such matters, including the right to file informations, as provided in chapter 81, Laws of 1899, and shall receive as compensation for his services three dollars per day for time actually spent in the performance of his duty, and his expenses. His accounts shall be audited, allowed and paid by the selectmen. If the town fails to elect a prosecuting agent the selectmen shall appoint a suitable person within one week after the date of said meeting, who shall hold office until another

is chosen, unless sooner removed by the selectmen. Any vacancy occurring in the office, for any cause, shall be immediately filled by the selectmen for the unexpired term.

SECT. 10. Amend section 1 of chapter 81 of the Laws of 1899 by striking out in the fifth line the words "of a majority of the selectmen" and inserting in place thereof the words, prosecuting agent. Nuisance act amended.

SECT. 11. Police commissioners, county and city solicitors, sheriffs, police officers and prosecuting agents of towns, shall, at the expense of the city, county or town, prosecute or cause to be prosecuted every person guilty of any violations of the provisions of chapter 112 of the Public Statutes, or amendments thereto, or of any laws governing the sale of liquor, hereafter enacted, of which they can obtain reasonable proof, and if they neglect or refuse to perform their duties, as specified herein, they shall be fined or forfeit three hundred dollars for each and every neglect, or be imprisoned in the house of correction for not more than thirty days or both, and their neglect and refusal shall be good ground for their removal from office, as provided by law. But this provision shall not be construed so as to prevent the town or city, by its officers, or any person from making a complaint or instituting and carrying on prosecutions for such offenses; and such complainant, if a town or city, by its officers, shall be entitled to all fines imposed and collected for said violation. If any of the officers mentioned in this section neglects for two weeks after being furnished with a written notice, under oath, of a violation of the law relative to the sale or keeping for sale of intoxicating liquors, with the names of the witnesses, or statement of other sources of proof, to institute proceedings thereon, any person may thereafter make complaint and shall be entitled to all fines imposed and collected for said violation. Certain public officers to prosecute offenders; penalty for neglect.

SECT. 12. The plea of *nolo contendere* shall not be received by the court in any prosecution or indictment for sale or keeping for sale of spirituous, intoxicating or malt liquors. Plea of *nolo* not to be received.

SECT. 13. Section 23 of chapter 112 of the Public Statutes, and amendments thereto are hereby repealed. Repealing clause.

SECT. 14. Nothing in this act shall be construed to in any way conflict with, limit or restrain any part or parts of an act passed at the January session, 1903, entitled "An act to regulate the traffic in intoxicating liquor," and this act shall be in force after the third Tuesday of May, 1903. Act not to conflict with or limit license law; takes effect when.

[Approved April 2, 1903.]

CHAPTER 123.

AN ACT RELATING TO THE PRINTING OF BALLOTS PROVIDED FOR IN AN ACT ENTITLED "AN ACT TO REGULATE THE TRAFFIC IN INTOXICATING LIQUOR," APPROVED MARCH 27, 1903.

SECTION

1. Number, form, and method of use.
2. At general elections, question to be printed on official ballots.

SECTION

3. Conduct of special meetings of voters.
4. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Number,
form, and
method of use.

SECTION 1. That the secretary of state be required to furnish not less than 120,000 printed ballots containing the question to be voted upon by the cities and towns of this state on the second Tuesday of May, next, viz: "Shall licenses for the sale of liquor be granted in this city or town under the provisions of 'An act to regulate the traffic in intoxicating liquor,' passed at the January session of the general court, 1903?" and to distribute the same to the town and ward clerks, a reasonable time previous to said meetings.

Upon the said ballots containing said question shall be printed the word Yes at the left hand with a square near it and at the right hand the word No, with a square near it, and the voter desiring to vote Yes upon the said question shall make a cross in the square near the word "Yes," and the voter desiring to vote No shall make a cross in the square near the word "No." All ballots cast where no cross is made in a square shall not counted. The secretary of state shall cause to be printed at the bottom of each ballot, distributed to the town and ward clerks, a note in plain and conspicuous type as follows:

Every voter who wishes to vote Yes will make a cross in the square near the word "Yes." If he wishes to vote No, he will make a cross in the square near the word "No." If he make no cross in either square his ballot will not be counted.

Question on
official ballots
at general
elections.

SECT. 2. Whenever the sense of the voters of the towns and cities is taken at a general election upon the question stated in section 1 of this act, said question shall be printed upon the official ballot for said towns and cities, and at the bottom of said ballot, in conspicuous type in the manner and form above prescribed.

Conduct of
special meet-
ings of voters.

SECT. 3. The special meetings prescribed in section 31 of the act entitled "An act to regulate the traffic in intoxicating liquor," approved March 27, 1903, shall be conducted as provided by chapter 33 of the Public Statutes and chapter 78 of the Laws of 1897 and amendments thereto.

Takes effect
on passage.

SECT. 4. This act shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 124.

AN ACT TO ENCOURAGE THE PLANTING AND PERPETUATION OF FORESTS.

SECTION

1. Landowners planting timber trees entitled to rebate of taxes.

SECTION

3. [2.] Forestry commission may contract for seeds and seedlings.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. In consideration of the public benefit to be derived from the planting and cultivation of timber or forest trees, the owners of any and all land which shall be planted with timber or forest trees, not less than 1,200 to the acre, shall be entitled, from and after the first day of April, 1903, to a rebate of the taxes assessed upon said land as follows: For the first ten years after the land has been so planted, a rebate of ninety per cent. of all the taxes assessed upon said land; for the second period of ten years after such planting, a rebate of eighty per cent. of all said taxes; and for the third and final period of rebate after such planting, a rebate of fifty per cent. of all said taxes. Said rebate to be allowed only on condition that said planted trees are kept in a sound condition. A return of such planting shall be made to the selectmen when taking the annual inventory, which return shall be verified by the selectmen and made the basis of such tax exemption. After said trees have been planted ten years it shall be lawful for the owners to thin out the same so that not less than six hundred trees shall be left to the acre; but no portion of said planted land shall be absolutely cleared of trees during the period for which said rebate may be allowed.

SECT. 3. [2.] In order to facilitate the planting of trees as hereinbefore provided, the forestry commission is hereby authorized and directed to contract, without expense to the state, upon terms to be approved by the governor and council, with reputable nurserymen to provide, at a price to be determined upon, seeds and seedlings of timber or forest trees, to landowners for planting within this state in accordance with the terms of section 1 of this act.

[Approved April 2, 1903.]

AN ACT TO DEFINE THE DUTIES OF THE STATE TREASURER WITH REFERENCE TO PUBLIC FUNDS.

SECTION

1. Deposit of funds in approved banks; distribution of interest on deposits.
2. Investment of funds of which state has exclusive control.

SECTION

3. Committee of executive council to examine securities.
4. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Deposit of funds in approved banks; distribution of interest on deposits.

SECTION 1. The treasurer may deposit any portion of the public moneys, in his possession, in such national banks within the state, or the state of Massachusetts, or any such trust company, incorporated under the laws of, or doing business within, the state, or the state of Massachusetts, as shall be approved, at least once in six (6) months, by the governor and council, but the amount deposited in any one bank or trust company shall not at any one time exceed forty per cent. of its paid up capital and surplus. Other things being equal, those banks or trust companies shall receive preference which shall allow interest on daily balances. All interest received on such deposits shall be paid into the treasury of the state, excepting the interest upon such funds as are paid to the treasurer for distribution to the towns and cities of the state, and the interest shall be distributed to such towns and cities proportionately in the same manner as said funds are distributed.

Investment of funds of which state has exclusive control.

SECT. 2. All funds over which the state has exclusive control, aside from such sums of money as the treasurer may deem necessary to hold or deposit, as provided in section 1, for meeting current expenses, shall be invested by the treasurer, with the approval of the governor and council, in securities of the state, in the notes or bonds of the several counties, cities and towns thereof, in the scrip or bonds of the United States, or in the notes or bonds of any incorporated district of the state or of any city of the New England states whose net indebtedness at the time of purchase does not exceed five per cent. of the last preceding valuation of the property therein for the assessment of taxes.

Committee of council to examine securities.

SECT. 3. The governor shall appoint a committee of the council, which shall annually in the month of May, and as much oftener as occasion may require, examine the value of the notes and securities in charge of the treasurer, and report them to the governor and council, who may direct the treasurer to sell or collect notes or securities over which the state has exclusive control, and re-invest the proceeds, according to the provisions of section 2.

Takes effect on passage.

SECT. 4. This act shall take effect upon its passage.

[Approved April 2, 1903.]

AN ACT PROVIDING FOR THE TAXATION OF BUILDING AND LOAN ASSO-
CIATIONS.

SECTION

1. Taxable by state, for what and at what rate.
2. Tax to be paid to town in which association is located.

SECTION

3. Repealing clause; act takes effect on passage.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

SECTION 1. Every building and loan association organized under the laws of this state shall pay to the state treasurer annually, on the first day of October, commencing October 1st, 1904, a tax of three quarters of one per cent., upon the whole amount paid in upon its capital stock or shares in force on April 1st, preceding, after deducting the value of all its real estate, wherever situated and the value of all loans secured by mortgage upon real estate situated in this state, bearing a rate of interest not exceeding five per cent. per annum. The premiums and fines received by building and loan associations from their members shall not be considered as interest and the deduction of the premium from the amount loaned shall not be construed as increasing the rate of interest paid by the borrower.

Taxable by state; for what and at what rate.

SECT. 2. The state treasurer shall on or before the first day of February following the time when said taxes have been paid, pay the amount of the tax so paid to the treasurer of the town or city where said association is located.

To be paid to town where association is located.

SECT. 3. Section 7 of chapter 65 of the Public Statutes, relating to the taxation of building and loan associations, and all other acts or parts of acts inconsistent with this act are hereby repealed and this act shall take effect upon its passage.

Repealing clause: act takes effect on passage.

CHAPTER 131.

AN ACT IN AMENDMENT OF CHAPTER 262 OF THE PUBLIC STATUTES, RELATING TO CORONERS AND CORONERS' INQUESTS.

SECTION

1. Coroners' inquests, when holden.
2. If body buried by coroner, fees and expenses paid by county.
3. Coroner to be notified of death by violence; penalty for wilful removal of body; coroner to take charge of property found on body; certificate of death and permit

SECTION

for burial, to be issued by coroner when; justice to act if coroner cannot be secured; fees at coroners' inquests; fees of coroner for taking view; fees and expenses to be audited; repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Coroners' inquests, when holden.

SECTION 1. That sections 1 and 2 of chapter 262 of the Public Statutes be, and the same hereby are, stricken out and the following inserted in place thereof: SECTION 1. The coroner shall take an inquest upon the dead body of any person whose death is supposed to have been occasioned by violence or casualty, within the county for which he is commissioned, whenever in his opinion the circumstances attending the death

of the person require an inquest, or whenever the majority of the selectmen of the town, the mayor of the city, or the solicitor for the county, in which the body is found, or the attorney-general, shall in writing direct an inquest. In all cases in which a coroner shall deem an inquest necessary he shall immediately notify the attorney-general or county solicitor of the holding of such inquest, and the attorney-general or solicitor may be present at the inquest and examine the witnesses.

SECT. 2. That section 16 of said chapter 262 be, and the same hereby is, stricken out and the following substituted in the place thereof: SECT. 16. When a coroner makes examination of the dead body of a stranger he shall cause the body to be decently buried, and if he certifies that he has made careful inquiry and that to the best of his knowledge and belief the person found dead is a stranger having no residence in any city or town in this state, his fees, with the actual expenses of burial, shall be paid by the county wherein the body was found.

If body buried
by coroner,
expense paid
by county.

SECT. 3. That said chapter 262 be and the same is hereby further amended by adding after said section 16 the following sections, viz: SECT. 17. The finder of the dead body of a person supposed to have come to his or her death by violence or casualty, shall immediately cause a coroner to be notified of such finding. Prior to the arrival of a coroner at the spot where such body is found no person shall move or in any way disturb the body, disarrange the clothing upon the same, or anything connected with the body or in the vicinity of the same and bearing evidence to the manner of death, except in cases in which the removal of the body may be necessary to preserve the same from loss or mutilation. The coroner shall make personal inquiry into the cause and manner of the death, and shall carefully reduce to writing every fact and circumstance tending to show the condition of the body and surroundings and the cause and manner of death. Any person who wilfully moves a body found as above, or destroys any of the marks or signs on or about the same, except under the direction of a coroner, shall be fined not exceeding one hundred dollars.

Coroner to be
notified of
death by vio-
lence; penalty
for wilful
removal of
body.

SECT. 18. The coroner shall take charge of any money or other personal property found upon or near the body, and shall deliver the same to the relatives of the deceased or to the person legally entitled to the same. In case the deceased was a stranger the property taken as above provided shall be safely kept by the coroner sixty days, and if, upon diligent inquiry, no relatives of the deceased have then been found and no legal claimant of the property, the coroner shall deliver the property to the commissioners for the county in which the body was found. Property so delivered shall be applied for the benefit of the county, subject to the legal rights of any claimant who may thereafter appear.

Coroner to
take charge
of property
found on
body.

Certificate of death and permit for burial, to be issued by coroner, when.

SECT. 19. In cases in which a coroner takes a view of a dead body and the deceased person did not have the attendance of a physician in his or her last sickness, the coroner, upon investigation of the facts in the case, may issue and sign the certificate of death and the permit for burial shall be issued upon such certificate; but this act shall not be construed to deprive town clerks of similar authority as given them under section 5, of chapter 173, of the Public Statutes.

Justice to act if coroner cannot be secured.

SECT. 20. In cases in which the services of a coroner cannot be secured any justice of the peace and quorum shall have the power, under written authority from the attorney-general, or the solicitor for the county, a majority of the selectmen of the town, or the mayor of the city, in which the body is found, to hold an inquest, and in holding such inquest such justice of the peace shall be amenable to all of the provisions of this chapter governing coroners.

Fees at coroners' inquests.

SECT. 21. The following fees shall be allowed in connection with each coroner's inquest, to be paid by the county:

To the coroner, three dollars a day and his necessary expenses.

To the jurors, each two dollars a day and travel to and from the place of inquest, each mile six cents.

To the officer for summoning and attending the jury, two dollars a day and travel to and from the place of inquest, each mile six cents.

Fees for taking view.

SECT. 22. Coroners shall be allowed three dollars and actual necessary expenses for taking the view of a dead body and making a certificate in cases in which no inquest is holden.

Fees and expenses to be audited.

SECT. 23. All fees and expenses under this chapter shall be audited and allowed by the county commissioners for the county in which the inquest or view is holden, subject however to the right of either party upon a disagreement to submit the adjudication to the superior court.

Repealing clause; act takes effect on passage.

SECT. 24. Section 28 of chapter 287 of the Public Statutes and all acts and parts of acts inconsistent with this act are hereby repealed, and this act shall take effect upon its passage.

[Approved April 2, 1903, 10.24 A. M.]

CHAPTER 132.

AN ACT TO AMEND SECTION 16 OF CHAPTER 79 OF THE SESSION LAWS OF 1901, RELATING TO THE TAKING OF DEER.

SECTION 1. Protection of deer.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. Amend section 16, chapter 79, of the Laws of 1901, by striking out the words "and the first fifteen days of December" after the word "November." Also amend said section by striking out the word "and" after the word "Carroll," and inserting in place thereof a comma. Further amend said section by striking out all after the word "Coös" and inserting in place thereof the following: and Grafton, and in the towns of Danbury, Hill, Andover and Wilmot in Merrimack county, so that said section as amended shall read as follows: SECT. 16. No person shall hunt, catch, kill or destroy any deer within the limits of this state except during the months of October and November in each year, and then only in the counties of Carroll, Coös, Grafton, and in the towns of Danbury, Hill, Andover and Wilmot in the county of Merrimack.

Protection of deer.

[Approved April 2, 1903.]

CHAPTER 133.

AN ACT PROVIDING FOR A STATE SYSTEM OF HIGHWAY CONSTRUCTION AND IMPROVEMENT, AND FOR THE APPOINTMENT OF HIGHWAY ENGINEERS.

SECTION

1. Governor and council to have general control.
2. Highway engineers to be appointed; compensation.
3. Engineers to procure highway maps; expense, how borne; refusal of selectmen to prepare map, penalty.
4. Map of continuous main highways throughout state.
5. Examination of routes for state highways.
6. Plans for future construction.
7. Bill for inauguration of system at next general court.

SECTION

8. Hearings on proposed highway legislation.
9. Plans for construction and repair when state aid is granted.
10. State engineer to advise local officers.
11. Governor and council may propose plan concerning state aid.
12. Governor and council to report recommendations; report to include maps, plans, etc.
13. Annual appropriation of \$7,500.
14. Act of March 5 not affected hereby; repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Governor and council to have general control.

SECTION 1. The general supervision, control and direction of the business to which this act shall relate, shall be and hereby are, committed to the governor and council.

Highway engineers to be appointed; compensation.

SECT. 2. The governor and council may appoint a competent engineer or engineers, who are hereby designated as highway engineers, and one of them at least may be an experienced road builder. The compensation of said highway engineers shall be fixed by the governor and council, and they shall be allowed traveling expenses while in the actual performance of their public duties. The engineer may have an office with the necessary furniture and stationery for the same, where his records shall be preserved, and which office shall be kept open at such time as his business may require whenever the governor and council deem it advisable that such office should be provided.

Engineers to procure highway maps; expense, how borne; refusal of selectmen to prepare map, penalty.

SECT. 3. It shall be the duty of the highway engineer or engineers to prepare specifications of directions for the making of a highway map of each city, town and place in the state for the purposes herein specified. A highway engineer upon written authorization of the governor and council may require any town or city to cause such a local highway map of that town or city to be prepared at local municipal expense, and to return such map to a designated highway engineer within such time after notice of the requirement to the mayor or chairman of the board of selectmen, as the case may be, as the said highway engineer may deem sufficient. Such local map shall represent the proper location of the compact parts of the town or city, the rivers, bridges and all highways within the boundaries of the town or city, and all connections at the town boundaries with the highways of the adjoining municipalities and with state roads. The expense of making such local maps shall be borne by the local municipality upon which requisition is made, unless the highway engineer shall find it undesirable or impracticable for any reason to require the preparation of the highway map of a town or place by local authority, in which case he may cause it to be made at the state's expense. The selectmen of any town who refuse to comply with the requirement of the highway engineer in this behalf, within the time limited by him for the preparation and return of such local map, shall be subject to a fine of one hundred dollars (\$100) to be recovered by the county solicitor of the county in which the delinquents reside, and all such sums recovered shall be paid to the state treasurer, to be part of a fund to be used in aid of the work authorized by this act.

SECT. 4. The governor and council may authorize the highway engineers or a highway engineer to prepare a plan or map exhibiting a system of continuous main highways which shall include every town in the state, and indicate the highway connections and relations of such towns with each other and with the system or lines of continuous main highways to be outlined as aforesaid.

Map of continuous main highways throughout state.

SECT. 5. Upon the completion of such plans or maps said engineer or engineers may, under the direction of the governor and council, and by such method and to such extent as the latter shall direct, make a careful examination first, of the routes over which through state roads have already been inaugurated; second, of all the routes over which through lines of state highways are now deemed to be feasible or are recommended as necessary components of through lines for future development; and, third, of existing highways wherever situated, if reasons are adduced making special examination of them advisable and of the highway conditions and needs of any town or place which for any reason is now accorded state aid or which shall by petition addressed to the governor and council, be represented to be in need of state aid, in the construction or repair of local or through highways.

Examination of routes for state highways.

SECT. 6. The highway engineer or engineers may, on the basis of information obtained by maps and inspections aforesaid, and by aid of such other information as he may find available, and under the direction of the governor and council, prepare a plan or plans for the future construction and improvement of highways by state aid or state control, either with or without co-operation of the town or cities, as may be deemed, upon full examination of the subject by the governor and council, to be most practicable and advantageous for a systematic and continuous improvement of the highways of the state.

Plans for future construction.

SECT. 7. It shall be the duty of the governor and council with such advice and co-operation as they may require of the highway engineer or engineers, and with the advice and assistance of such other persons as the governor and council may invite to co-operate and of such persons as they may employ for the purpose, to prepare a bill for submission to the next general court, which bill shall provide fully and in detail for the inauguration of a system of state work and state expenditure in the future construction and repairs of local and state highways. Said bill shall also have provisions governing the administration of that business, as far as it may be assumed by the state, and shall designate the method by which the funds necessary for carrying out the provisions of the proposed act shall be provided,—whether entirely by the state,—whether in part by the state and in part by the towns,—whether by current assessment

and appropriation,—whether by issuance of bonds,—or whether such funds shall be supplied otherwise than by the methods above indicated.

Hearings on proposed legislation.

SECT. 8. The governor and council may set apart days and times for hearings on the subject of such proposed general highway law and at such places within the state or elsewhere as they may designate; and they may invite suggestions to be submitted orally or in writing to the same end.

Plans for construction and repair when state aid is granted.

SECT. 9. It shall be the duty of the highway engineer or engineers, upon direction and requisition of the governor and council, to prepare plans and specifications for the construction and repair of any road for which appropriation is made, either in whole or in part at the expense of the state; to advise the governor and council as to proposed contracts for such work; to supervise it in its progress; and, upon its alleged completion, examine and report as to whether the result conforms to the requirements and specifications of the engineer and the contract in the particular case. The duties prescribed for the highway engineer or engineers under this section are authorized hereby only on condition that those duties are not otherwise provided for by law, by special acts heretofore passed, or by lawful designation of other persons for the same duty by the governor and council.

State engineer to advise local officers.

SECT. 10. Local highway officers, committees and agents having charge of the construction of local municipal highways may have the advice of a highway engineer appointed by the governor and council as to methods of construction of proposed roads and repairs of existing roads, and the service and expense of such engineer in that business shall not be a charge upon any local municipality or municipal officers, but the services aforesaid shall be rendered only on such occasions and to such extent as the governor and council approve.

Governor and council may propose plan concerning state aid.

SECT. 11. The governor and council may, after such investigation as they find necessary and with or without the advice of the highway engineer or engineers, propose a plan to be embodied in a state highway law, to be submitted to the next general court, whereby the state aid to be accorded the towns and places on account of special necessities with respect to highways and bridges, the maintenance and construction of roads in unincorporated places and in mountainous regions and of roads provided by the state for better access to public waters, as well as state work on highways not intended to be carried on in conjunction with local authorities, shall be treated and governed by general statutes adapted to the requirements of all localities in the state and the different undertakings involved in the expenditure of state funds independently of the municipalities or in the expenditure of local and special funds in conjunction with state funds for highway purposes.

SECT. 12. The governor and council are directed to prepare a report containing their recommendations as embodied in the proposed highway law or laws. This report shall state the reasons which may be assigned in favor of one plan or the several plans which may be reported. Such report shall also contain estimates of the expense involved in each plan suggested, as far as it is practicable, in advance, to estimate such probable expense. All maps, plans, statistical tables, and illustrations, that may be deemed useful and available to a better understanding of the proposed report and proposed highway law or laws, may be incorporated with said report. Such number of copies of the report, with the accompanying or supplemental documents, may be printed at the expense of the state, as the governor and council may deem advisable. The extent of the material to be incorporated in this report shall be determined by the governor and council.

Governor and council to report recommendations; maps, plans, etc., to be included.

SECT. 13. The sum of seven thousand five hundred dollars (\$7,500) annually for each of the two years ensuing after the passage of this act or so much thereof as the provisions of this act and the orders of the governor and council may require not exceeding in the total the sum aforesaid, together with such additional sum as may be necessary to meet the required printing expenses, is hereby appropriated for the purpose of this act, and the governor is hereby authorized to draw his warrant therefor on any money in the treasury not otherwise appropriated.

Annual appropriation of \$7,500.

SECT. 14. Nothing in this act shall be construed to repeal or modify any of the provisions of the act entitled "An act to provide for a more economical and practical expenditure of money appropriated by the state for the construction and repairs of highways," approved March 5, 1903, except that the governor and council are hereby authorized, notwithstanding said act, to appoint one or more highway engineers for the purpose of that act to act in the district created by that act. All other acts and parts of acts inconsistent with the provisions of this act are hereby repealed and this act shall take effect upon its passage.

Act of March 5 not affected; repealing clause; act takes effect on passage.

CHAPTER 134.

AN ACT ESTABLISHING THE OFFICE OF MEDICAL REFEREE AND AMENDING CHAPTER 262 OF THE PUBLIC STATUTES, RELATING TO CORONERS' INQUESTS.

SECTION

1. Office of medical referee created.
2. Number to be appointed for each county.
3. Tenure of office.
4. Referees to be sworn; to view bodies in case of violent death.
5. Examinations, when made and how conducted.
6. Proceedings upon finding of death by violence.
7. Duty of attorney-general and solicitors.
8. Prosecuting officers not concluded by report of natural death.
9. Referee may employ chemist.

SECTION

10. Dead bodies, to whom delivered after examination.
11. Referee to take charge of money or property on body.
12. Accounts of referees to be audited; fees of referees.
13. Compensation of additional physicians.
14. Record books and blanks to be provided.
15. Referees to serve writs in certain cases.
16. Repealing clause.
17. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Office of medical referee created.

SECTION 1. The governor shall nominate and with the advice and consent of the council, shall appoint, in each county able and discreet men, learned in the science of medicine, to be medical referees in such county as they shall reside.

Number for each county.

SECT. 2. The number of medical referees, appointed as provided in the preceding section, shall be as follows: For the counties of Merrimack, Cheshire, Sullivan, Belknap, Carroll and Strafford, one each. For Rockingham, and Coös, two each, and for Grafton, and Hillsborough, three each; and whenever from ill health or absence from the state said referee can not act, the county solicitor shall designate a referee from an adjoining county, who shall perform the duties required.

Tenure of office.

SECT. 3. Said medical referees shall hold their office a term of five years from the time of their respective appointments, but shall be liable to removal from office by the governor and council at any time for cause.

Referees to be sworn; to view bodies in case of violent death.

SECT. 4. Each medical referee shall, before entering upon the duties of his office, be duly sworn for the faithful performance of his duty, and shall make examination as hereinafter provided, upon the view of the dead bodies of such persons only as are supposed to have come to their deaths by violence, or unlawful act.

Examinations, when made and how conducted.

SECT. 5. When a medical referee has notice that there has been found, or is lying within his county, the dead body of a person who is supposed to have come to his or her death by violence or unlawful act, he shall forthwith repair to the

place where such body lies, and take charge of the same, and if, on view thereof and personal inquiry into the cause and manner of death, he deems a further examination necessary, he shall at once notify the county solicitor of said county, and upon being authorized by said solicitor in writing, shall make an autopsy in the presence of two or more discreet persons, one of whom shall be a physician whose attendance he may compel by subpoena if necessary, and shall then and there reduce or cause to be reduced to writing every fact and circumstance tending to show the condition of the body and the cause and manner of death, together with the names and addresses of said witnesses giving evidence to which record he shall subscribe.

SECT. 6. If upon such view, with personal inquiry, or autopsy, as is required by the preceding section, said referee is of the opinion that the death of the person was caused by violence, criminal or otherwise, he shall at once notify the attorney-general and the county solicitor, and file with each a duly attested copy of the record of the case. Also he shall make a return of the death to the city or town clerk, as required by the laws of the state, said certificate containing all the facts necessary to complete the record as far as possible—as well as a personal description of the deceased for identification.

Proceedings
on finding of
violent death.

SECT. 7. The attorney-general or county solicitor on receiving the report of the medical referee and finding some person or persons are probably criminally implicated, shall proceed to execute the laws of the state governing the office which they hold, and shall direct the holding of witnesses as they shall deem necessary.

Duty of attorney-general
and solicitors.

SECT. 8. If a medical referee reports that a death was not caused by violence, or unlawful act and the state's attorney or county solicitor is of a contrary opinion, nothing in this act shall be construed to prevent either of these officers directing an inquest in accordance with this act.

Report of natural death not
conclusive.

SECT. 9. The medical referee, with the advice and consent of the attorney-general or county solicitor, may, if he deems necessary, call a chemist or other expert to aid in the examination of the body or of substances supposed to have caused or contributed to the death, and such chemist or other expert shall be entitled to such compensation for his services as the medical referee shall certify to be just and reasonable. A clerk may also be employed to reduce to writing the results of the medical examination, autopsy, etc., and who shall be sworn and shall be allowed reasonable compensation.

Referee may
employ
chemist.

SECT. 10. The medical referee, upon the completion of his examination, shall deliver the dead body, upon their claim therefor, to one or more of the persons hereinafter named, and they shall be entitled thereto as follows: First, the husband or wife, as the case may be. Second, the next of kin. Third,

Dead bodies,
to whom delivered after
examination.

any friend of the deceased. But if the dead body is unidentified or unclaimed for a period of not less than forty-eight hours following the view thereof, the medical referee shall deliver the body to the overseer of the poor in the town, or to the county commissioner, who shall decently bury the same, or, with the consent of the commissioners or the overseer, it may be sent to the medical department of Dartmouth College, to be used for the advancement of the science of anatomy and surgery as provided for by the statutes.

Referee to take charge of money or property on body.

SECT. 11. In all cases arising under the provisions of this act, the medical referee shall take charge of any money or other personal property of the deceased, found upon or near the body, and deliver the same to the person or persons entitled to the same; or, if there is any doubt regarding to whom it shall be delivered, this fact shall be made known to the judge of probate for the county, whose directions in the case shall be followed.

Accounts of referees to be audited; fees.

SECT. 12. Every medical referee shall render an account of the expenses of each case, including his fees, to the county solicitor, who shall audit and approve the same before it is paid by the county treasurer, and the fees allowed the examiner shall not exceed the following, viz: For a view and inquiry without an autopsy, five dollars; for a view and autopsy—twenty-five dollars; and for travel at the rate of ten cents a mile to and from the place of view.

Compensation of additional physicians.

SECT. 13. When it is deemed necessary by the medical referee and county solicitor to have a physician or surgeon present at an autopsy as one of the witnesses, such physician or surgeon shall be allowed a reasonable compensation to be audited by the medical referee and county solicitor.

Record books and blanks to be provided.

SECT. 14. Upon the passage of this act, the attorney-general and secretary of state shall agree upon the form of record books, blank returns, and other papers necessary for medical referees to carry out the provisions of this act, and the same shall be printed at the expense of the state and distributed to the several referees, who shall take care of the same, entering all the work and reports of his office, keeping the books open for the inspection of the attorney-general and county solicitor; but whenever a medical referee resigns or is removed from office, he shall turn all the books and papers pertaining to the office over to his successor.

Referees to serve writs in certain cases.

SECT. 15. Sections 4 and 6 of chapter 212 of the Public Statutes are hereby amended by striking out the word "coroner" wherever it appears in said sections and inserting instead thereof the words, medical referee, so that the duties required by said sections to be performed by a coroner shall be performed by a medical referee.

SECT. 16. Chapter 262 of the Public Statutes and all other acts and parts of acts inconsistent with the provisions of this act are hereby repealed. Repealing clause.

SECT. 17. This act shall take effect upon its passage. Takes effect on passage.

[Approved April 2, 1903, 1:05 P. M.]

CHAPTER 135.

AN ACT AMENDING SECTIONS 37, 38, AND 40 OF CHAPTER 59 OF THE SESSION LAWS OF 1895, AS AMENDED BY CHAPTER 25 OF THE LAWS OF 1901, IN RELATION TO THE MILITIA.

SECTION

1. Officers of active militia on peace footing; regimental and battalion field and staff officers; brigade commander and staff.

SECTION

2. Compensation for military service.
3. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. That sections 37, 38, and 40 of chapter 59 of the Laws of 1895, as amended by chapter 25 of the Laws of 1901, be amended. Officers of active militia on peace footing.

That section 37 shall be amended by adding thereto in the third line, after the words "quartermaster-sergeant," the words, one commissary-sergeant, and adding thereto in the eleventh line after the words "quartermaster-sergeant," the words, one commissary-sergeant, so that said section shall read: SECT. 37. On a peace footing, to each troop of cavalry there shall be one captain, one first lieutenant, one second lieutenant, one first sergeant, one quartermaster-sergeant, one commissary-sergeant, five sergeants, five corporals, two trumpeters, and not more than fifty nor less than thirty privates. To each company of infantry there shall be one captain, one first lieutenant, one second lieutenant, one first sergeant, four sergeants, four corporals, two musicians, and not more than forty-four nor less than twenty privates. To each four-gun battery there shall be one captain, one senior first lieutenant, one junior first lieutenant, one second lieutenant, one first sergeant, one quartermaster-sergeant, one commissary-sergeant, five sergeants, eight corporals, two trumpeters, and not more than fifty-nine nor less than thirty-six privates. To the signal corps there shall be one sergeant, and not more than eight privates; and to the hospital corps, one hospital steward, and not less than eight nor more than twelve privates. In actual service, when the exigency of

the case requires it, the commander-in-chief may by proclamation authorize enlistments to the maximum standard of similar organizations in the army of the United States, and when the exigency ceases, he shall by proclamation order the reduction of such organizations, in the most expedient way, to the limit on a peace footing.

Regimental
and battalion
field and staff
officers.

That section 38 shall be amended by adding thereto in the eleventh line, after the word "vacant," the words, one commissary, so that said section shall read: SECT. 38. To each regiment of infantry there shall be one colonel, one lieutenant-colonel, one major for each four companies, and a regimental staff to be appointed by the colonel and removable at his pleasure, to consist of one surgeon with the rank of major, one assistant surgeon with the rank of captain, both of whom shall be graduates of some incorporated school of medicine and shall be practicing physicians, one paymaster who shall be the mustering officer and who shall give the bond required in section 23, and one chaplain, one adjutant, one quartermaster who shall act as paymaster when the office of paymaster is vacant, one commissary, each with the rank of captain, and one inspector of rifle practice, with the rank of first lieutenant, and a non-commissioned staff, to consist of one sergeant-major, one quartermaster-sergeant, one commissary-sergeant, one hospital steward who shall be a registered pharmacist, one drum-major, and one chief trumpeter, who shall be regularly enlisted.

Brigade com-
mander and
staff.

That section 40 shall be amended by striking out the words "one commissary" in the ninth line after the word "major," and inserting in the eighth line after the word "practice," the words, one commissary, so that said section shall read: SECT. 40. To each brigade there shall be a brigadier-general, who shall appoint and may remove at pleasure one assistant adjutant-general, one medical director who shall be a graduate of some incorporated school of medicine and a practicing physician, each with the rank of lieutenant-colonel; one assistant inspector-general who shall be the mustering officer for unattached companies, one judge-advocate who shall be a counsellor-at-law, one inspector of rifle practice, one commissary and one quartermaster, each with the rank of major; two aides-de-camp each with the rank of captain; and a non-commissioned staff consisting of one sergeant-clerk, one trumpeter, and one color-bearer, each of whom shall rank as sergeants of cavalry; one quartermaster-sergeant, who shall rank as post quartermaster-sergeant; and one hospital steward who shall be a registered pharmacist, all of whom shall be regularly enlisted. He shall also enlist, or cause to be enlisted, a signal corps and a hospital corps. The assistant inspector-general of the brigade shall be liable to be detailed as assistant to the inspector-general, in which case he shall report directly to the inspector-general.

SECT. 2. That section 98 of chapter 95 [59] of the Laws of 1895, as amended by chapter 25 of the Laws of 1901, be amended by striking out the words "two dollars" after the words "band musicians" in the sixteenth line and inserting in the place thereof the words, three dollars, so that said section shall read: SECT. 98. The adjutant-general shall act as paymaster-general, and shall have the general charge and supervision of all expenses and pay for the militia in the service of the state. There shall be paid for attendance and performance of duty of such officers and soldiers as shall be specially ordered for duty by the commander-in-chief, or to attend encampments, parades, and schools of instruction as provided in this title, to each the following sum for each day actually on duty, the inspector-general excepted: To brigadier-generals, seven dollars; to colonels, six dollars; to lieutenant-colonels, five dollars; to majors, four dollars and fifty cents; to captains mounted, four dollars; to captains not mounted, three dollars and fifty cents; to lieutenants mounted, three dollars and fifty cents; to lieutenants not mounted, three dollars; to non-commissioned staff officers, two dollars and fifty cents; to first sergeants, two dollars and fifty cents; to band musicians, three dollars and fifty cents; to sergeants and corporals, two dollars; to musicians and privates, two dollars; *provided* that the commander-in-chief may in his discretion order the proper officers to purchase and issue rations to the enlisted men, during an encampment, in which case the actual cost of the rations for each man shall be deducted from his pay for attendance at such encampment.

Compensation for military service.

SECT. 3. All acts or parts of acts inconsistent with this act are hereby repealed, and this act shall take effect upon its passage.

Repealing clause; act takes effect on passage.

[Approved April 2, 1903.]

CHAPTER 136.

AN ACT TO AMEND CHAPTER 40, LAWS OF 1893, RELATING TO
INSPECTORS OF BUILDINGS.

SECTION

1. Town appointing inspector may regulate construction of all buildings.
2. Building plans to be approved by inspector; provision for appeal.

SECTION

3. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Town may regulate construction of all buildings.

SECTION 1. Amend section 1, chapter 40, Laws of 1893, by striking out after the word "town" in the sixth line, the words "which shall be used in whole or in part for mercantile, commercial, manufacturing, or public purposes, or as tenement houses," and striking out in line eight, after the word "erected," the words "for such purposes" and inserting the words, or remodeled; so that section 1 as amended shall read: SECTION 1. Any city or town may appoint an inspector of buildings for such city or town, prescribe his duties, and fix his compensation. And any city or town which shall appoint such inspector, may, by ordinance or by by-law, prescribe regulations for the construction and maintenance of all buildings in such city or town; and all buildings hereafter erected or remodeled in such city or town shall conform to such regulations.

Inspector to approve plans; appeal.

SECT. 2. Amend section 2, chapter 40, Laws of 1893, by inserting after the word "erect" in the first line, the words, or remodel, and striking out after the word "building" in line two the words "which is intended to be used in whole or in part for mercantile, commercial, manufacturing or public purposes, or as a tenement house," and inserting after the word "erecting" in line five the words, or remodeling; striking out in the eighth line after the word "building," the words "intended for such purposes" and inserting in line eight after the word "erected" the words, or remodeled, so that section 2 as amended shall read: SECT. 2. Any person who shall hereafter intend to erect or remodel any building, in any city or town which has appointed a building inspector, shall, before erecting or remodeling such building, submit the plans therefor to such inspector for his examination and approval, under the regulations prescribed by the city or town. And no building shall be erected or remodeled in any such city or town without the approval of the plans therefor by such inspector so far as the same relates to the building rules of such city or town or the safety of such building after erected for the purpose for which it is designed.

If any such inspector shall refuse to approve of any plan submitted to him as aforesaid, any person aggrieved thereby may appeal from the decision of such inspector to the superior court for the county in which such city or town is situated, either in term time or vacation, and said court shall make such orders thereby as justice may require.

SECT. 3. All acts and parts of acts inconsistent with the provisions of this act are hereby repealed, and this act shall take effect upon its passage.

Repealing
clause; act
takes effect
on passage.

[Approved April 2, 1903.]

CHAPTER 137.

JOINT RESOLUTION FAVORING THE ESTABLISHMENT OF A NATIONAL FOREST RESERVE IN THE WHITE MOUNTAIN REGION.

Preamble; national forest reserve favored.

WHEREAS, certain permanent and summer residents of this state have taken steps to memorialize congress for the establishment of a national forest reserve in the White Mountain region; and

Preamble.

WHEREAS, the establishment of such a reserve would perpetuate valuable forest growths and forever preserve the head waters of several important streams and thus benefit the commerce, industry and agriculture of all the New England states save one; and

WHEREAS, the White Mountain region is of increasing importance as a pleasure resort to fully one quarter of the entire population of the country who reside within easy reach of it; therefore be it

Resolved by the Senate and House of Representatives in General Court convened:

That the legislature of New Hampshire hereby expresses its approval of the proposition to establish a White Mountain national forest reserve.

National forest
reserve
favored.

That the consent of the State of New Hampshire be and is hereby given to the acquisition by the United States by purchase, gift, or condemnation according to law, of such lands in this state as in the opinion of the federal government, may be needed for the establishment of a national forest reserve in the White Mountain region.

That power is hereby conferred upon congress to pass such laws as it may deem necessary to the acquisition of lands in this state for the purposes of such a national forest reserve.

That power is hereby conferred upon congress to pass such laws and to make, and provide for the making of, such rules and regulations, of both civil and criminal nature, and provide punishment for the violation thereof, as, in its judgment, may be necessary for the management, control and protection of such lands as may from time to time be acquired by the United States under the provisions of this joint resolution: *Provided*, that the State of New Hampshire shall retain a concurrent jurisdiction with the United States in and over such lands so far that civil process in all cases, and such criminal process as may issue under the authority of the state against any person charged with the commission of crime without or within said jurisdiction, may be executed thereon in like manner as if this joint resolution had not been passed.

That the senators and representatives in congress from this state are hereby requested to urge upon congress the importance of prompt and favorable action on behalf of the proposition to establish a White Mountain national forest reserve.

[Approved January 20, 1903.]

CHAPTER 174.

JOINT RESOLUTION PROVIDING FOR THE REPAIRS AND CONSTRUCTION OF CERTAIN STATE HIGHWAYS, CERTAIN HIGHWAYS IN UNINCORPORATED PLACES, AND CERTAIN ROADS IN PLACES WHERE SUCH ROADS CANNOT BE MAINTAINED BY ANY LOCAL MUNICIPALITY.

Appropriations for sundry highways.

Resolved by the Senate and House of Representatives in General Court convened:

Appropriations for sundry highways.

That the following sums be and hereby are appropriated for the purposes hereinafter specified, to be laid out under the direction of the governor and council and, as far as the same may be found applicable, according to the provisions of an act passed at this session of the general court, entitled "An act to provide for a more economical and practical expenditure of money appropriated by the state for the construction and repair of highways."

(1) The sum of one hundred and fifty dollars (\$150) for the repairs of that part of the highway leading from Errol to Berlin, which lies in Cambridge, an unincorporated place.

(2) The sum of two hundred and fifty dollars (\$250) for each of the years 1903 and 1904, for the repairs of the highways from Errol to Wentworth's Location, *provided* that the new road now proposed to be built in part by the state cannot be completed within two years from the date of this act.

(3) The sum of one hundred dollars (\$100), for each of the years 1903 and 1904 for the repairs of that part of the Notch road in Sandwich, known as the Dale road, the same being in a mountainous region and on an uninhabited route.

(4) The sum of one hundred and fifty dollars (\$150), for each of the years 1903 and 1904 for the repairs of that part of the state road heretofore maintained and now existing over Moosilauke mountain, which lies in the mountain region of the town of Warren, and on a route on which there are no inhabitants.

(5) The sum of two hundred dollars (\$200), for each of the years 1903 and 1904, for the repairs of the highways in the town of Campton, this being the same amount heretofore appropriated in aid of said town on account of the through roads running across said town, and the large number of bridges therein required, imposed upon the town by layings out by state or county authority.

(6) The sum of four hundred dollars (\$400), for each of the years 1903 and 1904 for the construction and repairs of new roads leading from the town to public waters on the east side of Mascoma lake in the town of Enfield, *provided* that the town of Enfield and other parties shall contribute enough in addition thereto to complete the roads, and thereafter they shall be maintained by the town.

(7) The sum of one hundred dollars (\$100), for each of the years 1903 and 1904 for the repairs of highways in the town of Ossipee, in the county of Carroll, said roads leading from Ossipee Center to Effingham line and being on the through routes maintained for the accommodation of through travel to and from the White Mountains, and not for local use, and being situated where there is no local support available sufficient for their adequate maintenance.

(8) The sum of three hundred and fifty dollars (\$350) for the building of a new highway, upon the east side of Mount Cardigan, in the towns of Alexandria and Orange, Mount Cardigan being the highest and most picturesque mountain in that section of the state; and owing to the hostility of the land owners, tourists, and summer visitors from the east side of the mountain—which includes Newfound lake—are unable to ascend the mountain, from the easterly side.

(9) That the sum of one hundred dollars (\$100) be appropriated for repairing the Crotchet Mountain road, so called in the town of Francestown one half to be expended in 1903 and one half in 1904.

[Approved March 25, 1903.]

CHAPTER 184.

JOINT RESOLUTION TO PROVIDE FOR THE TREATMENT OF INDIGENT
CONSUMPTIVES.

To be sent to sanatorium for treatment; annual appropriation of \$5,000; resolution takes effect on passage.

*Resolved by the Senate and House of Representatives in
General Court convened:*

That the state board of charities and correction be, and hereby are, authorized to send such indigent consumptive patients as are suitable for remedial treatment to a sanatorium for treatment.

To be sent to
sanatorium.

Said state board of charities and correction shall pay for the care, treatment and support of such patients only the actual cost of their maintenance in said sanatorium and shall report to the governor quarterly their actions in this matter.

Persons in indigent circumstances, who themselves or by their relatives are able to pay part of said cost of maintenance, may be admitted to said sanatorium and maintained and treated therein at the expense of the state to that extent that they cannot, by themselves, or relatives chargeable therefor, pay such cost of maintenance, when the state board of charities and correction so certify and stipulate the proportion the state will assume and pay.

This act shall not be construed so as to deprive any person to whom aid is rendered of any rights that he may have at the time of his admission to a sanatorium.

Annual appropriation of \$5,000.

To defray the expenses of such consumptive patients in a sanatorium a sum not exceeding five thousand dollars for each of the years 1903 and 1904 is hereby appropriated, and the governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Takes effect on passage.

This joint resolution shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 185.

JOINT RESOLUTION APPROPRIATING FIVE HUNDRED DOLLARS FOR A MONUMENT TO BE ERECTED AT HACKENSACK, NEW JERSEY, IN MEMORY OF GEN. ENOCH POOR.

Be it enacted by the Senate and House of Representatives in General Court convened:

Ward limits
defined.

SECTION 1. Amend said chapter as follows: Strike out all of sections 2 and 3 and insert in place thereof the following:
SECT. 2. The said city of Laconia is hereby divided into seven wards, which shall be constituted as follows, viz:

Ward No. 1 shall contain all that territory in said city included within, and bounded by the following lines: Bounded westerly and southwesterly by a line commencing at a point in the center of Main street opposite the center of Lyford street; thence extending northerly through the center of Main street to a point in said street opposite the center of Oak street; thence extending westerly through the center of Oak street to the center of Pleasant street; thence extending northerly through the center of Pleasant street to the westerly side line of Main street at its junction with said Pleasant street north of the Fair Grounds, so called; thence in a straight line due west to Lake Winnisquam; thence northerly on said lake to the Meredith town line, bounded northerly by the Meredith town line from point of intersection on Lake Winnisquam to Lake Winnepesaukee, bounded easterly by the shore of Lake Winnepesaukee, the westerly boundary of Wards 6, 7 and 2 extending from said last named point to a point on the westerly line of Ward 2 opposite the center of Lyford street at its junction with Messer street, and bounded southerly by a line extending from said last named point through the center of Lyford street to the point of beginning in the center of Main street opposite the center of Lyford street.

Ward No. 2 shall include all that part of said city bounded westerly by a line commencing on the easterly shore of Round bay or Lake Opechee where the present northwesterly boundary of Ward 2 commences; thence southerly by the easterly shore of Round bay or Lake Opechee and the easterly shore of the Winnepesaukee river to a point on the easterly shore of said river at the southeasterly corner of Mill Street bridge;

thence southeasterly by a straight line from said last mentioned point to the southwesterly corner of Locust street at its intersection with Union avenue; thence easterly along the southerly side of said Locust street to Avery street; thence in a line south seventy-six (76) degrees east to the line between Laconia and the town of Gilford; thence easterly by the said line of Gilford extending from the last to the first mentioned bound.

Ward No. 3 shall include all that part of said city contained within the territory described as follows: Commencing at a point in the center of Main street on the southerly shore of Winnepesaukee river at the bridge; thence northerly along the easterly shore of said river until it strikes the southerly line of Ward No. 1; thence westerly on line of Ward No. 1 to the center of Main street opposite the center of Lyford street; thence northerly on line of Ward No. 1 to a point in said street opposite the center of Oak street; thence westerly through the center of Oak street to a point in Pleasant street opposite the center of Oak street; thence southerly through the center of Pleasant street and through the center of Main street from its junction with said Pleasant street to the point of beginning.

Ward No. 4 shall include all that part of said city, bounded easterly by the westerly side of Ward No. 3, a portion of the westerly side of Ward No. 1, and by a line continuing from the westerly side line of Ward No. 3 in the center of Main street on the southerly shore of the Winnepesaukee river southerly through said Main street to a point in said city opposite the center of Bowman street, southerly by a line commencing at said last mentioned point and extending through the center of said street to the center of Academy street, southeasterly by a line commencing at said last mentioned point and extending southwesterly through the center of said street and the Mile Hill road to the Belmont town line, westerly by said Belmont town line and the shore of Lake Winnisquam, and northerly by that part of the southerly line of Ward No. 1 extending from Lake Winnisquam to a point on the westerly side line of Main street at its junction with Pleasant street north of the Fair Grounds, so called.

Ward No. 5 shall include all that part of said city lying southerly, westerly and easterly of Wards Nos. 2, 3 and 4, not embraced in said wards.

Ward 6 as hereby constituted shall contain all the territory of Ward 1 as heretofore constituted in the original city charter.

SECT. 3. [2.] Strike out so much of section 3 as relates to said city and insert in place thereof the following: Each of said wards shall elect one representative to the general court until such time when their constitutional rights shall entitle any of said wards to a greater number.

Representatives;
supervisors.

Strike out section 8 of said chapter and insert in place thereof the following: Each of said wards as hereby constituted at

every state biennial election commencing with the biennial election in 1904 shall choose by ballot and plurality vote one supervisor of check-lists and the city council shall also on the Wednesday next following the state biennial election in 1904 and on the Wednesday next following the state biennial election thereafter by ballot and major vote choose one supervisor of check-lists who shall hold office for the term of two years, the persons thus chosen shall constitute the board of supervisors of check-lists of all the wards of the city, and the member chosen by the city council shall be chairman of the board. All vacancies occurring in the board shall be filled by the city council.

The existing board of supervisors as elected at the state biennial election in 1902 and the chairman of said board now holding said office by vote of the city council subsequent to said biennial election shall continue in office and constitute the board of supervisors of check-lists for said city until their successors are chosen as provided in this section and qualified.

Councilmen,
how chosen.

SECT. 4. [3.] Strike out section 15 of said chapter and insert in place thereof the following: At the annual city election on the second Tuesday of March, 1903 there shall be elected in each of said wards by and from the qualified voters in each of the said wards, one councilman to serve for two years and these councilmen so chosen together with the four councilmen from the wards in said city as heretofore constituted, whose terms will not have expired, shall constitute the city council until the organization of the council on the second Tuesday of March, 1904.

At the annual city election on the second Tuesday of March, 1904 each of said wards shall by and from the qualified voters of each of said wards elect one councilman to serve for two years, and thereafter at each annual election one councilman shall be chosen by and from the qualified voters of each of said wards to serve for the term of two years.

All the duties pertaining to the warning and holding of the annual city election on the second Tuesday of March, 1903, shall be performed by proper ward officers for such purpose, qualified voters in the several wards, to be elected by the city council immediately after the passage of this act, and all the duties pertaining to the warning, holding, conduct and record of the said ward meetings in said city election shall be performed by the officers so chosen the same as if said officers had been elected by the qualified voters of said wards. At said city election there shall be elected in each of said wards all necessary ward officers required to be elected by the qualified voters of said wards.

Nothing in this section relating to the election of ward officers by the city council as aforesaid, shall in any way affect the election of ward officers by the qualified voters in the several

wards after the provision provided in this section for holding the annual city election on the second Tuesday of March, 1903.

The term of office of all ward officers except supervisors of check-lists and councilmen in the wards as heretofore constituted, shall terminate and be of no effect on and after the date of the passage of this act.

SECT. 5. [4.] This act shall take effect and be in force from and after its passage. Takes effect on passage.

[Approved January 29, 1903.]

CHAPTER 195.

AN ACT AUTHORIZING THE CONCORD & MONTREAL RAILROAD, LESSOR, TO ACQUIRE THE CONCORD STREET RAILWAY AND OTHER PROPERTY, TO ISSUE STOCK AND BONDS TO PAY THEREFOR AND AUTHORIZING A PHYSICAL CONNECTION OF THE MANCHESTER STREET RAILWAY WITH THE ELECTRIC BRANCHES OF THE CONCORD & MONTREAL RAILROAD.

SECTION

1. Acquisition of electric companies authorized.
2. Acquisition of street railways authorized.
3. Corporation merged may be dissolved; rights of dissenting shareholders.

SECTION

4. Property acquired treated as permanent improvements.
5. Physical union authorized.
6. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Acquisition of electric companies authorized.

SECTION 1. To facilitate the acquirement of electrical energy for the operation of any portion of its main or branch lines by electricity and for other uses, the Concord & Montreal Railroad, lessor of the Boston & Maine Railroad under lease

dated June 29, 1895, may acquire by purchase and develop such property as may be necessary or convenient to produce such electrical energy, and may acquire, hold and dispose of the stock, bonds, property and franchises of any corporation now or hereafter engaged in the development and production of electrical energy or may lease the property and franchises of such corporation in the manner provided for the leasing of the property and interests of one railroad corporation to another. Any stock in such corporations, acquired by or for the Concord & Montreal Railroad, under the provisions of this act, may be voted upon at all meetings of such corporations.

If the Concord & Montreal Railroad, under the provisions of this act, shall acquire property and franchises of any corporation engaged, in whole or in part, in the business of producing electrical energy, it may sell or lease such portion or portions of said property and franchises so acquired as, in the judgment of its directors, is not required for the uses of the railroad.

SECT. 2. The Concord & Montreal Railroad may acquire by lease the railway, railway property and interests of any corporation operating a street railway in any of the cities or towns in which any part of the railroad lines of the Concord & Montreal system may be located, and may purchase all or any part of the stock, bonds or other obligations of said corporations, and any stock so purchased may be voted upon by the owners upon all questions which may arise at any corporate meeting.

Acquisition of street railways authorized.

SECT. 3. If the Concord & Montreal Railroad shall become the owner by purchase of not less than three fourths of the capital stock of any such street railway corporation, such corporation may be dissolved by decree of the superior court, upon petition of the Concord & Montreal Railroad, and, if any stockholder therein does not assent to such dissolution, such dissenting stockholder may have the value of his stock determined and paid for by the Concord & Montreal Railroad, and both parties shall have the rights and remedies with reference thereto as is provided in Public Statutes, chapter 156, sections 28-37, inclusive, for determining the value and acquiring the stock of stockholders who dissent from the lease of one railroad to another.

Corporation merged may be dissolved; rights of dissenting shareholders.

If the Concord Street Railway shall be acquired by the Concord & Montreal Railroad, under the provisions of this act, said Concord Street Railway property shall be operated and managed as a part of the Concord & Manchester branch of the Concord & Montreal Railroad.

SECT. 4. It is further provided that any railroad property, including the Concord Street Railway, or property used in whole or in part for the production of electrical energy acquired under the provisions of this act, shall be treated as permanent additions or permanent improvements to the Concord & Montreal Railroad under the provisions of its lease to the Boston &

Property acquired treated as permanent improvements.

Maine Railroad, dated June 29, 1895, and the Concord & Montreal Railroad may increase and issue its capital stock or bonds or both to such an amount as may be necessary for the acquirement, improvement and extension of said properties or any of them, including the expense of changing the gauge of the Concord Street Railway and providing additional equipment therefor and to pay the obligations thereof, but any stock and bonds issued therefor shall be issued only in accordance with the provisions of Laws of 1895, chapter 27, section 17, and the stock shall be sold at public auction in accordance with the provisions of chapter 19 of the Laws of 1897.

Physical
union author-
ized.

SECT. 5. The lines of any electric branch of the Concord & Montreal Railroad, now or hereafter built, and the lines of the Manchester Street Railway may be physically united and the electric cars of each corporation may be run over the electric lines of the other upon such terms and conditions as may be agreed upon by the parties.

Repealing
clause; act
takes effect
on passage.

SECT. 6. All acts and parts of acts inconsistent with the provisions of this act are hereby repealed and this act shall take effect on its passage.

CHAPTER 207.

AN ACT TO INCORPORATE THE WALPOLE WATER AND SEWER COMPANY.

SECTION

1. Corporation constituted; purposes.
2. Capital stock.
3. Right of eminent domain.
4. May construct and purchase sewers.
5. Assessment of damages.
6. May contract with town; town may contract.

SECTION

7. Malicious injuries to property; penalty.
8. First meeting.
9. Takes effect on passage; subject to repeal.

Be it enacted by the Senate and House of Representatives in General Court convened:

Corporation
constituted;
purposes.

SECTION 1. Thomas B. Peck, Oliver J. Butterfield, Charles C. Davis, Frank A. Spaulding, Nathaniel W. Holland, Henry A. Slade, and Copley Amory, all of Walpole in the county of Cheshire and State of New Hampshire, their associates, successors and assigns, be and they are hereby made a body politic and corporate by name of The Walpole Water and Sewer Company, for the purpose of furnishing to the people of Walpole a supply of pure water for domestic and public purposes, for the extinguishment of fires, for manufacturing and all other uses and also to furnish the village of Walpole such sewers for the public use as may be from time to time required, and by that name may sue and be sued, prosecute and defend to final judgment and execution, and are hereby vested with all the powers and privileges and subject to all the liabilities incident to corporations of a similar nature.

Capital stock.

SECT. 2. The capital stock of said corporation shall consist of such number of shares of one hundred dollars each as may from time to time be determined by the corporation, not exceeding in the whole the sum of fifty thousand dollars.

Said corporation may acquire and hold all real estate and personal property necessary and convenient for its purposes. It may also borrow such sums of money, not exceeding in the

whole one half of the amount of the capital stock then issued, as its stockholders may from time to time determine, and secure the same by such mortgage or mortgages of its franchise and property as they may direct.

SECT. 3. The said corporation for the purposes aforesaid may take and hold by purchase, or may take as for public uses any real estate or easement therein, including the waters, or so much thereof as may be necessary, of any ponds, springs, streams or wells or of any filter galleries or wells that may be constructed upon the shore of any pond, or near to any spring or stream, and any other water rights in said Walpole, excepting that part of said town which lies northerly of a line drawn from the southwest corner of the town of Langdon, near Table Rock, so called, on Fall mountain, to the east end of the present stone arch bridge of the Boston & Maine Railroad Company across the Connecticut river at Bellows Falls, Vermont, and it may establish reasonable rates, rents and dues for the use of its privileges, and may collect the same from all individuals or corporations served thereby. Also in like manner it may take and hold by purchase, or may take as for public uses all real estate or rights of way and easements necessary for the location, construction and maintenance of all dams, reservoirs, conduits, pipes, hydrants, and all necessary appurtenances and appliances, for the holding and preserving such waters, and for the conveying and distributing the same in any part of Walpole, except the village of North Walpole. For the distribution thereof it may lay its pipes through the land of persons and corporations, and along the streets and ways of said town, having first obtained the permission of the selectmen of said town, and under such regulations and restrictions as they may prescribe, and may lay its pipes under or over any railroad, water course, or private way, and may cross any sewer or drain pipe, in such manner, however, as will not unnecessarily obstruct the same. Said corporation may also acquire, by purchase or lease from any other corporation such power and water rights as it may deem requisite for its purposes.

Right of eminent domain.

SECT. 4. Said corporation is also authorized and empowered to construct and maintain a suitable and convenient sewer system for the proper drainage and sewage disposal of the village of Walpole in said Walpole, and may acquire by purchase or otherwise, the sewer and sewer rights now owned and operated by any individual in said village. It may acquire by purchase or take as for public uses such real estate or easements therein in said village as may be necessary for its uses. It may lay its pipes through the land of persons and corporations, and along the streets and ways of said village, and over and across any railroad, water-course or private way and cross any drain or sewer pipe, *provided* the permission of the selectmen of said Walpole is first obtained, and no unnecessary damage

May construct and purchase sewers.

or obstruction is caused thereby, and in like manner it may put in all man-holes traps, hydrants, and other apparatus, fixtures, buildings and structures necessary for the proper and convenient use of the sewer system it is hereby authorized to acquire, construct and maintain.

Assessment of damages.

SECT. 5. Said corporation shall pay all damages sustained by any person or corporation in property, by taking of any land or easement therein, water-course or water right, or by the erection of any dam, building, or structure or any other thing done by it under the authority of this act. In case, however, said corporation shall not be able to agree with the owners thereof for the damages that may be done by said company or the owners shall be unknown, either party may apply to the superior court for the county of Cheshire at any trial term thereof to have the same laid out and the damages determined, and the said court shall refer the same to the county commissioners of said county, who shall appoint a time and place of hearing and give notice thereof in the same manner as is now provided by law for the laying out of highways; and the said commissioners shall make report to the court, and said court may issue execution therein accordingly; but if either party shall desire it, upon the application to said court, before reference to said commissioners, they shall be entitled to a trial by jury, in such manner and under such regulations as the court may prescribe.

May contract with town; town may contract.

SECT. 6. Said corporation may make any contract with the town of Walpole, or the Walpole village district therein, or with any persons or corporations, to furnish water, hydrants and other means and apparatus for the extinguishment of fires, for sewers or for such other purposes as may be deemed necessary and said town or village district is hereby authorized to contract with said corporation for the use of said water, hydrants, sewers and other means and apparatus for said purposes, and may raise and appropriate money therefor; and the said corporation is hereby authorized and empowered to sell or lease for a term of years to said town or any fire district or fire precinct now existing or hereafter organized therein, all or any part of its franchise, works, structures or estate of whatever kind or nature, and said town and fire district or fire precincts are hereby authorized to purchase or lease the same and to borrow upon the credit of such town or districts such an amount as may be necessary to enable them to do so, upon such terms and times as may be deemed expedient.

Malicious injuries to property; penalty.

SECT. 7. Any person who shall wilfully and maliciously corrupt the waters of any of the sources of supply, or reservoirs of said company, or shall wilfully injure any power-house, dam, reservoir, conduit, pipe, hydrant, sewer or sewer-pipe, or other property held, owned or used by said company for the

purposes of this act, shall on conviction of either of said acts, be punished by a fine not exceeding five hundred dollars or imprisonment not exceeding one year.

SECT. 8. Any two of the corporators named in this act may call the first meeting of the corporation, by giving or mailing a notice in writing to each of said corporators of the time and place of meeting, seven days at least before said meeting, and at said meeting or any adjourned meeting thereof or at any subsequent meeting duly called associates may be admitted, directors and all proper officers chosen, the number of shares fixed, and such by-laws and regulations adopted as may be deemed necessary to carry into effect the purposes of this act.

First meeting.

SECT. 9. This act shall take effect upon its passage, and the legislature may alter, amend or repeal the same whenever the public good requires.

Takes effect on passage; subject to repeal.

[Approved February 17, 1903.]

STATE OF NEW HAMPSHIRE.

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THREE.

AN ACT

To amend chapter 241 of the Session Laws of 1893, entitled "An act to establish the city of Laconia," and repealing chapter 200 of the Laws of 1901, entitled "An act to amend chapter 241 of the Session Laws of 1893, entitled 'An act to establish the city of Laconia.'"

Be it enacted by the Senate and House of Representatives in General Court convened:

Ward limits
defined.

SECTION 1. Strike out all of sections 2 and 3 of said chapter 241 of the Laws of 1893, as amended by section 1, of chapter 200 of the Laws of 1901, and insert in place thereof the following: SECT. 2. The said city of Laconia, is hereby divided into six wards, which shall be constituted as follows, viz:

Ward No.1, shall contain all that territory in said city included within, and bounded by the following lines: bounded westerly and southwesterly by a line commencing at a point in the center of Main street opposite the center of Lyford street, thence

extending northerly through the center of Main street to a point in said street opposite the center of Oak street, thence extending westerly through the center of Oak street to the center of Pleasant street, thence extending northerly through the center of Pleasant street to the westerly side line of Main street at its junction with said Pleasant street, north of the Fair Grounds, so called, thence in a straight line due west to Lake Winnisquam, thence northerly on said lake to the Meredith town line; bounded northerly by the Meredith town line from point of intersection on Lake Winnisquam to Lake Winnepesaukee; bounded easterly by the shore of Lake Winnepesaukee and the westerly boundary of Wards 6 and 2 extending from said last-named point to a point on the westerly line of Ward 2, opposite the center of Lyford street at its junction with Messer street, and bounded southerly by a line extending from said last-named point through the center of Lyford street to the point of beginning in the center of Main street opposite the center of Lyford street.

Ward No. 2 shall include all that part of said city bounded westerly by a line commencing on the easterly shore of Round bay or Lake Opechee where the present northwesterly boundary of Ward 2 commences, thence southerly by the easterly shore of Round bay or Lake Opechee and the easterly shore of the Winnepesaukee river to a point on the easterly shore of said river at the southeasterly corner of Mill Street bridge, thence southeasterly by a straight line from said last mentioned point to the southwesterly corner of Locust street at its intersection with Union avenue, thence easterly along the southerly side of said Locust street to Avery street, thence in a line south seventy-six (76) degrees east to the line between Laconia and the town of Gilford, thence easterly by the said line of Gilford extending from the last to the first mentioned bound.

Ward No. 3 shall include all that part of said city contained within the territory described as follows: Commencing at a point in the center of Main street on the southerly shore of Winnepesaukee river at the bridge, thence northerly along the easterly shore of said river until it strikes the southerly line of Ward No. 1, thence westerly on line of Ward No. 1 to the center of Main street opposite the center of Lyford street, thence northerly on line of Ward No. 1 to a point in said street opposite the center of Oak street, thence westerly through the center of Oak street to a point in Pleasant street opposite the center of Oak street, thence southerly through the center of Pleasant street and through the center of Main street from its junction with said Pleasant street to the point of beginning.

Ward No. 4 shall include all that part of said city bounded easterly by the westerly side of Ward No. 3 a portion of the westerly side of Ward No. 1, and by a line continuing from the westerly side line of Ward No. 3 in the center of Main street

on the southerly shore of the Winnepesaukee river southerly through the center of said Main street to a point in said street opposite the center of Bowman street; southerly by a line commencing at said last mentioned point and extending through the center of said Bowman street to the center of Academy street; southeasterly by a line commencing at said last mentioned point and extending southwesterly through the center of said Academy street and the "Mile Hill" road to the Belmont town line; westerly by said Belmont town line and the shore of Lake Winnisquam and northerly by that part of the southerly line of Ward No. 1, extending from Lake Winnisquam to a point on the westerly side line of Main street at its junction with Pleasant street north of the Fair Grounds, so called.

Ward No. 5 shall include all that part of said city lying southerly, westerly and easterly of wards numbers two, three and four, not embraced in said wards, the territory of said ward being the same as that formerly included in ward number five under the original charter of said city.

Ward No. 6 shall contain all the territory of ward number six as constituted by the original city charter.

Representatives to general court.

SECT. 3. Wards 1, 2, 3, 4, and 5 shall each elect one representative to the general court and Ward 6 shall elect two such representatives until such time as their constitutional rights shall entitle any of said wards to a greater or less number.

Supervisors.

SECT. 2. Strike out section 8 of said chapter 241 of the Laws of 1893, as amended by section 2, chapter 200 of the Laws of 1901, and insert in place thereof the following: SECT. 8. Each of said Wards 1, 2, 3, 4, and 5 as hereby constituted at every state biennial election commencing with the biennial election in 1904 shall choose by ballot and plurality vote one supervisor of check-lists, and Ward 6 two such supervisors, and the city council shall also on the Wednesday next following the state biennial election in 1904, and on the Wednesday next following the state biennial election thereafter by ballot and major vote choose one supervisor of check-lists who shall hold office for the term of two years. The persons thus chosen shall constitute the board of supervisors of check-lists of all the wards of the city, and the member chosen by the city council shall be chairman of the board. All vacancies occurring in the board shall be filled by the city council.

The existing board of supervisors as elected at the state biennial election in 1902, and the chairman of said board now holding said office by vote of the city council subsequent to said biennial election, together with three other supervisors to be chosen by the city council immediately after the passage of this act shall hold the office and constitute the board of supervisors of check-lists for said city until their successors are chosen as provided in this section and qualified.

SECT. 3. Strike out section 15, of said chapter 241 of the Laws of 1893 as amended by section 3 of chapter 200 of the Laws of 1901, and insert in place thereof the following: SECT. 15. At the annual city election on the second Tuesday of March 1903, there shall be elected in each of said Wards 1, 2, 3, 4, and 5, by and from the qualified voters in each of said wards one councilman to serve for two years, and two councilmen from Ward 6 to serve for two years and these councilmen so chosen together with the four councilmen from the wards in said city as heretofore constituted, whose terms will not have expired shall constitute the city council until the organization of the city council on the fourth Tuesday of March 1904.

Councilmen,
how chosen.

At the annual city election on the second Tuesday of March, 1904, each of said Wards 1, 2, 3, 4, and 5, shall by and from the qualified voters of each of said wards elect one councilman to serve for two years, and two from Ward 6 to serve for the term of two years, and at each annual election thereafter, one councilman shall be chosen, by and from the qualified voters of Wards 1, 2, 3, 4, and 5, and two from Ward 6, to serve for the term of two years.

All the duties pertaining to the warning and holding of the annual city election on the second Tuesday of March, 1903, shall be performed by proper ward officers for such purpose, qualified voters in the several wards to be elected by the city council by ballot and major vote immediately after the passage of this act, and all the duties pertaining to the warning, holding, conduct and record of said election in said wards in said city election shall be performed by the officers so chosen the same as if said officers had been elected by the qualified voters of said wards. At said city election there shall be elected in each of said wards all necessary ward officers, required to be elected by the qualified voters in said wards.

Nothing in this section relating to the election of ward officers by the city council for the annual city election on the second Tuesday of March, 1903, as aforesaid shall in any way affect the election of ward officers by the qualified voters in the several wards after the provision provided in this section relating to said annual election on the said second Tuesday of March 1903, has been complied with.

The term of office of all ward officers except supervisors of check-lists and councilmen in the wards as heretofore constituted, shall terminate and be of no effect on and after the date of the passage of this act.

SECT. 4. Chapter 200 of the Laws of 1901, is hereby repealed, and this act shall take effect on and after its passage.

Repealing
clause; act
takes effect on
passage.

5. Location of tracks.	12. Takes effect on passage; void as to parts not built in two years.
6. Selectmen may make certain regulations.	
7. Rights reserved to towns.	

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

SECTION 1. Oscar C. Hatch, William H. Mitchell, Albert S. Batchellor, James W. Remick, Henry F. Green, Charles F. Eastman, Frank P. Bond, Fred H. English, Frederick G. Chutter, James H. Bailey, Elmore Whipple, Wilbur Parker, Daniel C. Remich, Irving C. Renfrew, George W. McGregor, George A. Edson, William J. Beattie, Edward H. Gould, Robert Tuttle, Cortes F. Nutting, George F. Abbott, Irving B. Andrews, George N. Turner and Frank H. Abbott, their associates, successors and assigns, are hereby made a body corporate by the name of the Littleton, Franconia & Bethlehem Street Railway, with power to construct, maintain and operate over and across such lands as may be necessary and in such public highways as may be necessary, a railway with convenient single or double tracks, spur tracks, sidings, turnouts and switches from some convenient point in the town of Littleton through Bethlehem, Lisbon and Franconia, to the Lafayette House in Franconia *provided* that said railway shall not approach nearer to Bethlehem village than Edward E. Bishop's house in said Bethlehem, except upon the following conditions: Said railway corporation may construct, maintain and operate a branch railway from some convenient point on its line aforesaid, to the top of Mt. Agassiz in the town of Bethlehem, and

through the village of Bethlehem, to a point near and opposite the Maplewood farm buildings in said Bethlehem, *provided* that said town of Bethlehem, at a meeting of its legal voters, the warrant for which shall contain a proper article upon the subject, shall vote to give its consent to the construction, maintenance and operation of such branch railway, and not otherwise; and may also acquire, purchase, construct and maintain suitable buildings, dams, water-powers, water motors, engines, electric and other machinery, or electric or steam plants for the generation of electricity or other motive power except steam for the operation of said railway, with full power to furnish any of said towns, or their citizens, now without electric lighting plants, with electric lights, heat or power, and to furnish any of said towns, or their citizens, now having electric light plants with lights, heat and power, *provided* said corporation shall hereafter acquire such plant or plants by agreement with their owners.

Capital stock
and bonds.

SECT. 2. The capital stock of said corporation shall not exceed one hundred thousand dollars, and shall be divided into shares of a par value of one hundred dollars each; but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power, to carry on the business permitted by this act; and may secure said bonds by mortgage of its property estate and franchises then owned and such as may be thereafter acquired by it; and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time shall be determined and issued in accordance with the provisions of the general laws.

How located
in highways.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town in which said portions of highways or streets may be. The selectmen of said towns respectively, upon petition of the directors of said railway for a location of its tracks on or over any public highways upon the line of said route, shall give notice by publication to all parties interested of the time and place at which they will consider said petition for location in the public highways of said town; and, after a public hearing of all persons interested, they may make an order granting the same, or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be deemed to be the true location of the tracks of said railway. Upon petition of any party interested, and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street, by subsequent order of said selectmen or their successors in office if in their judgment the

public good requires such change; but, if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change in location shall be apportioned by the board of railroad commissioners between the railway and the town, as such board may deem just. The selectmen of said towns shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying-out of highways.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter. How located elsewhere.

SECT. 5. The selectmen of the towns through which said railway shall pass, shall within their respective towns, have exclusive and final jurisdiction, subject to the appeal authorized by law, to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance for the purpose of laying sewer or water-pipes, without incurring any liability therefor; and from such orders there shall be no appeal. Location of tracks.

SECT. 6. The selectmen of the towns through which said railway shall pass, respectively, may designate the quality and kind of materials to be used in the construction of said railway within their said towns, and may from time to time make such reasonable orders, rules and regulations, with reference to that portion of said railway occupying the public highways in the respective towns, as to the rate of speed, the manner of operating said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their respective towns, as the interest or convenience of the public may require; and all designations, orders, rules, and regulations thus made or established and all locations made by selectmen shall be forthwith recorded in the records of said respective towns. The railway company, or any person interested, may at any time appeal from such designations, orders, rules, and regulations thus made and established to the board of railroad commissioners, who shall upon notice hear the parties and finally determine the questions raised by said appeal. Selectmen may make certain regulations.

SECT. 7. Said towns, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation. Rights reserved to towns.

Company to
keep high-
ways in re-
pair.

SECT. 8. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the respective towns, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks; and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management or use of its tracks.

Rates for
freight and
passengers.

SECT. 9. Said corporation shall have power to fix from time to time, such rates of compensation for transportation of persons and property on said railway, as they may deem reasonable, and shall be subject to the duties and liabilities, and possess all the rights and privileges by law incident to railway or railroad corporations so far as the same shall be applicable.

Discontin-
uance at cer-
tain seasons.

SECT. 10. The operation of any part of the railway constructed under this charter may be discontinued during the months when its operation is seriously interfered with by snow and the interests of the stockholders seriously injured. Upon this question there shall be a right of appeal to the railroad commissioners from the decision of the directors, whose decision shall be final.

First meeting.

SECT. 11. Any three of the grantees may call the first meeting by publication or by giving personal notice to the other grantees at least ten days prior to the time of meeting.

Takes effect
on passage;
void as to
parts not built
in two years.

SECT. 12. This act shall take effect upon its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage.

[Approved February 24, 1903.]

SECTION 1. The Enfield Village Fire District in the town of Enfield, is hereby authorized and empowered to construct, own, manage, maintain and lease suitable water-works for the purpose of introducing into and distributing through said fire district an adequate supply of pure water in subterranean pipes, for extinguishing fires and for the use of its citizens and for other purposes; and for that purpose may take, purchase, and hold in fee simple or otherwise, any real or personal estate and any rights therein, including water rights, necessary for carrying into effect the purposes of this act, and to excavate and dig canals and ditches in any street, place, square, passway, highway, common, or other place through which it may be necessary and proper for building said water-works, and to relay, change and repair the same at pleasure, having due regard for the safety of its citizens and security of public travel; and all acts of said fire district towards the accomplishment of any of the foregoing purposes and the organization and all other acts of said fire district are hereby fully ratified and confirmed. Water works authorized.

SECT. 2. Said fire district is authorized and empowered to enter upon, take and appropriate any streams, springs, ponds, or water rights, and to secure by fence or otherwise such Right of eminent domain.

streams, springs, ponds, or water rights, and dig ditches and canals, make excavations, dams, or reservoirs through, over, in, or upon any land or enclosure through which it may be necessary for said aqueduct to pass, or said excavations, reservoirs, dams, and water-works to be or exist, for the purpose of obtaining, holding, preserving, or conducting such water, and to place such pipes or other materials or works as may be necessary for building and operating such aqueduct and water-works or for repairing the same; *provided*, if it shall be necessary to enter upon and appropriate any land or water rights or any stream, spring, or pond, for the purpose aforesaid, or to raise or lower the level of any stream, spring, or pond, and if said fire district shall not agree with the owners thereof or persons injured thereby for the damage that may be done by said fire district, or such owners shall be unknown, said fire district or said owners or persons injured may apply to the trial term of the superior court for the county in which such stream, spring, pond, water rights, or land is situate, to have the same laid out and the damages determined; and the said court shall refer the same to the county commissioners for said county, who shall appoint a time and place of hearing, and give notice thereof in the same manner as is now provided by law for laying out highways, and said commissioners shall make report to said court and said court may issue execution accordingly; if either party shall desire, he shall be entitled to trial by jury in such manner and under such regulations as the court may prescribe, in the same manner as in appeals from the award of damages in the case of laying out highways.

Contracts for
water supply
authorized.

SECT. 3. Said fire district is authorized to contract with individuals and corporations for supplying them with water, and to make such contracts and establish such regulations and tolls for the use of water as may from time to time be deemed proper; and for the more convenient management of said water-works, the fire district may either before or after the construction of the same, place them under the direction and control of a board of water commissioners, of such number and with such powers and duties and elected at such times and in such manner, as may from time to time be prescribed by said fire district. Said water commissioners shall have full charge and control of the construction, management, and maintenance of said water-works, and may appoint a superintendent and other necessary officers, with such powers and duties and such compensation as said commissioners may from time to time prescribe.

Appropriations author-
ized.

SECT. 4. Said fire district is also authorized at any annual or special meeting, by a major vote of those present and voting, to raise and appropriate, and to borrow or hire such sums of money on the credit of the fire district as may from time to

time be deemed advisable for the purpose of defraying the expense of purchasing real estate, rights in real estate, water rights, streams, springs, ponds, and rights as aforesaid, and for constructing, maintaining, and operating said water-works, and to issue its bonds for the same, payable at such times and at such rates of interest and upon such other terms as may be thought proper, such bonds to be signed by a majority of the fire district commissioners and countersigned by the treasurer of said fire district. The purchase of real estate and water rights already made by said fire district; the authority voted for the issue of notes or bonds for construction of the said water-works; and the vote of the town of Enfield exempting such notes and bonds from taxation are hereby ratified and confirmed; and all the property of said fire district used in the construction and operation of its water-works shall be exempt from taxation.

SECT. 5. Said fire district is also authorized to purchase and hold shares of the capital stock of any aqueduct company in said fire district and may become the owner of any wells, springs, aqueduct pipes and connections, and water rights belonging to the same, *provided* said fire district and the shareholders of any such aqueduct company shall, at legal meetings, by major vote, vote in favor of such action.

May hold stock in other companies.

SECT. 6. This act shall take effect on its passage.

Takes effect on passage.

[Approved February 24, 1903.]

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. The time for the location, construction, and completion of the Moosilauke Railroad is hereby extended to the first day of July 1904.

Time for location, etc., extended.

SECT. 2. This act shall not be subject to the provisions of section 5, chapter 14 of the Public Statutes, and shall take effect upon its passage.

Exemption; act takes effect on passage.

[Approved February 24, 1903.]

CHAPTER 223.

AN ACT IN AMENDMENT OF THE CHARTER OF THE CITY OF DOVER, CREATING A BOARD OF STREET AND PARK COMMISSIONERS FOR SAID CITY.

SECTION

1. Board of commissioners created; terms of office; vacancies, how filled.
2. Organization and duties.
3. To appoint superintendent, etc.

SECTION

4. To furnish annual estimates.
5. Present superintendent continued.
6. Compensation of commissioners, etc.
7. Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Board created; terms of office; vacancies, how filled.

SECTION 1. A board of street and park commissioners for the city of Dover, is hereby established as follows: Upon the passage of this act the board of mayor and aldermen of said city shall elect three citizens of said city to be members of said board, the first of whom shall serve six years, the second, four years, and the third two years; and thereafter in the month of February, biennially, beginning in February 1905, said board of mayor and aldermen of said city, shall elect one citizen of said city to be a member of said board of street and park commissioners, to hold the office during the term of six years from the first day of March following, and until his successor is elected and qualified, unless sooner removed. If a vacancy occurs, the board of mayor and aldermen of said city shall elect some person to fill said vacancy for the residue of the term; and said board of mayor and aldermen may remove any member of said board of street and park commissioners so elected, at any time, for cause, or when the public good may require; *provided, however*, that no member of said board shall be removed except upon the affirmative vote of two thirds of all the members of said board of mayor and aldermen, voting by yea and nay. The members of said board of street and park commissioners shall be elected only from nominees duly submitted by the mayor of said city of Dover. At no time shall more than two of said board of street and park commissioners so elected by the board of mayor and aldermen, be members of the same political party. The mayor and city civil engineer shall be, *ex officio*, members of said board of street and park commissioners, with all the rights and privileges of their associates on said board. Said board shall be furnished by the said city, with a suitable office.

Organization and duties.

SECT. 2. In the month of March, annually, said board shall organize by the choice of one of its members as chairman, and shall also choose a clerk, who may be one of said commissioners. Said board of street and park commissioners shall have full charge, management, and control of the building,

constructing, repairing, and maintaining of all the streets, highways, lanes, alleys, sidewalks, and public sewers and drains, and of the public parks and commons, in said city of Dover, and shall have the expenditure of all appropriations which the city councils of said city shall from year to year vote for such purposes; and all bills for expenditures from the appropriations voted from year to year by the city councils for such purposes, shall be approved by said board before the same are paid by the city treasurer.

SECT. 3. Said board of street and park commissioners shall, upon entering upon the duties of their office, appoint a superintendent of streets, and so many assistant surveyors of highways as may be necessary, who shall hold office during the pleasure of the board; they shall also appoint such other subordinate officers and agents to carry out the provisions of this act as they shall deem expedient, and fix their compensation; they may remove any of said officers and agents at pleasure, and make such rules and regulations for their own government, and for the conduct of the superintendent of streets, assistant surveyors of highways, and all other subordinate officers and agents, and for the control and management of horses, wagons, tools, buildings, and other property, provided for performing any of the aforesaid works, as they shall deem expedient.

To appoint
superintend-
ent, etc.

SECT. 4. Said board of street and park commissioners shall, annually in the month of January, send to the joint standing committee on finance of the city councils, an estimate of the appropriations required for the maintenance of the public parks and commons for the ensuing year, and for the building, constructing, repairing and maintaining of the streets, highways, lanes, alleys, sidewalks, public sewers and drains of said city for the ensuing year, and in no case shall the expenditures for any given year exceed the available resources of the department represented by the appropriations specifically provided by the city councils, and the available income. And they shall make a detailed report to the city councils of the doings of said board for the year ending December 31st, of each year.

To furnish
annual
estimates.

SECT. 5. The commission appointed under this act shall continue in office the present superintendent of streets for said city of Dover, until December 31st, 1903, the term for which he was elected.

Present super-
intendent
continued.

SECT. 6. The said board of street and park commissioners shall be paid for all their services the sum of five hundred dollars per annum, to be divided as said board may determine; the superintendent of streets shall receive in full for all the duties appertaining to his office, the sum of one thousand dollars per annum; the city civil engineer, when professionally employed by the said board, shall receive for his services a sum not to exceed five dollars per day. All the above salaries to be paid monthly, from the resources of the department.

Compensation
of commis-
sioners, etc.

Repealing
clause; act
takes effect
on passage.

SECT. 7. All acts and parts of acts inconsistent with this act are hereby repealed so far as the city of Dover is concerned; and this act shall take effect upon its passage.

[Approved February 24, 1903.]

CHAPTER 224.

AN ACT TO ESTABLISH THE LISBON VILLAGE DISTRICT.

SECTION	SECTION
1. Limits; may adopt act.	9. Borrowing money.
2. Special precinct meeting.	10. Bond of treasurer.
3. Powers of precinct.	11. Reports of commissioners; audit of accounts.
4. Officers and duties.	12. Fiscal year; annual meeting.
5. Additional powers.	13. Check-list.
6. Chief engineer and assistants.	14. Precinct a corporation.
7. Highway and sewer taxes.	15. Takes effect when; repealing clause.
8. Taxes, how voted and collected.	

Be it enacted by the Senate and House of Representatives in General Court convened:

Limits; may
adopt act.

SECTION 1. The Lisbon Village district shall comprise the Lisbon Village precinct established under laws heretofore in force and may adopt the provisions of this act.

Special pre-
cinct meet-
ing.

SECT. 2. The special meeting for the adoption of this act may be called by any justice of the peace, upon the petition of ten or more legal voters in said district, in the same manner as town meetings may be called by a justice of the peace.

Powers of
precinct.

SECT. 3. The said district shall have all the rights and be subject to all the liabilities now belonging to it, and shall have all the powers granted to village districts under chapter 53 of the Public Statutes, including the extinguishment of fires, the lighting and sprinkling of streets, the planting and caring for shade and ornamental trees, the supply of water for domestic and fire purposes, the construction and maintenance of sidewalks and main drains or common sewers, and the appointing and employing of watchmen and police officers, and the said district shall have all the powers in relation to these objects that towns have or may have in relation to like objects, and all that are necessary for the accomplishment of its purposes.

Officers and
duties.

SECT. 4. The legal voters of said district, at each annual meeting, shall elect by ballot a moderator, a clerk, a treasurer, an auditor, and three commissioners, all of whom shall be residents of the district. All of said officers shall be elected by a majority vote of all the legal voters present and voting at the annual meeting. The moderator, clerk, treasurer, and auditor shall hold their offices for one year and until their successors

are chosen or appointed and qualified. At the annual meeting at which this act shall be adopted, or, if it shall be adopted at a special meeting, at the next annual meeting thereafter, one commissioner shall be elected to serve for one year, one for two years, and one for three years, and thereafter at each annual meeting one commissioner shall be elected to serve for a term of three years. The moderator, clerk, treasurer, and commissioners shall severally qualify, and possess the same powers and perform the same duties in respect to the district's meetings and business affairs that the moderator, clerk, treasurer, and selectmen of towns respectively possess and perform in respect to like matters in towns. The commissioners shall fill vacancies in the offices of clerk and treasurer and in their own board in the same manner as selectmen are required to fill vacancies in corresponding town offices.

SECT. 5. The commissioners shall have, within the district, all the powers conferred by existing law upon the mayor and aldermen of cities respecting highways, sidewalks, and sewers; all the powers of city councils to regulate the use of public highways, sidewalks, and commons, as prescribed in section 10, sub-section 7, chapter 50 of the Public Statutes; all the powers of selectmen of towns respecting the locating and licensing of lines, of wire, poles, and other structures of telegraph, telephone, electric light, and electric power companies, as prescribed in chapter 81 of the Public Statutes, and respecting the granting of permits for riding bicycles without limit of speed, as prescribed in chapter 93 of the Laws of 1897, and respecting the protection and preservation of ornamental and shade trees, as prescribed in chapter 40 of the Public Statutes and chapter 85 of the Laws of 1895; all the powers of firewards as prescribed in chapter 115 of the Public Statutes, and of city councils as prescribed by section 10, sub-section 8, chapter 50 of the Public Statutes; and all the powers of health officers of towns as prescribed in chapter 108 of the Public Statutes, and of city councils as prescribed in section 10, sub-section 13, chapter 50 of the Public Statutes. The commissioners shall control and direct the expenditure of all moneys raised under authority of the district and by the town for expenditure in the district. They shall have sole authority to appoint a highway surveyor in said district, and in default of such appointment shall themselves perform the duties of that office. The surveyor or commissioners performing the duties of highway surveyor in the district shall give bond to the town to account for all money coming into their hands and for the proper care and custody of the property of the town or district which may come into their custody or control, and shall be deemed officers of the town. Nothing in this act shall be construed to impose any distinct or special liability upon the district respecting highways which is not by law imposed on any other highway district in said town.

Additional
powers.

Chief engineer and assistants.

SECT. 6. The commissioners may, if they think proper, appoint a chief engineer and two assistant engineers, who shall perform at fires the duties now devolving upon firewards, or fire engineers. The clerk of the district shall forthwith, after any election of firewards or engineers, report their names and post-office addresses to the town clerk.

Highway and sewer taxes.

SECT. 7. The district at its annual meeting shall determine what amount of money in addition to the highway taxes to be levied by the authority of the town shall be raised in the district, and what amount shall be raised for sewers. All taxes for sidewalks, highways, and sewers in the district shall be raised in money, whether by the authority of the town or district; *provided*, that nothing in this act shall be construed to derogate from the powers and duties of the town and selectmen to provide for ordinary and extraordinary repairs of bridges, culverts, highways, and embankments, and for the construction of new highways that may be laid out in the town.

Taxes, how voted and collected.

SECT. 8. The said district may vote to raise money at any legal meeting, in addition to the amount raised by the town, for expenditure in the district for any lawful purposes, including the making and repairing of highways, sidewalks, and sewers in the district, to purchase materials, tools, and apparatus, to purchase and lease land and buildings, to erect suitable buildings for the use of the district, but the land purchased for the district buildings and storage of its property shall not exceed one half-acre. All votes to raise money by taxation shall be certified by the clerk of the district and transmitted within ten days to the selectmen of the town, and the sums so voted shall be assessed, collected, and paid over from the town treasury upon the order of the selectmen to the treasurer of the district. The power to abate and correct the assessment of such taxes shall belong to the board authorized to assess them, and aggrieved parties shall have the same remedies for relief as in case of town taxes. The commissioners shall draw orders upon the treasurer of the district for the payment of all accounts and claims against the district allowed by them, and take proper vouchers therefor. All highway and sewerage taxes levied in the district shall be collected in money by the collector of other taxes in town, and, in the first instance, paid into the town treasury. A separate account of the same shall be kept by the town treasurer, but said funds shall be expended and accounted for by the district commissioners.

Borrowing money.

SECT. 9. The commissioners, upon authority given them by vote of the district at any annual meeting or special meeting called for that purpose, may borrow money upon the credit of the district, to be used only for the purposes of the district, upon such time of credit, at such rate of interest, and to such an amount, as may by vote of the district be specially authorized.

SECT. 10. The district treasurer shall within six days after his election or appointment, and before entering upon the duties of his office, give bond to the district with sufficient sureties to the acceptance of the district or the commissioners for the faithful performance of his official duty, in form like that of county officers, and in default thereof the office shall be vacant.

Bond of treasurer.

SECT. 11. The district commissioners shall annually prepare and submit in printed pamphlets a detailed account of all their transactions, their receipts and expenditures, with itemized statements of the prices paid for labor and material, to whom, for whom, and for what all such payments have been made, a statement of the indebtedness of the district, if any exists, and of all outstanding bills due or claimed to be due against the district at the close of the fiscal year. Such accounts shall be audited by the district auditor before the first day of March in each year, and in his report said auditor shall specify any illegal expenditures that he may find in the transactions of the commissioners or of the surveyor of the district.

Reports of commissioners; audit of accounts.

SECT. 12. The fiscal year for the district shall end on the 15th day of February. The annual meeting shall be holden in the month of March after the second Tuesday. In case of the neglect or refusal of the commissioners to warn a meeting or insert an article in a warrant, or of failure to hold an annual meeting within the period limited by this act, it shall be called and warned in the same manner as in like cases in towns.

Fiscal year; annual meeting.

SECT. 13. Upon petition of ten or more legal voters to the commissioners of the district, they shall prepare, post, and correct a check-list of the legal voters of the district for use at any meeting, as supervisors of check-lists are required to do in case of towns; and such check-list may be used in the election of officers, or otherwise, as a check-list may be used in town meetings.

Check-list.

SECT. 14. The village district of Lisbon is declared to be a municipal corporation within the meaning of the "Municipal Bonds Act, 1895," and to have the power and authority vested in municipal corporations by the said act.

Precinct a corporation.

SECT. 15. This act shall take effect upon its adoption by said district, except that if it shall be adopted at any special meeting, the terms of office of all persons then holding district offices in said district shall continue until its next annual meeting; and thereupon all acts and parts of acts inconsistent herewith shall be repealed so far as they or any of them shall be applicable to said district.

Takes effect when; repealing clause.

[Approved February 24, 1903.]

CHAPTER 225.

AN ACT IN AMENDMENT OF THE CHARTER OF THE CITY OF BERLIN.

SECTION

1. Salary of mayor.
2. Salary of city clerk.
3. Compensation of city officers.

SECTION

4. Repealing clause; act takes effect when; popular vote on separate questions.

Be it enacted by the Senate and House of Representatives in General Court convened:

Salary of
mayor.

SECTION 1. Amend section 12 of said charter by striking out the word "two" in the twelfth line and inserting in the place thereof the word four, so that said section as amended shall read as follows: SECT. 12. The mayor of said city shall be chosen annually, and shall have a negative upon all the acts of the council to which his veto power would extend had the city government herein constituted provided for a board of aldermen, and such veto power shall extend to individual items of appropriations. He shall preside in all meetings of the city council, but shall have no vote except in case of an equal division. In his absence, the council may elect one of their number chairman, who shall have all the powers and perform all the duties of mayor during his absence or disability, or during a vacancy in said office from any cause. The mayor shall receive for his services an annual salary of four hundred dollars, payable semi-annually, which shall be in full for all services of every kind rendered by him in said office.

Salary of city
clerk.

SECT. 2. Amend section 13 of said charter by striking out the word "two" in the fourth line and inserting in the place thereof the word four, so that said section as amended shall read as follows: SECT. 13. The mayor and council shall annually, on the last Monday of March, meet for the purpose of taking their respective oaths, and shall elect a city clerk, who shall be clerk of the city council and have a salary of four hundred dollars per annum.

Compensation
of city offi-
cers.

SECT. 3. Amend section 14 of said charter by striking out the words "seventy-five" in the third line and inserting in the place thereof the words, one hundred and twenty-five. Further amend said section by adding after the words "per annum" in the fourth line, said assessors shall, in addition to said one hundred and twenty-five dollars each, be allowed the sum of one hundred dollars per annum for clerk hire. Further amend said section by striking out the word "fifty" in the seventh line and inserting in the place thereof the words, one hundred and fifty. Further amend said section by adding after the first paragraph, Said councilmen shall receive a fee of two dollars each for actual attendance at regular monthly meetings; and in addition

thereto an annual salary of twenty dollars shall be paid to each member of the committee of roads and bridges and the committee of accounts and claims. Further amend said section by inserting after the word "removed" in the second line of the second paragraph the words, for cause, so that said section as amended shall read as follows: SECT. 14. Said council shall also, within one week of said annual meeting, appoint a board of three assessors, one from each ward, who shall receive for their services one hundred and twenty-five dollars each per annum; said assessors shall, in addition to said one hundred and twenty-five dollars each, be allowed the sum of not exceeding one hundred dollars per annum for clerk hire; and said council shall also, within thirty days of said annual meeting, appoint a board of health of not more than three persons, a city treasurer, who shall also serve as treasurer of the board of education and receive as compensation one hundred and fifty dollars per annum, a city auditor, a collector of taxes, a city solicitor, a city marshal and police officers, a highway commissioner, a chief engineer and assistant engineers of the fire department; and may create such other governmental departments and elect or appoint such other officers or agents as are necessary for the good government of the city, not otherwise provided for. Said council shall receive a fee of two dollars each for actual attendance at regular monthly meetings, and in addition thereto an annual salary of twenty dollars shall be paid to each member of the committee of roads and bridges and the committee of accounts and claims.

The term of such officers shall be for one year, and until their successors are elected and qualified, unless sooner removed for cause, but all officers and agents shall be subject to removal by the city council. The compensation of officers and agents whose salary is not fixed shall be only such as may be fixed by the city council.

SECT. 4. All acts and parts of acts inconsistent with this act are hereby repealed, and this act shall take effect on the 30th day of March, 1903. *Provided, however*, that the voters of said city of Berlin shall, at their next annual meeting, adopt the same by majority vote. *Provided, also*, that only such of its provisions as are so ratified shall go into effect.

Repealing
clause; act
takes effect
when; popular
vote on
separate ques-
tions.

A separate vote shall be taken and recorded upon each of the foregoing sections and all independent provisions thereof, and for that purpose the following list of questions shall be inserted in the warrant of the said annual meeting and printed in full upon the official ballot to be used for the election of officers at said meeting, viz:

1. Shall your mayor receive for his services an annual salary of four hundred dollars, instead of two hundred dollars, as heretofore?

2. Shall your city clerk receive for his services an annual salary of four hundred dollars, instead of two hundred dollars, as heretofore?

3. Shall your three assessors receive for their services one hundred and twenty-five dollars each per annum, instead of seventy-five dollars each per annum, as heretofore?

4. Shall your assessors be hereafter allowed the sum of one hundred dollars for clerk hire?

5. Shall your city treasurer receive an annual salary of one hundred and fifty dollars, instead of fifty dollars, as heretofore?

6. Shall each one of your councilmen be paid a fee of two dollars for their actual attendance at the regular monthly meetings?

7. Shall the members of the committee on roads and bridges of your city council, and those of the committee on accounts and claims receive hereafter an annual salary of twenty dollars each?

8. Shall your city officers be removed hereafter for cause only?

[Approved February 24, 1903.]

AN ACT AUTHORIZING THE TOWN OF HUDSON TO CONSTRUCT WATER-
WORKS AND ESTABLISH AN ELECTRIC LIGHT PLANT.

SECTION

1. Water-works authorized.
2. May purchase or take certain property; assessment of damages.
3. May furnish electric light and power.
4. Board of commissioners authorized.

SECTION

5. Compensation of commissioners; organization and duties.
6. Funds to defray expense.
7. Takes effect when.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

Water-works
authorized.

SECTION 1. The town of Hudson is hereby authorized to construct, maintain and manage works for supplying said town with water for extinguishing fires and for other uses for which water may be required and for that purpose may purchase, take and hold all real estate required therefor and may erect and maintain such dams, reservoirs, buildings and other structures as may be necessary therefor, and may dig trenches and break up ground in highways, streets and other public places, and lay and maintain pipes for conducting water therein, and relay and change the same from time to time, having due regard in the prosecution of said work to the safety and convenience of the public travel. Said town is also hereby authorized and empowered to purchase of the corporation known as

the Hudson, N. H., Water-works Company all the real estate, water-rights, dams, reservoirs and other structures, steam engines, force pumps, pipes, and other fixtures of said corporation and constituting their water-works, at a price to be agreed upon or determined by the parties. The said estate, rights, and property, so purchased or taken, shall be vested in said town, and be held and managed as a part of the water-works of the town, in the same manner and to the same extent as if the same had been originally constructed under the authority of this act.

SECT. 2. It shall be lawful for the said corporation, known as the Hudson, N. H., Water-works Company, to sell and convey, and for the said town to purchase and take a conveyance of the real estate, rights, and property aforesaid of said corporation and of all their corporate franchises, powers and privileges under their charter, so far as the same are necessary to be conveyed for the use and enjoyment by the town under such conveyance of the estate, rights and property aforesaid, to the same extent and in the same manner as the same may be used and enjoyed by said corporation under its charter; but if the same cannot be purchased by the town upon reasonable terms, then it shall be lawful for said town to take and hold said estate, rights, property, franchises, powers and privileges for the purposes of this act and so far as may be necessary for said purposes, in manner following; that is to say,—the said town shall apply, by petition, to any two justices of the superior court for the appointment of a committee of three competent and disinterested persons to assess the damages to said corporation for the estate, rights and property so taken, and the said justices, upon notice to and a hearing of the parties, shall appoint such committee and certify under their hands said appointment to each of said committee, designating therein the person to act as chairman. The said committee upon reasonable notice to the parties, shall make examination of the estate, rights and property aforesaid, and hear the parties, and if, in the opinion of the committee, any of the estate, rights and property aforesaid are necessary to be taken by said town for the purposes of this act, they shall estimate and assess the damages to said corporation for taking the same, and as soon as may be make report and award of said assessment under their hands, or the hands of a majority of them to the said justices. They shall set forth in said report with reasonable certainty, a description by metes and bounds or other particular description of the estate, rights and property for taking which the damages are assessed, and shall determine and set forth in said report the time or times for the payment of said damages and the security to be given for such payment. The said justices on notice to and a hearing of the parties may accept said report or for cause reject or recommit the same, and if recommitted, they shall certify to the committee the grounds or causes for recommitment; and a

further hearing may be had before the committee, upon due notice to the parties, for the purpose of removing, if it may be, said grounds or causes. If the report is accepted by said justices, whether without or upon recommitment it shall be filed in the office of the town clerk of said town, with the certificate of said justices thereon that it is accepted by them; and upon payment or tender by the town to said corporation of the damages so assessed or of the securities for the payment thereof agreeably to said report, the said estate, rights and property so described in said report, and for taking which said damages are assessed, shall vest in and be held by said town.

May furnish
electric light
and power.

SECT. 3. The said town of Hudson is hereby further empowered and authorized for the purpose of lighting its streets and public buildings and the furnishing of electric power to establish and maintain an electric plant and for the purpose aforesaid may erect and maintain poles and extend wires over or under the streets in said town, and may take, purchase, and hold in fee simple or otherwise any real or personal estate and any rights therein necessary for carrying into effect the purposes of this act; and may purchase, erect, construct, and maintain such machinery, dams, reservoirs, buildings, and other things as may be necessary for said electric light works, and to excavate and dig ditches in any highway, place, square, pass-way or common, or other place, through which it may be deemed necessary and proper to construct said electric light works, and to relay, change, and repair the same at pleasure, having due regard for the safety of its citizens and the public travel.

Board of com-
missioners
authorized.

SECT. 4. For the more convenient management of said water-works and said electric plant, the said town may place the construction, management, control, and direction thereof in a board of water and lighting commissioners, to consist of three citizens of the town, said commissioners to be vested with such powers and duties relating to the construction, control, and management of the same as may from time to time be prescribed by said town. Their term of office shall be for three years and until their successors are elected and qualified. The first board of commissioners may be chosen by the legal voters of the town at the next or any subsequent annual meeting, or at any special meeting duly called for that purpose, and their successors shall be elected at each annual meeting thereafter; *provided, however*, that of those first elected, the term of one shall expire at the first annual meeting after the first board is elected, one at the second annual meeting held thereafterwards, and one at the third annual meeting held thereafterwards, and after the first election one shall be elected for three years at each annual meeting, to fill the occurring vacancy; *provided, also*, that the term of service of the commissioners first elected shall be designated at the time of their election. Said commissioners may

be appointed by the selectmen of said town if the town shall fail to elect, or if the town at any annual meeting vote to authorize and instruct the selectmen to make the appointment.

SECT. 5. The compensation of such commissioners shall be fixed by the town. They shall be sworn to the faithful discharge of their duties. They shall annually organize by choosing one of their number as chairman of their board, and another member as clerk of their board, who shall keep a proper record of their doings. Said board shall appoint a superintendent of the plant, and such other officers and agents as they may deem necessary; and they shall furnish the town clerk certificate of their organization and appointments, and the town clerk shall record the same in the records of the town. The commissioners shall fix the compensation of all officers and agents appointed by them, and all officers and agents shall be sworn to the faithful discharge of their duties. Whenever a vacancy shall occur in said board from any cause, the remaining members of the board shall certify that fact to the selectmen of the town, who shall fill such vacancy temporarily by appointing a citizen of said town in writing, which appointment shall be filed with the town clerk and recorded by him on the records of the town; and the person so appointed shall hold the office until the next annual town meeting after his appointment, when the town shall elect a commissioner to fill out the unexpired term, if any, of the person whose office became vacant and was so temporarily filled by appointment. Said commissioners shall annually make a report to the town, at the time other town officers report, of the condition of said water-works and lighting plant financially and otherwise, showing the income from said water-works and lighting plant, the funds belonging to their departments, the expenses of maintenance the cost of works and plant, and operating expenses, and such other facts and information as the town should have, which report shall be published each year in the annual report of said town.

Compensation of commissioners; organization and duties.

SECT. 6. The said town is authorized to levy taxes to defray the expense of said works, and to hire money not exceeding in the whole sum of fifty thousand dollars, and to issue therefor the notes, bonds or other obligations of the town payable at such times and on such interest as the town at any legal meeting may determine; and such notes, bonds or other obligations shall be valid and binding on the town.

Funds to defray expense.

SECT. 7. This act shall be submitted for acceptance to the voters of said town at the next town election, that the same may be legally submitted, and if accepted by a majority of those voting thereon at such election it shall thereupon take full effect.

Takes effect when.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*Corporation
constituted;
purposes and
powers.

SECTION 1. That Edward Hardy, Silas M. Spalding, Charles B. Richardson, Joseph Gates, Charles M. Stratton, Henry G. Cameron, Elbridge J. Farley, Charles A. Colburn, George B. Cleasby, Homer Roby, George A. Ladd, Charles E. Hardy, Willis E. Hardy, George S. Hazard and Marcellus J. Powers, all of Hollis, in the county of Hillsborough and state of New Hampshire, their associates, successors and assigns, are hereby made a body corporate by the name of the Nashua

and Hollis Electric Railway Company, with power to construct, maintain and use a railroad with convenient single or double track, with necessary and convenient sidings, turnouts, switches and side-tracks, from a point at the Nashua Street Railway on Amherst street in Nashua, N. H., where Broad street intersects said Amherst street; thence westerly on Broad street, and the Main road from Nashua to Hollis to a point near the Congregational church in Hollis Center; thence westerly to Main street; thence southerly along Main street to the first road turning to the right south of the present homestead of Jefferson Farley; thence southwesterly following said last mentioned road past the house of Samuel A. Worcester to a point where said road crosses the state line, said roads being situate in the city of Nashua and town of Hollis, in the county of Hillsborough and state of New Hampshire: And to erect and maintain in and upon said highways or bridges and such public and private land as may be necessary, poles, wires, and all necessary appliances to operate said railroad by electricity or by any other motive power except steam. Said corporation may also construct and maintain suitable buildings, dams, water motors, engines, electric and other machinery and apparatus for the operation of said railroad, and are hereby authorized to furnish power, and light, and to sell the same, to make contracts pertaining thereto, and to collect tolls therefor.

SECT. 2. The capital stock of said corporation shall not exceed one hundred and fifty thousand dollars, and shall be divided into shares of a par value of one hundred dollars each, but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the operation thereof, and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time, shall be determined and issued in accordance with the provisions of the general laws.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town or the board of mayor and aldermen of the city in which said portions of highways or streets may be. The selectmen of the towns, or mayor and aldermen of cities, respectively, upon petition of the directors of said railway for a location of its tracks over or on any public highway upon the line of said route, shall give notice by publication to all parties interested, of the time and place at which they will consider said petition for location in the public highways of said town or towns, city or cities, and after a public hearing of all persons interested, they may make an order granting the same or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and

the location thus granted shall be deemed to be the true location of the tracks of said railway. But upon the petition of any party interested, and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen, boards of mayor and aldermen, or their successors in office, if in their judgment the public good requires such change; but, if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change of location shall be apportioned by the board of railroad commissioners between the railway and the city or town, as such board may deem just. The boards of mayor and aldermen of cities and selectmen of towns shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying out of highways.

How laid out elsewhere.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter.

Location of tracks.

SECT. 5. The selectmen of the towns and the board of mayor and aldermen of cities through which said railway shall pass shall, within their respective towns or cities, have exclusive and final jurisdiction to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

Selectmen may make certain regulations.

SECT. 6. The boards of mayor and aldermen of cities and the selectmen of the towns through which said railway shall pass, respectively, may designate the quality and kind of material to be used in the construction of said railway within their said towns or cities, and may from time to time make such reasonable orders, rules, and regulations, with reference to that portion of said railway occupying the public highways in their respective towns or cities, as to the rate of speed, the manner of operating said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their respective towns or cities.

Rights reserved to towns.

SECT. 7. Said towns and cities, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation.

SECT. 8. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the respective towns or cities, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks, and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

Company to keep highways in repair.

SECT. 9. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein.

Subject to general law.

SECT. 10. No bonds, coupon notes or other evidences of indebtedness, payable at periods of more than twelve months from the date thereof, shall be sold or disposed of by said company for a less sum to be paid to said company in cash than the face value thereof.

Bonds, not to be sold at less than par.

SECT. 11. All bonds, coupon notes and other evidences of indebtedness at any time issued by said company shall be issued and sold to *bona fide* purchasers in such manner and subject to such restrictions as the board of railroad commissioners may prescribe, and said company shall not apply any part of the proceeds of said bonds for the original construction or equipment of its plant except in accordance with the approval of the railroad commissioners.

Restrictions on sale of bonds, etc.

SECT. 12. Any three of the grantees may call the first meeting by publication, or by giving personal notice to the other grantees, at least ten days prior to the time of the meeting.

First meeting.

SECT. 13. This act shall take effect on its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage.

Takes effect on passage; void as to parts not built in two years.

CHAPTER 250.

AN ACT TO CHANGE THE NAME OF THE NEW HAMPSHIRE HEALTH AND ACCIDENT INSURANCE COMPANY, AND TO FURTHER DEFINE ITS POWERS AND PRIVILEGES.

SECTION

1. Name changed.
2. Powers of corporation.
3. Deposit of securities.
4. Securities not to be alienated.
5. Indorsement of policies.
6. No obligation on part of state.
7. Policies, how charged against company.

SECTION

8. Reports to commissioner.
9. Access to books.
10. Withdrawal of securities.
11. Fees to be paid.
12. Proceedings if company unsafe.
13. Repealing clause.
14. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Name
changed.

SECTION 1. The name of the New Hampshire Health and Accident Insurance Company is hereby changed to State Security Life and Accident Company, hereinafter called the company.

Powers of
corporation.

SECT. 2. It may issue policies of insurance upon the lives or health of persons, or of indemnity for injury, disability or death by travel or general accident, and any form of insurance appertaining thereto, but shall engage in no other line of insurance. Except as in this act otherwise provided, it shall exercise the powers and privileges and be governed by the restrictions of the act of February 27, 1901, incorporating said company.

Deposit of
securities.

SECT. 3. It shall deposit securities of the kind authorized by law for the investment of savings-bank funds with the state treasurer (who shall issue his receipt for same) for the common benefit of all the holders of its life policies. Such securities shall be held in trust for the purposes and objects specified in this act.

Securities not
to be alien-
ated.

SECT. 4. Such securities shall not be alienated from the purposes of such trust, nor transferred except by the state treasurer under his seal of office, upon the written application, under its corporate seal, of the company or of a receiver thereof, in compliance with the laws of the state relating to such transfers.

Indorsement
of policies by
commissioner.

SECT. 5. The company shall deliver to the insurance commissioner the policies engraved or printed and written and duly signed. On their receipt the commissioner shall cause to be stamped upon the face or filing page thereof the words, The reserve on this policy is secured by pledge of stocks, bonds or securities, with the seal of the insurance department, and the policy shall be returned to the company.

SECT. 6. The state shall not be deemed to have incurred any obligation to pay the policies so issued, beyond the proper application of the securities so deposited towards their liquidation, as in this act provided.

No obligation assumed by state.

SECT. 7. The company shall be charged by the insurance commissioner upon the delivery of such policies with the amounts of the net present value thereof valued by the actuaries' table (such table to be furnished by the company) of mortality with four per cent. interest according to the amount and number of premiums paid annually, semi-annually or quarterly thereon and the terms thereof, but in no case shall the amount of such value exceed in the aggregate the value of securities deposited under the provisions of this act.

Policies, how charged against company.

SECT. 8. The company shall annually on July 1st or within sixty days thereafter report to the insurance commissioner under the oath of its president and secretary the exact condition of its life policies and of the premium account thereof, and shall deposit with the state treasurer additional and similar securities to an amount equal to any increase in value of the policies heretofore issued and which shall remain in force, valued by the same rule as upon the issue thereof. The securities thus from time to time deposited, or so large an amount thereof as may be necessary to equal at all times the net value of all outstanding life policies of the company, shall be held by the state treasurer in trust, as hereinbefore provided, until the obligation of the company, under such life policies, shall, to the satisfaction of the insurance commissioner, be fully liquidated, cancelled and annulled.

Reports to commissioner.

SECT. 9. The insurance commissioner of the state, and any person duly authorized by the company, shall, at all times, in the usual office hours, have access to the books and other documents in the state treasurer's office relating to the deposit made and policies issued under the provisions of this act, and to such securities as may be necessary for the examination thereof.

Access to books.

SECT. 10. The company may at any time withdraw any excess of securities above the net present value hereinbefore specified, upon satisfying the insurance commissioner by written proof to be filed in the department that such excess exists, and shall be allowed to receive the interest on all securities deposited and to exchange such securities at any time by substituting others of equal value.

Withdrawal of securities.

SECT. 11. The company shall pay to the insurance department a fee of one dollar for each policy so stamped and countersigned. Such fees, less such amount as may be required for the clerical work necessary for executing the provisions of this act, not exceeding five hundred dollars per annum, shall be covered into the state treasury.

Fees to be paid.

Proceedings
if company
unsafe.

SECT. 12. If at any time the affairs of the company, in the opinion of the insurance commissioner, appear to be in such a condition as to render the issuing of additional policies by it injurious to the public interests he shall report the fact to the attorney-general, who shall bring such action or institute such proceedings as may be authorized by law to be taken against an insolvent insurance corporation. If in any such action or proceedings it shall appear to the satisfaction of the court that the assets and funds of the company are not sufficient to justify its further continuance of the business authorized by the provisions of this act, it shall enjoin and restrain the company from the further transaction of its business and appoint a receiver of its assets and credits, who, upon filing his bond to the people of the state in an amount and with sureties approved by the court, conditioned for the faithful performance of his duties, shall take possession of all such assets and credits, including the securities deposited with the state treasurer. The company shall not be considered insolvent and no receiver shall be appointed if it has actual funds invested of a net cash value equal to its outstanding liabilities, and a sufficient reserve on policies and claims not matured, calculated according to the actuaries table of mortality with interest at four and one-half per cent. : but if its premium reserve fund, calculated according to the actuaries' table of mortality with interest at four per cent. is shown to be impaired it shall not issue new policies until such impairment is made good, and the certificate of the insurance commissioner is issued to it to that effect. The capital stock shall not be considered as a liability in making the computations provided by this section.

Repealing
clause.

SECT. 13. All acts and parts of acts inconsistent with this act are hereby repealed.

Takes effect
on passage.

SECT. 14. This act shall take effect upon its passage.

[Approved March 3, 1903.]

- 13. Takes effect on passage; void as to parts not built in two years.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

SECTION 1. That Isaac Randall, James W. Sanborn, Arthur M. Emerson, George R. Bennette, George Palmer, William A. Emerson of Hampstead, Orrin Randlett of Lowell, Mass., George A. Sawyer, Eugene E. Sawyer, Herbert N. Sawyer, George P. Dow, Herman Noyes of Atkinson, Edson E. Peaselee, Charles W. Cass, and John W. Sleeper of Plaistow their associates, successors and assigns, are hereby made a corporation by the name of Hampstead and Haverhill Street Railway Company, with power to construct, maintain and operate a railway with convenient branches, connections, sidings, poles, wires, turnouts and switches from some convenient point in the town of Hampstead in the northerly corner thereof and at the Derry and Hampstead town line, thence in and through the town of Hampstead, passing between Wash pond and Island pond, and through the town of Atkinson, to Atkinson depot, thence in and through the town of Plaistow, to some convenient point on the state line, and near the stone post marking the boundary line between the states of Massachusetts and New Hampshire, and following the most direct and feasible course between the said termini, and in said towns said street railway may be constructed upon and over such highways and lands as may be necessary; and may also construct and maintain suitable buildings, dams, water and other motors, engines, electric and other machinery for the generation of electricity or other motive power except steam, for the operation of said railway.

Corporation
constituted;
purposes and
powers.

SECT. 2. The capital stock of said corporation shall not exceed seventy-five thousand (\$75,000) dollars, and shall be divided into shares of a par value of one hundred dollars each, but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power

Capital stock

for the operation thereof; and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time, shall be determined and issued in accordance with the provisions of the general laws.

How laid out
in highways.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the towns in which said portions of highways or streets may be. The selectmen of the respective towns, upon petition of the directors of said railway for a location of its tracks over or on any public highway upon the line of said route, shall give notice by publication to all parties interested, of the time and place at which they will consider said petition for location in the public highways of said respective towns, and after a public hearing of all persons interested, they may make an order granting the same or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be deemed to be the true location of the tracks of said railway. But upon the petition of any party interested, and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen, or their successors in office, if in their judgment the public good requires such change; but if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change of location shall be apportioned by the board of railroad commissioners between the railway and the town, as such board may deem just. The selectmen of the town shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying out of highways.

How laid out
elsewhere.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter.

Location of
tracks.

SECT. 5. The selectmen of the towns through which said railway shall pass, shall, within their respective towns, have exclusive and final jurisdiction to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

SECT. 6. The selectmen of the respective towns through which said railway shall pass, may designate the quality and kind of material to be used in the construction of said railway within their said town, and may from time to time make such reasonable orders, rules, and regulations, with reference to that portion of said railway occupying the public highways in their town, as to the rate of speed, the manner of operating said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their town.

Selectmen may make certain regulations.

SECT. 7. Said town, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation.

Rights reserved to towns.

SECT. 8. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the town, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks, and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

Company to keep highways in repair.

SECT. 9. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein.

Subject to general law.

SECT. 10. No bonds, coupon notes or other evidences of indebtedness, payable at periods of more than twelve months from the date thereof, shall be sold or disposed of by said company for a less sum to be paid to said company in cash than the face value thereof.

Bonds not to be sold at less than par.

SECT. 11. All bonds, coupon notes and other evidences of indebtedness at any time issued by said company shall be issued and sold to *bona fide* purchasers in such manner and subject to such restrictions as the board of railroad commissioners may prescribe, and said company shall not apply any part of the proceeds of said bonds for the original construction or equipment of its plant except in accordance with the approval of the railroad commissioners.

Restrictions on sale of bonds, etc.

SECT. 12. Any three of the grantees may call the first meeting by publication, or by giving personal notice to the other grantees, at least ten days prior to the time of the meeting.

First meeting.

SECT. 13. This act shall take effect on its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage.

Takes effect on passage; void as to parts not built in two years.

CHAPTER 255.

AN ACT AUTHORIZING THE TOWN OF LITTLETON TO ESTABLISH AND ACQUIRE A WATER AND ELECTRIC LIGHT PLANT.

SECTION

1. Water-works and electric plant authorized.
2. Right of eminent domain.
3. Assessment of damages.
4. Contracts for water supply authorized; board of commissioners created; terms of office; purchase or lease of property authorized.

SECTION

7. [5.] Expense, how defrayed.
8. [6.] Contracts and obligations of town valid.
9. [7.] May take or purchase certain property.
10. [8.] If town does not adopt act, powers to revert.
11. [9.] Repealing clause; act takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Water-works and electric plant authorized.

SECTION 1. The town of Littleton is authorized and empowered to construct, own, maintain, manage or lease suitable water-works and light apparatus, for the purpose of introducing into and distributing through said town an adequate supply of water for the extinguishment of fires, for the use of its inhabitants and for other purposes; also for lighting the streets and buildings in said town or village district, by electricity, and for such purposes may erect and maintain poles and extend wires in the streets and highways in said town or village district; and for the same purposes may take, purchase and hold, in fee simple, or otherwise, any real or personal estate and any rights therein necessary to carry into effect the purposes of this act, and to excavate and dig canals and ditches in any street, highway, or other place through which it may be deemed necessary and proper for building said water-works, to relay and repair the same at pleasure, having due regard for the safety of persons and property and the security of the public travel.

Right of eminent domain.

SECT. 2. Said town is authorized and empowered to enter upon, take and appropriate any stream, spring or pond, in the towns of Littleton, Lisbon, Lyman, Bethlehem, Franconia, Carroll, Whitefield or Dalton, not belonging to any aqueduct or water-works company to secure the same by fence, or otherwise, and dig ditches and canals, make excavations, build dams and reservoirs, through, over, in, or upon any land or enclosure in said towns, which may be necessary for said aqueduct to pass, or said excavations, dams, reservoirs, or water-works to be or exist, for the purpose of obtaining, holding, preserving or conducting such water and placing such pipes or other materials or works as may be necessary for building, operating or repairing the same. They are also authorized

and empowered to take and appropriate any land that may be necessary to protect any water supply that they may establish or acquire.

SECT. 3. In case the town or district shall not be able to agree with the owner of any property, or right taken for the purposes of this act, for the damages to be paid therefor, or in case the owner is unknown, either party may apply to the superior court for the county in which said property or right is situated, to have the same laid out and damages determined; and the court shall refer the same to three disinterested referees, to be selected and appointed by the judge of said court for that purpose, and said board of referees shall, as soon as may be thereafter, fix a time for hearing said parties and their witnesses and report their findings to the superior court, which shall issue its decree thereon, *provided however*, that if either party shall be dissatisfied with the award of said referees and shall at the first term after the coming in of the report file a notice to that effect and elect to have a trial by jury, such trial shall be had in the same manner as is provided upon the return of the assessment of damages by county commissioners in the laying of highways. *Provided, however*, that entry upon and taking of property, rights and estate, laid out and taken for the purpose of this act, shall not be postponed by reason of any failure of the parties to agree upon the compensation to be paid or by reason of proceedings being instituted by either party for the assessment of damages as provided in this act, by the said town or district, as the case may be, but said municipal corporation may enter upon, take and occupy such property, rights and estate by filing a bond to the satisfaction of the superior court or the clerk thereof conditioned on the payment of all damages that may be afterwards agreed upon or allowed in any case.

Assessment of damages.

SECT. 4. Said town is also authorized and empowered to contract with individuals and corporations for supplying them with water, lights or power, and to make such contracts and to establish such regulations for the use of water and lights as may from time to time be deemed proper; and for the more convenient and efficient management of said water and light works, the said town or district shall place them under a board of commissioners consisting of three persons, to be appointed by the selectmen of the town, if the town shall assume and exercise the powers herein given, or the commissioners of Littleton village district or said district shall assume the same, not more than two of the said commissioners to be of the same political party; *provided, however*, that of those first appointed, the term of one shall expire in one year, one in two years, and one in three years, and thereafter the commissioners shall be appointed for three years; *provided, further*, that the commissioners shall

Contracts authorized; board of commissioners created; terms of office; purchase or lease of property authorized.

annually organize their board by choosing one of their number to act as president and another to act as secretary for the ensuing year, and the secretary shall thereupon furnish to the clerk of the town, or the village district a certificate showing such organization, and the clerk shall record such certificate in the records of the town or village district. Any vacancy occurring in said board of commissioners shall be filled by the selectmen or village commissioners for the unexpired term. Said commissioners shall have full charge and control of the construction, management and maintenance of said light and water-works and the fixing of rates and the making of contracts for water and light, and may appoint a superintendent and a treasurer, who shall furnish a good and sufficient bond to the town or district, to secure the faithful performance of his duties, and other necessary officers, with such powers and duties as they may from time to time prescribe for them.

Said town is authorized, at any annual or special meeting, by a major vote of those present and voting, to construct, own, maintain, manage or lease water-works and an electric lighting plant, as herein provided; also to acquire, by purchase, the Crystal Springs Water Company of Bethlehem, N. H., its franchise and property, and to borrow or hire such sums of money, on the credit of the town or village district, as may from time to time be deemed necessary or advisable, for the purpose of defraying the expense of acquiring, constructing, maintaining and operating said water and electric light works, or said Crystal Springs Water Company, and to issue negotiable notes or bonds of the district therefor payable at such time or times and upon such terms and rates of interest as they may think proper.

Expense, how
defrayed.

SECT. 7. [5.] Said town is hereby authorized to raise by taxation, and pay in each year the interest of the notes and bonds so issued, and such part of the principal as the said town may determine, or to create a sinking fund to meet the bonds as they become due.

Contracts,
etc., valid.

SECT. 8. [6.] All contracts and obligations may be made and assumed by said town, for the purpose of acquiring any interest in any real estate or other property or rights, for the purposes and uses of the light and water-works authorized by this act, or for the purposes of adjusting any damages occasioned thereby, shall be valid and binding according to the terms thereof.

May take or
purchase cer-
tain property.

SECT. 9. [7.] Said town is hereby authorized to take or purchase the franchise and property of the Littleton Water & Electric Light Company, including its dynamos, batteries, wires, pipes, pumps, engines, boilers, mains, and all other machinery, tools, appliances and apparatus used in the manufacture, distribution and operation of said water and electric light works, and the lands, buildings and water rights connected therewith, and should said town or village district be unable to agree with

said Water & Light Company as to the price to be paid for their said property, then the same may be taken as is provided in section 3.

SECT. 10. [8.] In case the said town shall not elect by vote at a town meeting held within thirty days after the passage of this act to accept the powers herein granted to it, or in case it shall by vote within said period decline to accept the right to exercise said powers as herein granted, the Littleton village district shall have and exercise all said powers the same as if the same had been granted to it by special act of the general court.

If town does not adopt, powers revert.

SECT. 11. [9.] All acts and parts of acts inconsistent with the provisions of this act are hereby repealed and this act shall take effect upon its passage.

Repealing clause; act takes effect on passage.

[Approved March 5, 1903.]

6. Selectmen may make certain regulations.	13. Takes effect on passage; void as to parts not built in two years.
7. Rights reserved to towns.	

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. That Isaac N. Center, Daniel M. McQuesten, George W. Clyde, Arthur S. Campbell, John W. Center, Byron E. Moore, Samuel J. Corning, George M. Reid, Norris C. Griffin, Charles H. Chase, James McQuesten, Fred McQuesten, Frederick S. Center, Amos Saunders, John W. Goodspeed, George B. Boyden, William Stearns, Luke Hall, Josiah K. Wheeler, Charles W. Spalding, Kimball Webster, John J. Baker, and Philip J. Connell their associates, successors and assigns, are hereby made a corporation by the name of the Goff's Falls, Litchfield and Hudson Street Railway Company, with power to construct, maintain, and operate a railway with Corporation constituted; purposes.

convenient sidings, turnouts, and switches. Commencing in that part of the city of Manchester known as Goff's Falls, on the River road leading from Manchester to Litchfield, at a point nearly opposite the brick school in said Goff's Falls and at an iron pin set in the ground near the foot of a pole of the Postal Telegraph Cable Company marked $12^0 15'$; thence southerly through said Manchester and the towns of Londonderry, Litchfield and Hudson over and upon such highways and lands as may be necessary for the public accommodation in said Manchester and in said towns to the Old Derry road opposite the dwelling of J. K. Wheeler in said Hudson; thence easterly and southerly over and upon said Old Derry road and the Derry road so called, to Main street in said Hudson; thence over and upon said Main street to its intersection with Central street in said Hudson, near the Merrimack river bridge in said Hudson, with the right to extend said company's tracks northerly in said Manchester to connect with the tracks of the Manchester Street Railway, at the present terminus of its tracks in Goff's Falls, and southerly in said Hudson to connect with the tracks of the Hudson, Pelham and Salem Electric Railway Company and with the tracks of the Nashua Street Railway Company, and the electric cars of each of the above named corporations and the electric cars of the said Goff's Falls, Litchfield and Hudson Street Railway Company may be run over the electric lines of the other upon such terms and conditions as may be agreed upon by the parties. And said Goff's Falls, Litchfield and Hudson Street Railway Company may also construct and maintain suitable buildings, dams, water and other motors, engines, electric and other machinery for the generation of electricity or other motive power, except steam, for the operation of said railway, or may contract with any other corporation for such motive power for the operation of said railway as may be found necessary and make physical connection therefor.

Capital stock. SECT. 2. The capital stock of said corporation shall not exceed two hundred thousand dollars, and shall be divided into shares of a par value of one hundred dollars each, but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the operation thereof, and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time, shall be determined and issued in accordance with the provisions of the general laws.

How laid out in highways. SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town or towns or the board of mayor and aldermen of the city or cities in which said portions of highways or

streets may be. The selectmen of the towns, or mayor and aldermen of cities, respectively, upon petition of the directors of said railway for a location of its tracks over or on any public highway upon the line of said route, shall give notice by publication to all parties interested, of the time and place at which they will consider said petition for location in the public highways of said town or towns, city or cities, and after a public hearing of all persons interested, they may make an order granting the same or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be deemed to be the true location of the tracks of said railway. But upon the petition of any party interested, and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen, boards of mayor and aldermen, of their successors in office, if in their judgment the public good requires such change; but, if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change of location shall be apportioned by the board of railroad commissioners between the railway and the city or town, as such board may deem just. The boards of mayor and aldermen of cities and selectmen of towns shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying out of highways.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter.

How laid out elsewhere.

SECT. 5. The selectmen of the towns and the board of mayor and aldermen of cities through which said railway shall pass shall, within their respective towns or cities, have exclusive and final jurisdiction to locate the tracks, side tracks, turn-outs, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

Location of tracks.

SECT. 6. The boards of mayor and aldermen of cities and the selectmen of the towns through which said railway shall pass, respectively, may designate the quality and kind of material to be used in the construction of said railway within their

Selectmen may make certain regulations.

said towns or cities, and may from time to time make such reasonable orders, rules, and regulations, with reference to that portion of said railway occupying the public highways in their respective towns or cities, as to the rate of speed, the manner of operating said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their respective towns or cities.

Rights reserved to towns.

SECT. 7. Said towns and cities, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation.

Company to keep highways in repair.

SECT. 8. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the respective towns or cities, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks, and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

Subject to general law.

SECT. 9. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein.

Bonds not to be sold at less than par.

SECT. 10. No bonds, coupon notes or other evidences of indebtedness, payable at periods of more than twelve months from the date thereof, shall be sold or disposed of by said company for a less sum to be paid to said company in cash than the face value thereof.

Restrictions on sale of bonds, etc.

SECT. 11. All bonds, coupon notes and other evidences of indebtedness at any time issued by said company shall be issued and sold to *bona fide* purchasers in such manner and subject to such restrictions as the board of railroad commissioners may prescribe, and said company shall not apply any part of the proceeds of said bonds for the original construction or equipment of its plant except in accordance with the approval of the railroad commissioners.

First meeting.

SECT. 12. Any three of the grantees may call the first meeting by publication, or by giving personal notice to the other grantees, at least ten days prior to the time of meeting.

Takes effect on passage; void as to parts not built in two years.

SECT. 13. This act shall take effect on its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage.

[Approved March 7, 1903.]

1. Construction or purchase authorized.
2. Lighting commissioners; powers and duties.

SECTION

3. Compensation of commissioners; vacancies, how filled; annual report.
4. Appropriations for plant, etc.
5. Takes effect on passage.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

SECTION 1. That the town of Greenville in the county of Hillsborough be and hereby is authorized, for the purpose of supplying electricity for lighting its streets and public buildings and for domestic uses in said Greenville and adjoining towns, to build or acquire by purchase an electric light and power plant and to operate the same for purposes above stated, and may erect and maintain poles and extend wires above or under the streets in said town, and may take, purchase, and hold in fee simple or otherwise any real or personal estate and any rights therein necessary for carrying into effect the purposes of this act; and may purchase, erect, construct, and maintain such machinery, dams, reservoirs, buildings, and other things as may be necessary for said electric light works, and to excavate and dig ditches in any highway, place, square, passway, or common, or other place, through which it may be deemed necessary and proper to construct said electric light works, and to relay, change and repair the same at pleasure, having due regard for the safety of its citizens and the public travel, and make any contracts or arrangements necessary for carrying into effect the purposes of this act.

Construction
or purchase
authorized.

SECT. 2. For the more convenient management of said electric plant, the said town may place the construction, management, control, and direction thereof in a board of lighting commissioners, to consist of three citizens of the town, said commissioners to be vested with such powers and duties relating to the construction, control, and management of the same as may from time to time be prescribed by said town. Their term of office shall be for three years and until their successors are elected and qualified. The first board of commissioners may be chosen by the legal voters of the town at the next or any subsequent annual meeting, or at any special meeting duly called for that purpose, and their successors shall be elected at each annual meeting thereafter; *provided, however*, that of those first elected, the term of one shall expire at the first annual meeting after the first board is elected, one at the second

7. Lessee subject to law of this state.
8. Takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Transfer authorized.

SECTION 1. The Dover & Eliot Street Railway, a street railroad corporation organized under the general laws of this state, and the Eliot Bridge Company, a corporation organized under chapter 150 of the Session Laws of 1878, are hereby authorized to sell or lease their properties, capital stocks, rights, privileges, immunities and franchises to the Berwick, Eliot & York Street Railway, a corporation organized under the laws of Maine, upon such terms as may be agreed upon, and as may be approved by the railroad commissioners of this state; and upon such purchase or lease the said Berwick, Eliot & York Street Railway shall, subject to the provisions of this act, have, hold, possess, exercise and enjoy all the locations, powers, privileges, rights, immunities, franchises, property and assets, which at the time of such transfers shall then be had, held, possessed or enjoyed by the corporations so selling or leasing, or either of them, and shall be subject to all the duties, restrictions and liabilities to which they or either of them shall then be subject by reason of any charter, contract or general or special law or otherwise. Prior to such sale or lease by the Dover & Eliot Street Railway, the Eliot Bridge Company is authorized to sell or lease its property and franchises to the said Dover & Eliot Street Railway.

Designation of agent to accept service.

SECT. 2. No such sale or lease shall be valid unless the said Berwick, Eliot & York Street Railway shall file in the office of the secretary of state, under its corporate seal, its written designation of some resident of the city of Dover upon whom service of any process issued under the authority of this state may be made with like effect as if made on said corporation. Said corporation shall from time to time file in said office a similar designation to fill any vacancy in said agency howsoever caused, and whenever there shall be no such agent on whom

process may be so served, like service may be made upon the secretary of state with like effect, and said corporation by the acceptance of the privileges of this act shall be held as assenting to such service.

SECT. 3. All proceedings, suits at law or in equity which may be pending at the time of such transfers to which either of said corporations may be a party, may be prosecuted or defended by the said Berwick, Eliot & York Street Railway in like manner and with like effect as if such transfer had not been made. All claims, contracts, rights and causes of action, at law or in equity, of or against either of said corporations so selling or leasing, may be enforced by suit or action to be begun or prosecuted by or against said Berwick, Eliot & York Street Railway.

Pending suits,
how prosecuted.

SECT. 4. When the transfers authorized by this act are carried out and fully completed the said Berwick, Eliot & York Street Railway shall be liable for the then legally existing debts and obligations of each and both of the corporations so making such transfers.

Existing
debts and ob-
ligations.

SECT. 5. Nothing herein shall be construed to authorize any increase of the capital stock of the Dover & Eliot Street Railway or of the Eliot Bridge Company, and in making the sales or leases herein authorized the stocks of said company shall not be sold, exchanged or transferred upon any basis in excess of the par value thereof.

Increase of
capital not
authorized.

SECT. 6. The said Berwick, Eliot & York Street Railway is hereby authorized to make such changes in the bridge of the Eliot Bridge Company not inconsistent with the duties, restrictions and liabilities imposed by the charter of the said Eliot Bridge Company, as may be required in the use thereof for street railway purposes, but all such changes shall be made to the satisfaction of the railroad commissioners of this state.

Certain
changes
authorized.

SECT. 7. The said Berwick, Eliot & York Street Railway in its ownership, use and management of the properties and franchises to be by it acquired under this act shall be subject to all the general laws of this state now or hereafter in force, so far as the same are applicable.

Lessee subject
to law of this
state.

SECT. 8. This act shall take effect upon its passage.

Takes effect

Corporation
constituted;
purposes.

SECTION 1. That Russell H. Fellows, William A. Goodrich, Richard R. Morris, D. Frank Fellows, Frank H. Wood, George F. Quimby, L. Waldo Collins, Perrin W. Nichols, D. Frank Battles, Joseph A. Edgerly, John H. Carr their associates, successors and assigns, are hereby made a corporation by the name of Epping, Brentwood and Kingston Street Railway Company, with power to construct, maintain and operate a railway with convenient branches, connections, sidings, poles, wires, turnouts, and switches, from some convenient point in the town of Newton at the tracks of the Haverhill, Plaistow and Newton Street Railway, thence by the most direct and feasible route, through or near that part of said Newton called Newton Junction, thence through the town of Kingston by or near Bartlett's tavern in the said town of Kingston, and through Kingston Plains, to and through West Brentwood and Crawley's Falls in the town of Brentwood to Epping Corner by the Post-office block in the town of Epping, thence to and through the northeast corner of Brentwood aforesaid, thence to and through the town of Exeter to some convenient point in said Exeter at the tracks of the Exeter, Hampton and Amesbury Street Railway; and in said towns said street railway may be constructed upon and over such highways and lands as may be necessary, and may also construct and maintain suitable buildings, dams, water and other motors, engines, electric or other machinery for the generation of electricity or other motive power, except steam, for the operation of said railway.

Capital stock.

SECT. 2. The capital stock of said corporation shall not exceed two hundred thousand dollars and shall be divided into shares of a par value of one hundred dollars each; but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the

operation thereof; and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be issued from time to time shall be determined and issued in accordance with the provisions of the general laws.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town in which said portions of highways or streets may be. The selectmen of said towns respectively, upon petition of the directors of said railway for a location of its tracks on or over any public highway upon the line of said route, shall give notice by publication to all parties interested of the time and place at which they will consider said petition for location in the public highways of said town, and, after a public hearing of all persons interested, they may make an order granting the same, or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be the true location of the tracks of said railway. But upon petition of any party interested and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen or their successors in office, if in their judgment the public good requires such change; but if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change in location shall be apportioned by the board of railroad commissioners between the railway and the town, as such board may deem just. The selectmen of said town shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided for by law in the laying out of highways.

How laid out
in highways.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter.

How laid out
elsewhere.

SECT. 5. The selectmen of the towns through which said railway shall pass, shall, within their respective towns, have exclusive and final jurisdiction to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

Location of
tracks.

Selectmen
may make
certain regu-
lations.

SECT. 6. Selectmen of the towns through which said railway shall pass, respectively, may designate the quality and kind of materials to be used in the construction of said railway within their said towns, and may from time to time make such reasonable orders, rules, and regulations with reference to their portion of said railway occupying the public highways in their respective towns, as to the rate of speed, the manner of operation of said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their respective towns, as the interest or convenience of the public may require; and all designations, orders, rules, and regulations thus made or established and all locations made by selectmen shall be forthwith recorded in the records of said respective towns. The railway company, or any person interested, may at any time appeal from such designations, orders, rules, and regulations thus made and established to the board of railroad commissioners, who shall, upon notice, hear the parties and finally determine the questions raised by said appeal.

Rights re-
served to
towns.

SECT. 7. Said towns, for any lawful purpose, may take up and repair highways occupied by said railway or may alter highways as authorized by law without incurring any liability therefor to said corporation.

2. Purposes.
3. Capital stock.
4. Directors.

SECTION

5. First meeting.
6. Void as to parts not built within ten years; takes effect on passage.

Be it enacted by the Senate and House of Representatives in General Court convened:

Corporation
constituted.

SECTION 1. That George B. James, James E. French, A. C. Kennett, John C. Morgan and Charles E. Locke, their associates, successors and assigns are hereby made a corporation by the name of the Swift River Railroad Company, with all the rights, powers, and privileges, and subject to all the liabilities, duties, and restrictions of the laws of this state relating to railroads.

Purposes.

SECT. 2. Said corporation is authorized and empowered to locate, construct, and maintain a railroad not exceeding six rods in width, with the necessary additions for excavations and embankments, from a point in the town of Conway, near the mill or spool factory now or formerly of A. C. Kennett in the village of Conway Corner, being near the tracks of the Boston & Maine Railroad; thence westerly and northerly up the Swift

river valley, through the towns of Conway and Albany, in the county of Carroll, to some convenient point in the town of Waterville or the town of Livermore, in the county of Grafton, with the right to lease said railroad to any railroad with which it may connect.

SECT. 3. The capital stock of said corporation shall consist of not more than five thousand shares of one hundred dollars each, to be determined from time to time by the board of directors; and a toll is hereby granted to said corporation upon all persons and property that may be transported by said railroad.

Be it enacted by the Senate and House of Representatives in General Court convened:

Corporation constituted; purposes.

SECTION 1. That C. E. Littlefield, W. W. Forbes, Leonard G. Smith, Orrin E. Kimbal, Carl E. York, Harry A. Piper, Fred C. Porter, S. H. Brown, E. S. George, Albert Merrill, E. S. Whitney, Frank E. Boyd, John H. Boyd, H. P. Watson, S. A. Felton, G. M. Read, J. W. Harmon, J. B. Pattee, E. S. Newton, E. B. Graupner, Jr., W. L. Mason, E. C. Smith, F.

A. Laxson, Wm. M. Parsons, James M. Moore, all of Manchester, Joseph Abbott, Ira Abbott of Rumney, Charles A. Bunker of Barnstead, their associates, successors and assigns, are hereby made a corporation by the name of the Uncanoonuc Incline Railway and Development Company, with power to construct, maintain and operate, with single or double track, with convenient sidings, turnouts and switches, from a convenient point in the southerly line of the Mast road, within the town of Goffstown, and within one mile from Shirley station, on the Boston and Maine Railroad, over and upon such highways and lands in said Goffstown as may be necessary, to some convenient point at the summit of Uncanoonuc mountains, and may also construct and maintain suitable buildings, dams, water and other motors, engines, electric and other machinery, for the generation of electricity or other motive power except steam, for the operation of said railway and for furnishing lights on its own premises only; all said power and lights are to be used in said town of Goffstown. Said corporation may purchase, sell, lease and improve real estate, and convert the same into parks and pleasure grounds, and construct and maintain suitable pavilions, casinos, restaurants, hotels and other buildings and structures for the convenience, entertainment and comfort of the public.

SECT. 2. The capital stock of said corporation shall not exceed one hundred and fifty thousand dollars, and shall be divided into shares of a par value of one hundred dollars each, but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the operation thereof, and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time, shall be determined and issued in accordance with the provisions of the general laws.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town in which said portions of highways or streets may be. The selectmen of the town, upon petition of the directors of said railway for a location of its tracks over or on any public highway upon the line of said route, shall give notice by publication to all parties interested, of the time and place at which they will consider said petition for location in the public highways of said town, and after a public hearing of all persons interested, they may make an order granting the same or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be deemed to be the true location of the tracks of said railway. But upon the petition of any party interested, and after a public hearing of all parties, the

same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen, or their successors in office, if in their judgment the public good requires such change; but, if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change of location shall be apportioned by the board of railroad commissioners between the railway and the town, as such board may deem just. The selectmen of the town shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying out of highways.

How laid out elsewhere.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter.

Location of tracks.

SECT. 5. The selectmen of the town through which said railway shall pass shall, within their town, have exclusive and final jurisdiction to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

Selectmen may make certain regulations.

SECT. 6. The selectmen of the town through which said railway shall pass, may designate the quality and kind of material to be used in the construction of said railway within said town, and may from time to time make such reasonable orders, rules, and regulations, with reference to that portion of said railway occupying the public highways in such town, as to the rate of speed, the manner of operating said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in the town.

Rights reserved to towns.

SECT. 7. Said town, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation.

Company to keep highways in repair.

SECT. 8. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the said town, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks, and shall be liable for any

damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

SECT. 9. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein. Subject to general law.

SECT. 10. No bonds, coupon notes or other evidences of indebtedness, payable at periods of more than twelve months from the date thereof, shall be sold or disposed of by said company for a less sum to be paid to said company in cash than the face value thereof. Bonds not to be sold at less than par.

SECT. 11. All bonds, coupon notes and other evidences of indebtedness at any time issued by said company shall be issued and sold to *bona fide* purchasers in such manner and subject to such restrictions as the board of railroad commissioners may prescribe, and said company shall not apply any part of the proceeds of said bonds for the original construction or equipment of its plant except in accordance with the approval of the railroad commissioners. Restrictions on sale of bonds, etc.

SECT. 12. Any three of the grantees may call the first meeting by publication, or by giving personal notice to the other grantees, at least ten days prior to the time of the meeting. First meeting.

SECT. 13. This act shall take effect on its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage. Takes effect on passage; void as to parts not built within two years.

[Approved March 25, 1903.]

CHAPTER 298.

AN ACT TO EXEMPT CERTAIN PROPERTY OF THE MANCHESTER YOUNG MEN'S CHRISTIAN ASSOCIATION FROM TAXATION.

SECTION 1. Property exempted.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. The real estate and buildings of the Young Men's Christian Association, located on Amherst street in Manchester, used exclusively for religious and social purposes, with such improvements as may be made thereon, shall be exempt from taxation so long as they are used for such purposes. Property exempted.

7. Right of eminent domain; assessment of damages.
8. May lay cables for electric current.
10. [9.] Pole locations.
11. [10.] Exemption.
12. [11.] Place of business.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. Strike out all the act after the enacting clause and insert in place thereof the following sections: SECTION 1. That Daniel C. Remich, Frank P. Bond, Henry F. Green, John Tillotson, Harry M. Morse, George Morse and Oscar C. Hatch, their associates, successors and assigns, are hereby constituted a body politic and corporate by the name of the Grafton Power Company, for the purpose of establishing, generating and operating water and electric power to be used for the purpose of manufacturing, milling, mining, heating, lighting and operating electric railways, with full power to lease or sell any power generated by them for any of said purposes or any other legal purpose within the limits of Grafton and Coös counties in the state of New Hampshire and the counties of Caledonia and Essex in the state of Vermont, with all the powers and privileges and subject to all the duties and liabilities which are legally incident to such corporations.

SECT. 2. Said corporation shall have the right to buy, sell, hold, vote, pledge and own shares of the capital stock of any other corporation having similar or partly similar franchises within the counties named in this charter. And whenever this corporation shall acquire the entire capital stock of such other corporation or corporations it may issue so much of its own stock therefor as the several corporations by a majority vote of their shareholders may determine to be reasonably equal in value to the stock or property of such other corporation, but such determination evidenced by such votes shall be filed in the office of the secretary of state before any new stock is issued, and nothing herein contained shall authorize the issue of more than one million dollars in capital stock, in all. Upon the issuing of such new stock this corporation shall become seized of the title of the other corporation to all the franchises, estate, rights and property so acquired, and shall be liable for all claims against such other corporation and shall have with

respect to the property estate and rights of said corporation all the franchises and powers it has with respect to its own property, together with all the franchises and rights formerly possessed by the corporation whose capital stock has been acquired.

Other corporations empowered to sell or lease.

SECT. 3. Any corporation or corporations in any of the counties named in the charter of this corporation and engaged, wholly or partially, in any business to be carried on by this corporation, may sell or lease its property, franchises, estate and privileges to this corporation upon such terms as the majority of the stockholders of such other company or companies and of this corporation shall agree.

Rights of dissenting shareholders.

SECT. 4. If any stockholder or stockholders of any such other corporation shall dissent from such vote of sale or lease and from such sale or lease, that corporation may proceed against him as in case of a dissenting stockholder of a railroad corporation, and all proceedings or rights acquired against such dissenting stockholder shall be the same as in the case of a dissenting stockholder of a railroad corporation, and the stock taken shall become vested in such taking corporation at the same stage of the proceedings. If any stockholder of this corporation shall dissent from such purchase or lease and vote therefor, it may proceed to take his stock as above provided.

May maintain dams.

SECT. 5. Said corporation is hereby authorized and empowered to build and maintain a dam or dams and all such works and structures as may be convenient and useful to carry into effect the objects aforesaid on, in, upon and across the Connecticut river at any feasible location or locations between the point where the lower Waterford bridge used to stand across said river connecting the towns of Littleton, New Hampshire, and Waterford, Vermont, and a point in the town of Dalton northeasterly from and so far up said river as may be and not in any way infringe upon or interfere with any franchises property or water rights now owned by the Dalton Power Company or its successors or assigns, and to make and maintain all such canals, slips and other devices as may be convenient, and to flow all such lands as may be convenient and useful in the prosecution of its business; *provided, however*, the structures authorized by this act shall in no case be of such a character as to infringe the public right of the highway for the floating of logs down said river in as free and convenient a manner as is afforded by the river in its natural condition.

Capital stock; property.

SECT. 6. The capital stock of said corporation shall not exceed the sum of one million dollars divided into shares of one hundred dollars each, the amount thereof within said authorized sum shall be fixed by the corporation at its first meeting, and it may increase its capital stock within said limits as provided by law. Said capital stock may be paid in in cash or in property taken at a just valuation, but no certificate of stock shall be

issued until fully paid for in one or the other of said ways. Said company shall have the right to acquire, own or hold, by lease, or purchase, any or all property, real, personal or mixed that may be convenient, useful or desirable for the purpose of prosecuting its business, and shall have the power to sell, mortgage, pledge or lease the properties, rights and franchises to other corporations in this state or the state of Vermont, and may issue its bonds to raise money for any lawful purpose, and may secure said bonds by a mortgage or mortgages of its property, franchises and privileges now possessed or which may be hereafter acquired.

SECT. 7. If it shall become necessary at any time for such corporation to acquire any lands or water rights to enable it to build and maintain its dam or dams, works and structures and to make and maintain its canals and slips within the limits mentioned in section 5 and it cannot agree with the owner of such land or water rights upon a price therefor, then it may file a petition in the superior court for the county of Grafton or Coös in the district in which the land and water rights lie, which petition may be filed in term or vacation describing the particular land or water rights to be taken and praying for an assessment of the damages of the owner for such taking and thereupon lawful process shall issue with order of notice to the owner which shall be served on the owner as required by the order and at said term (if filed in term) or at the next term of said court, if filed in vacation, the owner may elect a jury trial as to the assessment of damages, and his damages shall be assessed by a jury and judgment shall be entered according to the finding of the jury, and upon payment or tender to the owner by the corporation of the amount of the judgment, the corporation shall be vested with the title to the land, or water right. But if the owner elects that the petition be referred to a board of referees or to the county commissioners, it shall be so referred, and they shall proceed as county commissioners proceed in hearing and determining appeals from the award of damages in laying a highway, and judgment on their report shall be final, and upon payment or tender to the owner by the corporation of the amount of the judgment, the corporation shall be vested with the title to the land or water right. But, however the damages are assessed, if the owner does not accept the amount tendered to him, it shall be deposited with the clerk of the superior court of Grafton county or Coös county, as the case may be, subject to the owner's order before the corporation shall enter upon any land taken, or use and exercise any rights, privileges, or interest taken.

Right of eminent domain; assessment of damages.

SECT. 8. Said corporation may lay suitable cables upon the bed of the Connecticut river from bank to bank to be used for transmission of electric currents for all the purposes set forth in this charter, and may use any other method or appliances

May lay cables for electric current.

for transmission of said currents across said river, but not in any such manner as to obstruct the full and free use of said river as a public highway.

Pole locations.

SECT. 10. [9.] All pole locations granted pursuant to proceedings under chapter 81 of the Public Statutes shall be irrevocable for the term for which they are granted unless revocation is required for the prosecution of some public work.

Exemption.

SECT. 11. [10.] Section 4 of chapter 150 of the Public Statutes shall not be applicable to this corporation and its stockholders and debts.

Place of business.

SECT. 12. [11.] The principal place of business of this corporation shall be at such place in the county of Grafton or the county of Coös as may be determined by the incorporators at their first meeting, and it may be changed at any time by vote of the corporation, but must be at some place in said counties.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

Corporation
constituted;
purposes.

SECTION 1. That Arthur Thompson, E. H. Carroll, Mason T. Ela, W. N. Davis, A. J. Hook, C. B. Thompson and their associates, successors and assigns are hereby made a corporation by the name of The Kearsarge Mountain Electric Railway Company with power to construct, maintain and operate a railway with convenient sidings, turnouts and switches, from some convenient point in the village of Warner in the town of Warner and through the towns of Warner and Salisbury to some convenient point near the top of Kearsarge mountain; and may also construct and maintain suitable buildings, dams,

water and other motors, engines, electric and other machinery for the generation of electricity or other motive power, except steam, for the operation of said railway.

SECT. 2. The capital stock of said corporation shall not exceed one hundred thousand dollars and shall be divided into shares of a par value of one hundred dollars each; but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the operation thereof; and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be issued from time to time shall be determined and issued in accordance with the provisions of the general laws. Capital stock.

SECT. 3. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the towns in which said portions of highways or streets may be. The selectmen of said towns respectively, upon petition of the directors of said railway for a location of its tracks on or over any public highway upon the line of said route, shall give notice by publication to all parties interested of the time and place at which they will consider said petition for location in the public highways of said town, and, after a public hearing of all persons interested, they may make an order granting the same, or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be the true location of the tracks of said railway. But upon petition of any party interested and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen or their successors in office, if in their judgment the public good requires such change; but if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change in location shall be apportioned by the board of railroad commissioners between the railway and the town, as such board may deem just. The selectmen of said town shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided for by law in the laying out of highways. How laid out
in highways.

SECT. 4. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter. How laid out
elsewhere.

Location of
tracks.

SECT. 5. The selectmen of the towns through which said railway shall pass, shall, within their respective towns, have exclusive and final jurisdiction to locate the tracks, side-tracks, turnouts, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal.

Selectmen
may make
certain regu-
lations.

SECT. 6. Selectmen of the towns through which said railway shall pass, respectively, may designate the quality and kind of materials to be used in the construction of said railway within their said towns, and may from time to time make such reasonable orders, rules, and regulations with reference to their portion of said railway occupying the public highways in their respective towns, as to the rate of speed, the manner of operation of said railway, the reconstruction of tracks, poles, wires, switches, and turnouts within any highway in their respective towns, as the interest or convenience of the public may require; and all designations, orders, rules, and regulations thus made or established and all locations made by selectmen shall be forthwith recorded in the records of said respective towns. The railway company, or any person interested, may at any time appeal from such designations, orders, rules, and regulations thus made and established to the board of railroad commissioners, who shall, upon notice, hear the parties and finally determine the questions raised by said appeal.

Rights re-
served to
towns.

SECT. 7. Said towns, for any lawful purpose, may take up and repair highways occupied by said railway or may alter highways as authorized by law without incurring any liability therefor to said corporation.

Company to
keep high-
ways in re-
pair.

SECT. 8. Said railway corporation shall keep in repair to the satisfaction of the superintendent of streets, street commissioners, road commissioners, or surveyors of highways in the respective towns, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway at least eighteen inches on each side of the portion of the highway so occupied by its tracks; and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

Bonds not to
be sold at less
than par.

SECT. 9. No bonds, coupon notes or other evidences of indebtedness, payable at periods of more than twelve months from the date thereof, shall be sold or disposed of by said company for a less sum to be paid to said company in cash than the face value thereof.

SECT. 10. All bonds, coupon notes and other evidences of indebtedness at any time issued by said company shall be issued and sold to *bona fide* purchasers in such manner and subject to such restrictions as the board of railroad commissioners may prescribe, and said company shall not apply any part of the proceeds of said bonds for the original construction or equipment of its plant except in accordance with the approval of the railroad commissioners.

Restrictions
on sale of
bonds, etc.

SECT. 11. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein.

Subject to
general law.

SECT. 12. Any three of the grantees may call the first meeting by publication or by giving personal notice to the other grantees at least ten days prior to the time of meeting.

First meeting.

SECT. 13. This act shall not take effect until said Kearsarge Mountain Electric Railway Company shall have purchased all the property and assets of the Warner & Kearsarge Road Company whether standing in the name of said company or in the name of Nehemiah G. Ordway, meaning the property and assets used or acquired in connection with the construction and operation of the road which said Warner & Kearsarge Road Company was chartered to build, said property and assets being subject to the rights of the United States government for a telegraph or telephone line over said road under a contract with a duly authorized agent of the government named Howgate; *provided* that said Warner & Kearsarge Road Company or said Nehemiah G. Ordway, in case the title to said property stands in his name, will sell the same to said Kearsarge Mountain Electric Railway Company at the value thereof to be ascertained and determined by a board of three competent and disinterested arbitrators to be mutually agreed upon, or in default of such agreement, to be appointed by the superior court of Merrimack county upon petition of either party, and shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage.

Takes effect
when; void as
to parts not
built within
two years.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*Corporation
constituted.

SECTION 1. That E. G. Robertson, of Hinsdale, O. E. Randall and Fred Harris, of Chesterfield, Willard Bill, Jr., of Westmoreland, Windsor H. Goodnow, of Keene, and John H. Kimball, of Marlborough, all in the state of New Hampshire; and W. H. Vinton, Charles W. Dunham, Charles A. Harris, Charles R. Crosby, and J. Gray Estey, all of Brattleboro in the state of Vermont, their associates, successors and assigns, are hereby made a body corporate by the name of The Connecticut River Power Company of New Hampshire, and by that name may have perpetual succession, may sue and be sued, prosecute and defend to final judgment and execution, and shall be and

hereby are invested with all the powers, privileges, and made subject to all the liabilities, under the laws of the state applicable to corporations of a similar nature.

SECT. 2. The said corporation shall have the power and authority to construct a dam across the Connecticut river at any point in said river opposite the town of Brattleboro, Vermont, south of the mouth of the West river, together with all necessary wings, retaining walls, canals, gates, power-houses, mills and the necessary appurtenances, all to develop the water power of the Connecticut river, at the point where said dam shall be constructed, and for running and operating water mills and for erecting a reservoir of water, and for equalizing the flow of the same to its use and to the use of their mills for manufacturing and municipal purposes, and to use and sell water power from said dam and reservoir and from said water mills for municipal and manufacturing purposes, and to manufacture, produce and sell therefrom electricity for furnishing power for any and all uses, lighting the streets and the highways, lighting and heating buildings, manufactories and other places, and to enter into and execute contracts, agreements or covenants in relation to the objects of the corporation, and of enforcing the same; and any municipality to which electricity may be so furnished is hereby authorized to contract with this corporation for electricity for public uses on such terms as the parties may agree and to raise money therefor in the same manner as other town charges. Said corporation shall be capable of taking and holding any estate, real and personal, necessary for the purposes of said corporation, and which may be necessary for said corporation to acquire and hold for the purpose of securing debts accrued in the regular business of said corporation; and may for the purpose of distributing and delivering electricity for the purposes as herein provided, erect and maintain lines and conduits under, in, or upon the streets and highways of any town or city under such regulations therefor as are provided under the general laws of the state. The said corporation shall also have the power to construct and maintain a plant for producing electricity by steam power as auxiliary to the water power it may develop as herein provided. *Provided always* that the said corporation is hereby granted no right or privilege to construct any dam which will raise the water in the Connecticut river at any point within two and one half miles of the dam of the Bellows Falls Canal Company on said river, either at low, medium or high water at any season of the year, and *provided further*, that none of the structures hereby authorized shall interfere with the free use of said river as a public highway for floating logs.

SECT. 3. This corporation shall furnish to any municipality whose territory adjoins the flowage caused by said dam, electricity for lighting the streets and highways, and public build-

Charge to municipality how fixed.

ings of such municipality, and for pumping water for fire protection and domestic uses in and for such municipality, which shall be furnished to the distance of fifteen miles from said dam, in preference to any other demands for or use of such water power or electricity produced or manufactured under the provisions of this act. In case this corporation cannot agree with the officers of such municipality or municipalities as to the charge to be made for electricity furnished under the provisions of this section, either party may petition to the superior court for Cheshire county to have the amount of compensation therefor determined; and said superior court shall thereupon, on due notice, hear and determine the facts involved, either by a commission or in open court, and thereupon make such order and judgment in the premises as to the court shall seem just and reasonable. And this corporation shall then and thereupon furnish to such municipality, electricity for the purposes named in this section, under and according to the terms of such judgment and order, until the same be revised, modified or altered by said court. And in case this corporation shall wilfully fail and neglect to comply with such judgment and order, it shall forfeit the sum of twenty-five dollars per day as a penalty, to the other party, to be recovered by the other party in an action on this statute.

Assessment of
flowage dam-
ages.

SECT. 4. If in the erection, maintenance or continuance of said dam, wings, retaining walls, canals and water mills, it becomes necessary to flow water on to lands or property of any other person or persons or corporation, and this corporation cannot agree with the owner or owners thereof as to the necessity for and damage to be paid therefor, this corporation may apply by petition to the superior court for the county of Cheshire to have the necessity therefor determined and the damage that may have been or may be done thereby, assessed, and then and thereupon the same proceedings shall be had in the premises as are provided in sections 14 to 18 inclusive, of chapter 142 of the Public Statutes of New Hampshire, as amended by chapter 50 of the acts of 1893. And upon payment or tender of the damage and costs, so ascertained and determined, and not before, this corporation may proceed and continue to flow water on to said land and property. *Provided, however,* that nothing in this act shall be so construed as to authorize the taking by said corporation for the purpose of its charter of any lands or other property already appropriated and in use for railroad purposes, or which may be required for the double track of the Vermont Valley Railroad between the villages of Belows Falls and Brattleboro, Vermont: And *provided further* that the dam of this corporation shall not be flooded until the embankments, road-bed, ways, culverts and bridges of the Brattleboro & Whitehall Railroad and the Vermont Valley

Railroad in Vermont, and the highway bridge across the Connecticut river between Walpole and Westminster, are properly and effectively protected against damage, by rubble, masonry or otherwise, to the satisfaction of the engineers of said respective railroad companies, and, as to said highway bridge, to the satisfaction of the selectmen of the town of Walpole, and in case of disagreement as to the method and construction of said protection and its effectiveness or the necessity therefor, the same shall be determined by a competent board of engineers, experienced and qualified in railroad and bridge construction and work; one to be named by this corporation, one by the railroad company or town interested, and the third to be chosen by them. Any required changes in the construction of bridges including the said Walpole bridge, culverts or road-bed to be made by the railroad company or town respectively interested, or the lessees of said railroad companies, subject to the foregoing provisions, at the expense of this corporation and within a reasonable time after notice of the requirements and security given for its payment.

SECT. 5. The capital stock of this corporation shall be two hundred thousand dollars, which may be increased by a majority vote of its stockholders to any sum not to exceed one million dollars. Said capital stock shall be divided into shares of one hundred dollars each. Capital stock.

SECT. 6. Said company shall have the power to borrow money, issue its bonds therefor, and, upon vote of its stockholders, mortgage its property, rights and franchise to secure the payment of such bonds to an amount not exceeding the amount of its capital stock. Issue of bonds,
etc.

SECT. 7. The persons named in section 1 of this act shall be commissioners to receive subscriptions to the capital stock of this corporation, and after sufficient capital stock has been subscribed, as herein provided, any three of them may call the first meeting of the corporation by publication or by giving personal notice to the other grantees and subscribers to stock, at least ten days prior to the time of meeting, at which first meeting or any adjournment thereof, by-laws may be adopted, directors chosen, and such other business transacted as thought proper when met. Stock sub-
scriptions;
first meeting.

SECT. 8. The management of the affairs of this corporation shall be vested in a board of directors, to consist of not less than five in number, to be chosen from the stockholders, at the annual meeting, who shall hold office until others are chosen in their places, and a majority of such board shall constitute a quorum for the transaction of business. Said board of directors shall elect a president, clerk and treasurer, who shall give bonds as they may determine, and such other officers and agents as may be found necessary, and fix their duties and compensation. Directors and
officers.

May begin
business
when.

SECT. 9. The said company shall not organize or be empowered to transact business until ten thousand dollars of the capital stock has been subscribed, and twenty-five per cent. of said sum shall have been paid in.

Consolidation
authorized.

SECT. 10. This corporation may merge and consolidate its capital stock, franchises and property with, and may acquire the capital stock, franchises and property of any other corporation or corporations formed under the laws of any other state, for the same purposes that this corporation is organized. And any other such corporation which shall take and acquire the capital stock, franchise and property of this corporation shall have all the rights of and shall be subjected to all the duties and obligations of this corporation, in every particular, as provided in this act.

Subject to
repeal; void
unless work
begun within
five years.

SECT. 11. This act shall be within the control of the legislature at any time to amend or repeal as the public good shall require. If said corporation shall not within five years after the approval of this act commence the construction of said dam, then this act shall be void.

Takes effect
on passage.

SECT. 12. This act shall take effect from its passage.

[Approved March 31, 1903.]

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. Frank P. Thomas of Andover, Maine, James M. Lavin, Ernest McC. Macy, Jason H. Woodward and Osman W. Fernald of Berlin, New Hampshire, and Alva B. Libby and Walter C. Libby of Gorham, New Hampshire, and their associates, successors, and assigns, shall be and hereby are made a body politic and corporate by the name of the Peabody River Improvement Company, for the purpose of erecting dams and sluices, and making such other improvements as may be proper and necessary, on Peabody river and its tributaries in Coös county, to improve said river and its tributaries, for the purpose of driving logs and lumber therein, and driving lumber over and through said dams and sluices, and of establishing rates of toll on lumber so driven and sluiced; and shall be invested with all the rights and privileges, and subjected to all the liabilities of corporations of a similar nature; and may purchase and hold real estate and other property not exceeding in value the sum of twenty-five thousand dollars, said sum to be held in shares of one hundred dollars each.

SECT. 2. Said corporation may erect and maintain such and so many dams, sluices, and booms, on said river and its tributaries, and may clear, deepen, and improve the same to such extent as shall be deemed necessary for the proper driving of logs and lumber through said improvements and river into the Androscoggin river; and if the owner or owners of any property situated within the bounds of said river feel that his or their property has been damaged by said improvements, he or they may apply to the superior court for the southern judicial district of said county, and said court shall, on application of the party aggrieved, cause said damage, if any, to be estimated by the county commissioners of said county; *provided, however,* that if either party, before such reference to said county commissioners or committee of three disinterested men shall so desire, the question of damages shall be submitted to a jury for determination.

May establish
tolls.

SECT. 3. Said corporation may make and establish such rates of toll for driving lumber or timber over or through said dams, sluices, and river and its tributaries as may be deemed by them expedient, and shall have power to sue for and collect such toll in the same manner as corporations are by law allowed to collect debts due them; and said corporation may have a lien on all logs or timber which may pass over or through said dams, sluices, and improvements, and may hold possession of the same until said tolls are paid or satisfactorily secured.

Tolls subject
to revision.

SECT. 4. Any party aggrieved by the rates of toll so established as aforesaid in the preceding section, may apply to said court or any justice thereof, who after due notice to the parties and hearing shall revise said rates, and his revised rates of toll shall be the established rates on said river.

Rates of toll
to be pub-
lished.

SECT. 5. As soon as said rates of toll are established, said corporation shall cause the same, duly attested, to be published in some newspaper in said district, and such rates, when so published and recorded in the clerk's book of records of the doings of said corporation, shall be the established rates, and such notice shall be deemed legal notice to all parties concerned.

First meeting.

SECT. 6. Either one of the incorporators, may call the first meeting of said corporation by publishing notice thereof three weeks prior to said meeting in the *Coos County Democrat*, a newspaper printed in said district; and said corporation when so met may elect associates, establish by-laws, rules, and regulations for the government of the same, elect officers as may be necessary, and transact such business as may pertain to corporations of a similar nature.

Subject to re-
peal.

SECT. 7. The legislature may at any time alter, amend or repeal this act.

Takes effect
on passage.

SECT. 8. This shall take effect upon its passage.

8. Rights reserved to towns.
9. Company to keep highways in repair.
10. Subject to general law.
11. First meeting.
12. Takes effect on passage; void as to parts not built within two years; exemption.

Be it enacted by the Senate and House of Representatives in General Court convened:

SECTION 1. That Elisha R. Brown, Arthur G. Whittemore, Thomas H. Dearborn, Daniel Hall, and George D. Barrett, all of Dover in the county of Strafford, Frederic E. Small, R. DeWitt Burnham, Charles S. Barker, all of Rochester in said county, Nathaniel E. Martin and James H. Morris, both of Concord in the county of Merrimack, John B. Jameson of Antrim in the county of Hillsborough, George W. Lane of Chichester in said county of Merrimack, Charles F. Cate, F. H. Folsom, and Samuel W. Gerrish, all of Northwood in the county of Rockingham, and William C. Chesley of Nottingham in said county of Rockingham, John H. Neal and Samuel D. Felker both of said Rochester, their associates, successors, and assigns, are hereby made a corporation by the name of the Concord, Dover & Rochester Street Railway, with power to construct, maintain, and operate a railway with convenient sidings, poles, wires, turnouts, and switches from some convenient point at or near the intersection of North Main and Bridge streets in the said city of Concord; thence through said Bridge street, and through said city of Concord to the line of the town of Pembroke; thence through the northwestern corner of said Pembroke, and through Chichester, and through the village of Short Falls or Epsom Depot in the town of Epsom, Northwood, and through the northerly corner of the town of Nottingham, Barrington; thence through Strafford, and the northerly corner of the town of Madbury, and in the city of Dover to some convenient point at or near the Boston & Maine Railroad station in the city of Dover, or through the city of Rochester to some convenient point at or near the Boston & Maine Railroad station in the city of Rochester, or to said terminals in both said cities, as this corporation may determine (but this corporation shall not build directly from Dover to Rochester, or from Rochester to Dover), and in each of said cities, in case the

Corporation constituted; purposes.

corporation shall build the railroad hereby authorized to both of them, or in either of said cities in case it shall build the railroad herein authorized to but one of them, the track of this corporation shall be laid to connect with the track of the Dover, Somersworth & Rochester Street Railway at the extreme point to which said Dover, Somersworth & Rochester Street Railway shall have been constructed at the time of the building of the railroad hereby authorized, toward the west in said city or cities. And in said city or cities from such extreme point this corporation may enter upon, use, and run its cars over the line of the Dover, Somersworth & Rochester Street Railway directly to the terminus of the railroad of this corporation in each or either of said cities upon such terms as this corporation and said Dover, Somersworth & Rochester Street Railway may agree, or in the absence or inability to make an agreement, upon such terms as the railroad commissioners may determine, upon the petition of either party. Said corporation may construct the railroad herein authorized through such of the towns herein named and in such sequence as it may determine, and may pass in and through a town or part of a town more than once if necessary, between the termini; and may also construct and maintain suitable buildings, dams, water and other motors, engines, electric and other machinery for the generation of electricity or other motive power, except steam, for the operation of said railway.

Vacancy in
membership,
how filled.

SECT. 2. In case of the death or inability to act of any incorporator, his associates from the town or city in which he lived may fill the vacancy by choice signified to all their associates in writing within thirty days of the death or inability to act of such incorporator, and the person so elected to fill the vacancy shall have and possess all the rights and powers he would have had, had he been named herein as incorporator. In case of the death or inability to act of an incorporator from a town or city from which there is but one incorporator, all his associates shall act in filling the vacancy.

Capital stock.

SECT. 3. The capital stock of said corporation shall not exceed four hundred thousand dollars, and shall be divided into shares of a par value of one hundred dollars each, but said company may issue capital stock and bonds to such an amount only as may be necessary to construct and equip said railway, including the amount required to provide motive power for the operation thereof, and its bonded and other indebtedness shall at no time exceed the amount of its capital stock actually paid in. The amount of capital stock and bonds to be so issued from time to time, shall be determined and issued in accordance with the provisions of the general laws.

How laid out
in highways.

SECT. 4. All parts of said railway occupying any portion of a public highway or street shall be located thereon by the selectmen of the town or towns or the board of mayor and

aldermen of the city or cities in which said portions of highways or streets may be. The selectmen of the towns, or mayor and aldermen of cities, respectively, upon petition of the directors of said railway for a location of its tracks over or on any public highway upon the line of said route, shall give notice by publication to all parties interested, of the time and place at which they will consider said petition for location in the public highways of said town or towns, city or cities, and after a public hearing of all persons interested, they may make an order granting the same or any portion thereof, under such restrictions and upon such conditions as they may deem the interests of the public require; and the location thus granted shall be deemed to be the true location of the tracks of said railway. But upon the petition of any party interested, and after a public hearing of all parties, the same may be changed at any time to other parts of the same highway or street by subsequent order of said selectmen, boards of mayor and aldermen, or their successors in office, if in their judgment the public good requires such change; but, if such order is made after the construction of said railway on the original location, an appeal therefrom by any party interested may be had to the board of railroad commissioners, whose decision shall be final; and the expense of making such change of location shall be apportioned by the board of railroad commissioners between the railway and the city or town, as such board may deem just. The boards of mayor and aldermen of cities and selectmen of towns shall assess damages to abutters, subject to the right of appeal, in the same manner as now provided by law in the laying out of highways.

SECT. 5. All parts of said railway not located in a public highway shall be laid out, located, and the location changed under the provisions of chapter 158 of the Public Statutes; and said railway corporation, and all persons whose property shall be taken for its use, shall have respectively all the rights and privileges and be subject to all the duties, restrictions, and liabilities contained in said chapter. How laid out elsewhere.

SECT. 6. The selectmen of the towns and the board of mayor and aldermen of cities through which said railway shall pass shall, within their respective towns or cities, have exclusive and final jurisdiction to locate the tracks, side-tracks, turn-outs, and poles for said railway, and may order said railway to discontinue temporarily the use of any of its tracks in any highway, whenever they deem that the convenience and safety of the public require such discontinuance, without incurring any liability therefor; and from such orders there shall be no appeal. Rights reserved to towns.

SECT. 8. Said towns and cities, for any lawful purpose, may take up and repair highways occupied by said railway, or may alter highways as authorized by law, without incurring any liability therefor to said corporation.

Company to keep highways in repair.

SECT. 9. Said railway corporation shall keep in repair, to the satisfaction of the superintendent of streets, street commissioner, road commissioner, or surveyor of highways, in the respective towns or cities, subject to an appeal to the selectmen, the surface material of the portion of highways and bridges occupied by its tracks, and shall keep in suitable repair for public travel the highway for at least eighteen inches on each side of the portion of the highway so occupied by its tracks, and shall be liable for any damage, loss, or injury that any person not in its employ may sustain by reason of the carelessness, negligence, or misconduct of its agents and servants in the construction, management, or use of its tracks.

Subject to general law.

SECT. 10. Said railway corporation shall be subject to all the provisions of the general laws, except as modified by the provisions herein.

First meeting.

SECT. 11. Any three of the grantees may call the first meeting by giving personal notice to the other grantees, at least ten days prior to the time of the meeting.

Takes effect on passage; void as to parts not built within two years; exemption.

SECT. 12. This act shall take effect on its passage, but shall be void and inoperative as to all parts of said railway not constructed and ready for operation within two years from its passage, and shall not be subject to the provisions of section 5, chapter 14 of the Public Statutes.

SECTION

1. Capital stock.
2. Powers.
3. Right of eminent domain; assessment of damages.

SECTION

4. Takes effect on passage; repealing clause.

Be it enacted by the Senate and House of Representatives in General Court convened:

Capital stock. SECTION 1. That section 2 of said chapter 208 be amended by striking out the word "fifty" in the fourth line, and inserting in place thereof the words, one hundred and twenty-five. Also by striking out the words "one-half of" in the fifth line, and inserting in the place thereof the words, the amount of, so that said section when amended shall read as follows: SECT. 2. The capital stock of said corporation shall consist of such number of shares of one hundred dollars each as may from time to time be determined by the directors, not exceeding in the whole the sum of one hundred and twenty-five thousand dollars. Said corporation may also borrow such sums of money, not to exceed the amount of its capital stock then issued, as its stockholders may from time to time determine, and secure the same by such mortgage or mortgages of its franchise and property as they may direct.

Powers. SECT. 2. That section 3 of said chapter 208 be amended by adding after the word "Langdon," in the eighth line thereof, the words, and Acworth and Lempster and Unity, also by adding after the word "acquire" in the seventeenth line the words, or take by eminent domain, and also by adding after the word "necessary" in the eighteenth line the words, for any purposes of the said corporation as authorized by this act, so that said section when amended shall read as follows: SECT. 3. Said corporation is hereby authorized and empowered to establish and carry on in the said towns of Walpole and Alstead and Langdon, the business of generating, manufacturing, producing, and supplying electricity for the purposes of light, heat, and mechanical power, and may also furnish and supply to those requiring it any surplus water-power it may have, and to these ends may purchase, build, erect, and maintain in said Walpole and Alstead and Langdon and Acworth and Lempster and Unity such suitable dams, canals, reservoirs, and

water-powers as may be necessary, and may distribute and supply electricity by metallic wires or by any other suitable means of transmitting the same upon poles erected, or in subterranean tubes or boxes placed in the public streets and highways in said towns, the consent of the selectmen of said towns being first obtained for that purpose, and then such location to be under the direction of said selectmen; and may construct and maintain such suitable dams, canals, reservoirs, structures, or buildings, hold, purchase, lease, and acquire, or take by eminent domain such real and personal property, rights and easements as may be necessary for any purposes of the said corporation as authorized by this act, and may sell, convey, and dispose of the same at pleasure.

SECT. 3. of damages.

streams, springs, ponds, lakes, or water rights, and dig ditches and canals, make excavations or reservoirs, through, over, in, or upon any land or enclosure through which it may be necessary for said aqueduct to pass, or said excavations, reservoirs, and water-works to be or exist for the purpose of obtaining, holding, preserving, or conducting such water, and placing such pipes or other materials or works as may be necessary for building and operating such aqueduct and water-works, or for repairing same; *provided*, if it shall be necessary to enter upon and appropriate any land or water rights, or any stream, spring, lake, or pond, for the purpose aforesaid, or to raise or lower the level of any stream, spring, lake, or pond, and if said town shall not agree with the owners thereof for the damage that may be done by said town, or such owners shall be unknown, said town, or said owners or party injured, may apply to the trial term of the superior court for the county within which such stream, spring, pond, lake, water rights, or land is situate, to have the same laid out and the damages determined, and the said court shall refer the same to the county commissioners for said county, who will appoint a time and place for hearing, and give notice thereof in the same manner as is now provided by law for laying out highways, and said commissioners shall make report to said court, and said court may issue execution accordingly; if either party shall desire, they shall be entitled to trial by jury in such manner and under such regulations as the court may prescribe, in the same manner as appeals from the award of damages in the case of laying out highways.

Contracts
authorized.

SECT. 3. Said town is authorized and empowered to contract with individuals and corporations for supplying them with water, and to make such contracts and establish such regulations and tolls for the use of water as may from time to time be deemed proper; and for the more convenient management of said water-works the said town may, either before or after the construction of the same, place them under the direction and control of a board of water commissioners, with such powers and duties as may from time to time be prescribed by said town.

Appropriations
authorized.

SECT. 4. Said town is also authorized, at any annual or special meeting by a major vote of those present and voting, to raise and appropriate, and to borrow or hire, such sums of money on the credit of the town as may from time to time be deemed advisable, for the purpose of defraying the expense of purchasing real estate, rights in real estate, water rights, streams, springs, lakes, ponds, and rights aforesaid, and for constructing, maintaining, and operating said water-works, payable at such times and such rates of interest as may be thought proper. The purchase of real estate and water rights already made by said town, are hereby ratified and confirmed.

Takes effect
on passage.

SECT. 5. This act shall take effect upon its passage.

[Approved April 2, 1903.]

CHAPTER 329.

AN ACT TO AMEND CHAPTER 184 OF THE LAWS OF 1897, ENTITLED
“AN ACT TO INCORPORATE THE DALTON POWER COMPANY,” AS
AMENDED BY SECTION 1, CHAPTER 221 OF THE LAWS OF 1899.

SECTION

1. May acquire stock of other corporations.
2. Capital stock; property.

SECTION

3. Issue of bonds.
4. May maintain dams.
5. Takes effect on passage.

*Be it enacted by the Senate and House of Representatives in
General Court convened:*

SECTION 1. Amend section 2, chapter 184 of the Laws of 1897 by adding at the end of said section the words, and said corporation may take, hold, and dispose of stocks and bonds of other corporations, so that said section, as amended, shall read as follows: SECT. 2. That said company is hereby authorized, to acquire by lease or purchase, the property, rights, franchises, privileges, and immunities of any electric light company now or hereafter existing in any town or city in said counties of Grafton or Coös, state of New Hampshire, or said county of Caledonia and county of Essex, state of Vermont, upon such terms or conditions as may be mutually agreed upon; and upon such lease or purchase and a transfer and conveyance of the same to the Dalton Power Company, it shall succeed to and enjoy all the rights, privileges, and immunities now enjoyed and belonging to any such electric light company and said corporation may take, hold, and dispose of stocks and bonds of other corporations.

SECT. 2. To amend section 4, chapter 184 of the Laws of 1897, by striking out the words “one hundred and fifty” wherever the same appear in said section, as amended by section 1, chapter 221 of the Laws of 1899, and inserting in lieu thereof, in each place, the words, four hundred and fifty, and adding at the end of said section the words, and shall have the right to issue bonds secured by a mortgage upon its franchises, rights and properties to an amount not exceeding the amount of the capital stock actually paid in; so that as amended said section shall read as follows: SECT. 4. The capital stock of said corporation shall not exceed the sum of four hundred and fifty thousand dollars, divided into shares of one hundred dollars each. The amount thereof within said authorized limit shall be fixed by the corporators upon the organization of the company, and the same shall from time to time be increased as determined by the stockholders until all of said four hundred and fifty thousand dollars has been issued. Said capital stock may be paid in cash, or in property taken at a fair valuation, but no shares shall be issued until fully paid for. The said company shall have the right to acquire, own, or hold by lease

or purchase, any and all property, both real and personal, that may be necessary or useful for the purposes of its business, and shall also have the power to sell, mortgage or lease its franchises, rights, and properties to other corporations in this state and the state of Vermont.

Issue of
bonds.

SECT. 3. Amend section 5 of said chapter 184 of the Laws of 1897, by striking out the words "seventy-five per cent." in the fifth line of said section, and inserting in the place thereof the words, the amount; so that said section as amended shall read as follows: SECT. 5. And said company may issue its bonds for the accomplishment of any of the purposes for which it is incorporated, at such rates and times, and in such amounts as the stockholders may authorize; *provided*, such bonds shall not be issued in amounts exceeding the amount of the capital stock actually paid in; and it may secure payment of such bonds, both principal and interest, by a mortgage on its property and franchises.

May maintain
dams.

SECT. 4. Amend section 6, chapter 184 of the Laws of 1897 by inserting in the second line after the word "dam" and before the word "and," the following words, or dams; and after the word "at" and before the words "a point" in the fourth line, by inserting the words, any point or points on said falls between the northerly line of the James Adair farm, so called, on the New Hampshire bank, and the mouth of Miles Pond brook, so called, on the Vermont bank of said river, and, so that the said section when amended shall read as follows: SECT. 6. Said corporation is hereby authorized and empowered to erect and maintain a dam or dams and all such works as may be necessary and proper to carry into effect the objects aforesaid on and across the Connecticut river at Fifteen Mile falls, at any point or points on said falls between the northerly line of the James Adair farm, so called, on the New Hampshire bank, and the mouth of Miles Pond brook, so called, on the Vermont bank of said river, and a point on said falls about three miles below the Sumner house in said Dalton, in said county of Coös, and to make and maintain all such canals and slips as may be necessary and proper for the purposes aforesaid; *provided* that this grant shall not be held or construed to impair any rights, powers and privileges heretofore granted by the legislature of this state within the limits aforesaid.

This corporation shall not flow any land lying north of the southerly line of land now owned by the Concord & Montreal Railroad on said river above the location of said dam, and if the dam shall not be constructed and an electric light plant created and equipped for use for one or more of the purposes of this act by December 1, 1900, this act shall thereafter be void and of no effect.

Takes effect
on passage.

SECT. 5. This act shall take effect upon its passage.

[Approved April 2, 1903.]
